Albert Cohen Jack I. Abecassis, 2020-03-03 Honorable Mention winner in the Modern Language Association's Aldo and Jeanne Scaglione Prize competition for French and Francophone Literary Studies A major figure in twentieth-century letters, Albert Cohen (1895–1981) left a paradoxical legacy. His heavily autobiographical, strikingly literary, and polyphonic novels and lyrical essays are widely read by a devout public in France, yet have been largely ignored by academia. A self-consciously Jewish writer and activist, Cohen remained nevertheless ambivalent about Judaism. His self-affirmation as a Jew in juxtaposition with his satirical use of anti-Semitic stereotypes still provokes unease in both republican France and institutional Judaism. In *Albert Cohen: Dissonant Voices*, the first English-language study of this profound and profoundly misunderstood writer, Jack I. Abecassis traces the recurrent themes of Cohen's works. He reveals the dissonant fractures marking Cohen as a modernist, and analyzes the resistance to his work as a symptom of the will not to understand Cohen's main theme—the catastrophe of being Jewish. For Abecassis, Cohen's diverse oeuvre forms a single roman fleuve exploring this perturbing theme through fragmentation and grotesquerie, fantasies and nightmares, the veiling and unveiling of the unspeakable. Abecassis argues that Cohen should not be read exclusively through the prism of European literature (Stendhal, Tolstoy, Proust), but rather as the retelling—inverting and ultimately exhausting, in the form of submerged plots—of the Biblical romances of Joseph and Esther. The romance of the charismatic Court Jew and its performance correlative, the carnival of Purim, generate the logic of Cohen's acute psychological ambivalence, historical consciousness and carnal sensuality—themes which link this modernist author to Genesis as well as to the literary practices of Sephardic crypto-Jews. Abecassis argues that Cohen's best-known work, *Belle du Seigneur* (1968), besides being an obvious tale of obsessive love and dissolution, is foremost a tale of political intrigue involving Solal, the meteoric-rising Jew in the League of Nations during the period of Appeasement (1936), and his ultimate self-destruction. Providing close readings and imaginative analyses of the entire literary output of one of twentieth-century France's most important Jewish writers, Abecassis presents here a major work of literary scholarship, as well as a broader study of the reception and influence of Jewish thought in French literature and philosophy.

Marrano as Metaphor Elaine Marks, 1996 When Europeans in the Middle Ages spoke of marranos, they were making a derogatory reference to crypto-Jews--those who publicly converted to and performed as Christians, but who remained secretly faithful to Judaic law. Today, asserts Elaine Marks in *Marrano as Metaphor*, the concept can be used to describe all Jews living in a dominant Christian or Muslim culture, whatever may be their conscious relationship to Judaism. A sweeping examination of the Jewish presence in French literature from the sixteenth century to the present, *Marrano as Metaphor* explores the many shapes and forms in which Jews are perceived, spoken, and written about. Employing a wide spectrum of analytical methods from history, literary theory and psychoanalysis, renowned French scholar Elaine Marks opens new doors in the study of literature. *Marrano as Metaphor* investigates questions of difference and assimilation, of respect and derogation, in a wide range of French literature--from Alain Robbe-Grillet's discussion in his memoirs of his parents' antisemitism to the story of Esther through Jean Racine and Marcel Proust; from efforts to address Jewish issues in the writings of Marguerite Duras and Jean-Paul Sartre to the secular, assimilated Jewish tradition of Jacques Derrida and Helene Cixous. Marks looks closely at strains of antisemitism running through French literature, analyzing such antecedents as the nihilism of the 1880s and its meditation on death and absence.

Reinventing Love Mona Chollet, 2024-07-02 A new work by the author of "In Defense of Witches" that seeks to redefine heterosexual relationships and give women back their voice. As feminist principles have taken wider hold in society, and basic ideas about equality for women can seem a given, many women still struggle in one of the most important areas of life: love. Whether it's finding a partner, seeking a commitment from one, or struggling in a relationship that is unfulfilling or even potentially abusive, women still find that deeply-engrained notions of gender and behavior can be obstacles to a healthy, loving relationship. In her new book, acclaimed French feminist Mona Chollet tackles some of these long-held and pervasive

ideas that remain stumbling blocks for many women in heterosexual relationships. Drawing from popular culture, politics, and literature, *Reinventing Love* provides a provocative, accessible look at how heterosexual relationships can improve and evolve under a feminist lens.

Adapted Voices Armelle Blin-Rolland, 2017-07-05 *Voyage au bout de la nuit* (1932), by Louis-Ferdinand Celine (1894-1961), and *Zazie dans le metro* (1959), by Raymond Queneau (1903-1976), were two revolutionary novels in their transposition of spoken language into written language. Since their publication they have been adapted into a broad range of media, including illustrated novel, bande dessinée, film, stage performance and recorded reading. What happens to their striking literary voices as they are transposed into media that combine text and image, sound and image, or consist of sound alone? In this study, Armelle Blin-Rolland examines adaptations sparked by these two seminal novels to understand what 'voice' means in each medium, and its importance in the process of adaptation.

French XX Bibliography William J. Thompson, 2006-09 Provides a listing available of books, articles, and book reviews concerned with French literature since 1885. Proust, a Jewish Way Antoine Compagnon, 2024-11-12 Marcel Proust once wrote, "There is no longer anybody, not even myself, since I cannot leave my bed, who will go along the Rue du Repos to visit the little Jewish cemetery where my grandfather, following a custom that he never understood, went for so many years to lay a stone on his parents' grave." Investigating the origin and significance of this statement, Antoine Compagnon offers new insight into the great author's underappreciated Jewish side. Compagnon traces Proust's ties to the French Jewish community, examining his relations with his mother's successful and assimilated family, the Weils. He explores how French Jews read and responded to Proust's masterpiece *In Search of Lost Time* in the 1920s and 1930s. Challenging contemporary critics who perceive self-hatred or

even antisemitism in Proust's work, Compagnon shows that many Jewish intellectuals and young Zionists admired and vigorously debated the novel, some seeing it as a source for pride in their Jewish identity. He also considers Proust's portrayal of homosexuality and how it relates to notions of Jewishness. A work of remarkable erudition and deep research, Proust, a Jewish Way brings to light the vanished world of Proust's first Jewish readers and shows how it can illuminate our reading of the great novelist today.

Contemporary Jewish Writing in Switzerland Rafa?l Francis David Amadeus Newman, 2002-01-01 This anthology features an eclectic mix of eighteen modern works by a selection of Switzerland's heterogeneous community of Jewish writers. Questions about Jewish identity and the legacy of the Holocaust remain current and controversial in Switzerland because of the country's now well-publicized economic involvement with Hitler's Germany and the scandal that erupted when the purported Holocaust memoir of Benjamin Wilkomirski was revealed to be a hoax. This collection includes an excerpt from a novel by Daniel Ganzfried, the journalist who exposed the Wilkomirski Affair; two chilling counterfactual accounts of a Nazi-occupied Switzerland by television scriptwriter Charles Lewinsky; an epistolary satire of contemporary Swiss and Jewish life by Sergue Hazanov, a Russian-Jewish immigrant; lyrical evocations of exile by Gabriele Markus; a memoir by renowned theatre director Luc Bondy; strikingly harsh portraits of contemporary European life from painter and performance artist Miriam Cahn; and a screenplay about the Holocaust and Jewish refugees in Switzerland by Swiss filmmaker Stina Werenfels. Surprising in its diversity and sometimes disturbing in its preoccupations, this anthology will make it hard to generalize about Jewish life in Switzerland or to think in polarities such as Switzerland and the Jews.

Francophone Sephardic Fiction Judith Roumani, 2022-04-13 Francophone Sephardic Fiction: Writing Migration, Diaspora, and Modernity approaches modern Sephardic literature in a comparative way to draw out similarities and differences among selected francophone novelists from various countries, with a focus on North Africa. The definition of Sepharad here is broader than just Spain: it embraces Jews whose ancestors had lived in North Africa for centuries, even before the arrival of Islam, and who still today trace their allegiance to ways of being Jewish that go back to Babylon, as do those whose ancestors spent a few hundred years in Iberia. The author traces the strong influence of oral storytelling on modern novelists of the twentieth and early twenty-first centuries and explores the idea of the portable homeland, as exile and migration engulfed the long-rooted Sephardic communities. The author also examines diaspora concepts, how modernity and post-modernity threatened traditional ways of life, and how humor and an active return into history for the novel have done more than mere nostalgia could to enliven the portable homeland of modern francophone Sephardic fiction.

Paths to Contemporary French Literature John Taylor, 2018-04-17 Although the great French novelists of the last two centuries are widely read in America, there is a widespread notion that little of importance has happened in French literature

since the heyday of Sartre, Camus, and the nouveau roman. Some might argue that even well read Americans are ignorant about what is happening in European literature generally. Certainly, there has never been so few translations of foreign books in the United States, or so little coverage of foreign writers. Curious American readers need new, up-to-date information and analyses about what is happening elsewhere. *Paths to Contemporary French Literature* is a stimulating and much-needed guide to the major currents of one of the world's great literatures. This critical panorama of contemporary French literature introduces English-language readers to over fifty important writers and poets, many of whom are still little known outside of France. Emphasizing authors who are admired by their peers (as opposed to those with overnight reputations), John Taylor offers a compelling insider's view. The pioneering essays included in this book offer incisive analyses of the ideas motivating current writing and delve into a writer's or poet's entire output. Although some names may be familiar (Marguerite Duras, Hubert Cixous, Philippe Jaccottet, Henri Michaux), the reader obtains fresh reappraisals of their seminal work. Especially noteworthy, however, are Taylor's lively introductions to many other key writers who either have not yet crossed the English Channel, let alone the Atlantic. Combating the notion that French literature is overtly intellectual, inaccessible, or interested only in formal experimentation, Taylor shows that many French writers are instead acutely inquisitive about the outside world, shrewd observers of reality, even very funny. Although not conceived as a reference book, the volume possesses some qualities of a reference work: a good bibliography, reliable dates and biographical facts. *Paths to Contemporary French Literature* will be of interest to students of French literature and culture, literary scholars, and readers of contemporary fiction and poetry.

The European Economy in 100 Quotes Cristina Peicuti, 2024-10-11 This book will take the reader on a journey through the economic thought of Europe, spanning from ancient Greece to the modern day. It explores the economic ideas of the 27 European Union countries, the United Kingdom and Norway, across history. By presenting 500 important quotes, the book offers a better understanding of Europe's economic landscape and serves as a guide that invites readers to explore in more detail the quoted sources. It displays the common socio-economic threads that bind European nations over millennia, transcending artificial divisions imposed by history. From ancient Greece to the reunification post-Berlin Wall, the book enables readers to explore the continuous European economic evolution. The book will appeal to students and scholars of economics, as well as a wider audience, interested in a better understanding of how quotes and economic ideas from the past shape a future with aspirations, such as for the freedom of enterprise, for a market economy based on competition, for the fight against corruption, for a fair distribution of wealth, and an economy at the service of mankind.

Jean-Paul Sartre Jean-Pierre Boulé, 2011-05-25 Jean-Paul Sartre: Mind and Body, Word and Deed celebrates Sartre's polyvalence with an examination of Sartrean philosophy, literature, and politics. In four distinct yet related sections, twelve scholars from three continents examine Sartre's thought, writing and action over his long career. "Sartre and the Body"

reappraises Sartre's work in dialogue with other philosophers past and present, including Maine de Biran, Maurice Merleau-Ponty and Didier Anzieu. "Sartre and Time" offers a first-hand account by Michel Contat of Sartre and Beauvoir working together, and a "philosophy in practice" analysis by François Noudelmann. "Ideology and Politics" uses Sartrean notions of commitment and engagement to address modern and contemporary politics, including insights into Castro, De Gaulle, Sarkozy and Obama. Finally, an important but neglected episode of Sartre's life—the visit that he and Beauvoir made to Japan in 1966—is narrated with verve and humour by Professor Suzuki Michihiko, who first met Sartre during that visit and remained in touch subsequently. Taken together, these twelve chapters make a strong case for the continued relevance of Sartre today.

Lady Chatterley's Lover David Herbert Lawrence, 1994 With her soft brown hair, lithe figure and big, wondering eyes, Constance Chatterley is possessed of a certain vitality. Yet she is deeply unhappy; married to an invalid, she is almost as inwardly paralysed as her husband Clifford is paralysed below the waist. It is not until she finds refuge in the arms of Mellors the game-keeper, a solitary man of a class apart, that she feels regenerated. Together they move from an outer world of chaos towards an inner world of fulfillment. Included here, in his essay *A Propos of Lady Chatterley's Lover*, are Lawrence's own, final thoughts on male-female relationships in the modern world. This Penguin edition reproduces the newly established Cambridge text, the first edition ever to restore to Lawrence's most famous work the words he wrote and the first to correct authoritatively the 1928 Florence edition which Lawrence personally supervised. @DeadFlowers Our farmhand is so aloof and Romantic. Social Reform, Modernization and Technical Diplomacy Véronique Plata-Stenger, 2020-04-20 Founded in 1919 under the Treaty of Versailles as part of the League of Nations' system, the ILO is still today the main organization responsible for the international organization of work and the improvement of working conditions in the world. Widely recognized for its efforts in building international labour standards, the ILO remains little studied by development specialists and historians. This book intends to fill this gap and traces the history of international development and its early pioneers, through an analysis of the activities of the International Labour Office, the Secretariat of the International Labour Organization, between 1930 and 1946. In this book, development is used as a key to questioning the ILO's place and function in the expanding inter-war world. The development practices and discourses that emerged in the 1930s were mainly intended to support the ILO's universalization strategy, which was made necessary by the events that shook Europe at the time. Development discourses and practices were also part of the *esprit du temps*, as they were closely linked to the affirmation of the planist and rationalist ideas of the 1930s. However, development for the ILO was not reduced to a project of economic modernization,

but was seen as a tool for social engineering, as evidenced by the ILO's missions of technical assistance, organized since 1930. The analysis of the expertise work makes it possible to highlight the logics that prevailed in technical assistance, which was more in line with institutional objectives, than with the dissemination of a genuine expertise. This book therefore hopes to bring new insight on the history of internationalism, and international organizations during the inter-war period and the Second World War, as well as on the role of the ILO in the history of international development thinking and practices.

Israeli-Palestinian Conflict in the Francophone World Nathalie Debrauwere-Miller, 2011-02-09 With interdisciplinary analyses of texts whose origins span the diversity of the Jewish and Muslim traditions, the provocative essays collected in *Israeli-Palestinian Conflict in the Francophone World* offer startling insights into the meaning of the volatile history of this conflict in the Francophone world. In France and the Francophone world, the hostilities of the on-going Israeli-Palestinian conflict are consistently reenacted in cultural clashes between the large Muslim and Jewish populations within France and throughout the Francophone Diaspora. The notable scholars appearing in this collection interrogate the complex history of this conflict – from the beginnings of Zionism in 1897 to the first and second Intifada of 1987 and 2000 – and give unique perspectives culled from a diverse range of literary, philosophical, historical, and psychoanalytic frameworks. An important and unique volume, *Israeli-Palestinian Conflict in the Francophone World*, will shed new light for the reader on the dense ideological antagonisms at the heart of the Israeli-Palestinian conflict and will surely be celebrated as an invaluable resource for scholars, students, and teachers alike.

Shadows of the Soul Christine Tappolet, Fabrice Teroni, Anita Konzelmann Ziv, 2018-01-12 Negative emotions are familiar enough, but they have rarely been a topic of study in their own right. This volume brings together fourteen chapters on negative emotions, written in a highly accessible style for non-specialists and specialists alike. It starts with chapters on general issues raised by negative emotions, such as the nature of valence, the theoretical implications of nasty emotions, the role of negative emotions in fiction, as well as the puzzles raised by ambivalent and mixed emotions. The second part of the volume consists of studies of specific emotional phenomena, ranging from the emotion of being moved and the sense of uncanniness to jealousy, hatred, shame, contempt, anxiety, and grief.

Diplomacy and the Modern Novel Isabelle Daunais, Allan Hepburn, 2020-10-01 Between 1900 and 1960, many writers in France and Britain either had parallel careers in diplomatic corps or frequented diplomatic circles: Paul Claudel, Albert Cohen, Lawrence Durrell, Graham Greene, John le Carré, André Malraux, Nancy Mitford, Marcel Proust, and others. What attracts writers to diplomacy, and what attracts diplomats to publishing their experiences in memoirs or novels? Like novelists, diplomats are in the habit of describing situations with an eye for atmosphere, personalities, and looming crises. Yet novels about diplomats, far from putting a solemn face on everything, often devolve into comedy if not outright farce. Anachronistic yet charming, diplomats take the long view of history and social transformation, which puts them out of step

with their times – at least in fiction. In this collection of essays, eleven contributors reflect on diplomacy in French and British novels, with particular focus on temporality, style, comedy, characterization, and the professional liabilities attached to representing a state abroad. With archival examples as evidence, the essays in this volume indicate that modern fiction, especially fiction about diplomacy, is a response to the increasing speed of communication, the decline of imperial power, and the ceding of old ways of negotiating to new.
