Thomas Mann in English David Horton, 2013-04-11 Thomas Mann owes his place in world literature to the dissemination of his works through translation. Indeed, it was the monumental success of the original English translations that earned him the title of 'the greatest living man of letters' during his years in American exile (1938-52). This book provides the first systematic exploration of the English versions, illustrating the vicissitudes of literary translation through a principled discussion of a major author. The study illuminates the contexts in which the translations were produced before exploring the transformations Mann's work has undergone in the process of transfer. An exemplary analysis of selected textual dimensions demonstrates the multiplicity of factors which impinge upon literary translation, leading far beyond the traditional preoccupation with issues of equivalence. Thomas Mann in English thus fills a gap both in translation studies, where Thomas Mann serves as a constant but ill-defined point of reference, and in literary studies, which has focused increasingly on the author's wider reception.

Elizabeth Wolstenholme Elmy and the Victorian Feminist Movement Maureen Wright, 2013-07-19 This book provides the first full-length biography of Elizabeth Wolstenholme Elmy (1833-1918) - someone referred to among contemporaries as 'the grey matter in the brain' of the late-Victorian women's movement. A pacifist, humanitarian 'free-thinker', Wolstenholme Elmy was a controversial character and the first woman ever to speak from a public platform on the topic of marital rape. Lauded by Emmeline Pankhurst as 'first' among the infamous militant suffragettes of the Women's Social and Political Union, Wolstenholme Elmy was one of Britain's great feminist pioneers and, in her own words, an 'initiator' of many high-profile campaigns from the nineteenth into the twentieth century. Wright draws on an extensive resource of unpublished

correspondence and other sources to produce an enduring portrait that does justice to Wolstenholme Elmy's momentous achievements.
