And Both Were Young Madeleine L'Engle,2024-02-03 Excerpt: Where are you going, Philippa? Mrs. Jackman asked sharply as Flip turned away from the group of tourists standing about in the cold hall of the Chateau of Chillon I'm going for a walk, Flip said Her father put his hand on her shoulder. I'd rather you stayed with us, Flip. She looked up at him, her eyes bright with pleading. Please, father! she whispered. Then she turned and ran out of the chateau, away from the dark, prisoning stones, and out into the sunlight that was as bright and as sudden as bugles. She ran down a small path that led to Lake Geneva, and because she was blinded by sudden tears and by the sunlight striking on the lake she did not see the boy or the dog sitting on a rock at the lake's edge, and she crashed into them.

Fifteen-year-old Camilla Dickinson has led a sheltered life on the Upper East Side with her architect father and stunningly beautiful mother. But this winter the security she has always known has vanished, because her parents' marriage is coming apart - and Camilla is caught in the middle. She finds a way to escape her troubles when she meets Frank, her best friend's brother, who is someone she can really talk to about life, death, God, and her dream of becoming an astronomer. When Frank introduces her to the important people in his life, who are so different from anyone she has met before, he opens her eyes to worlds beyond her own, almost as if he were a telescope helping her to see the stars. This novel, one of the author's earliest, is the story of a girl who, with the help of her first love, leaves childhood behind and enters adulthood with a newfound sense of self and inner strength. A Ring of Endless Light Madeleine L'Engle, 2008-09-02 In book four of the award-winning Austin Family Chronicles young adult series from Madeleine L'Engle, author of A Wrinkle in Time, Vicky Austin experiences the difficulties and joys of growing up. This wasn't the first time that I'd come close to death, but it was the first time I'd been involved in this part of it, this strange, terrible saying goodbye to someone you've loved. These are Vicky Austin's thoughts as she stands near Commander Rodney's grave while her grandfather, who himself is dying of cancer, recites the funeral service. Watching his condition deteriorate over that long summer is almost more than she can bear. Then, in the midst of her struggle, she finds herself the center of attention for three young men. Leo, Commander Rodney's son, turns to her as an old friend seeking comfort but longing for romance. Zachary, whose attempted suicide inadvertently caused Commander Rodney's death, sees her as the one sane and normal person who can give some meaning to his life. And Adam, a serious young student working at the nearby marine-biology station, discovers Vicky, his friend's little sister, incipient telepathic powers that can help him with his experiments in dolphin communications. Vicky finds solace and brief moments of peace in her poetry, but life goes on around her, and the strain intensifies as she confronts matters of love and of death, of dependence and of responsibility, universal concerns that we all must face. The inevitable crisis comes and Vicky must rely on openness, sensitivity, and the love of others to overcome her private grief. Once again, Madeleine L'Engle has written a story that revels in the drama of

vividly portrayed characters and events of the spiritual and moral dimensions of common human experiences. A Ring of Endless Light is a 1981 Newbery Honor Book.
