*Sense and Sensibility* Jane Austen, 1906

**Sense & Sensibility** Jane Austen, 2023-12-14 In her seminal work, *Sense and Sensibility*, Jane Austen masterfully explores the intricate interplay of reason and emotion as embodied by the contrasting sisters, Elinor and Marianne Dashwood. The novel is characterized by Austen's signature wit, keen social observation, and incisive commentary on the constraints of 19th-century English society, particularly in matters of love and financial security. Through carefully crafted dialogue and vivid characterization, Austen constructs a narrative that critiques societal norms while evoking a deep understanding of human relationships and moral dilemmas. Jane Austen, known for her sharp intellect and astute observations of her contemporaries, drew inspiration from her experiences within the landed gentry and the complexities of social hierarchies. Her life in close-knit rural communities, along with her extensive reading of contemporary literature, shaped her narrative voice and thematic preoccupations. *Sense and Sensibility*, published in 1811, serves as a poignant reflection of her reflections on gender dynamics, agency, and the pursuit of happiness in a restrictive society. This novel is essential reading for anyone interested in romantic literature and social commentary. Austen's nuanced exploration of rationality and passion offers enduring insights into the tensions of personal fulfillment versus societal expectation. *Sense and Sensibility* remains a timeless classic, inviting readers to engage with its multidimensional characters and their transformative journeys.

*Sense and Sensibility* Jane Austen, 1996-06-27 Elinor and Marianne Dashwood are two strikingly different sisters. On their father's death, the Estate goes to their brother John who, encouraged by his wife, goes against his father's wishes of

looking after his sisters and step-mother. They retire to a cottage in Devonshire, but not before Elinor and Edward Ferras become mutually attracted. In Devonshire Marianne falls desperately in love with John Willoughby, an attractive but unprincipled man. Each sister discovers that their suitors have become engaged to other women and the story centres on the different way they cope with this distress. All ends well, however, when Edward is released from his engagement and can marry Elinor, and Marianne is won over by an old admirer.

**Sense and Sensibility** Austen J., Jane Austen is one of the most enduring and skilled English novelists. The main heroine of *Sense and Sensibility*, Marianne Dashwood, wears her heart on her sleeve, and when she falls in love with the dashing but unsuitable John Willoughby she ignores her sister Elinor's warning that her impulsive behaviour leaves her open to gossip and innuendo. Meanwhile Elinor, always sensitive to social convention, is struggling to conceal her own romantic disappointment, even from those closest to her. Through their parallel experience of love – and its threatened loss –, the sisters learn that sense must mix with sensibility if they are to find personal happiness in a society where status and money govern the rules of love.

**Sense and Sensibility** Jane Austen, 1999 Published in 1811, *Sense and Sensibility* has delighted generations of readers with its masterfully crafted portrait of two sisters, Elinor and Marianne Dashwood. Forced to leave their home after their father's death, Elinor and Marianne must rely on making good marriages as their means of support. But unscrupulous cads, meddlesome matriarchs, and various guileless and artful women impinge on their chances for love and happiness. The novelist Elizabeth Bowen wrote, "The technique of 'Jane Austen's novels' is beyond praise.... Her mastery of the art she chose, or that chose her, is complete. This Modern Library Paperback Classics edition contains a new Introduction by Pulitzer Prize finalist David Gates, in addition to new explanatory notes.

*Sense and Sensibility (Annotated)* Jane Austen, 2021-11-22 *Sense and Sensibility* This is the story of Elinor and Marianne Dashwood, sisters who respectively represent the sense and sensibility of the title. With their mother, their sister Margaret, and their stepbrother John, they make up the Dashwood family. Henry Dashwood dies and, in accord with British custom and law, leaves his substantial estate and wealth to the oldest son of his first marriage, John Dashwood. This leaves his second wife, Margaret Dashwood, and her daughters, Elinor and Marianne, without a home and little income. Though John has pledged to his dying father to provide for his stepmother and stepsisters, he sidesteps his promise to do so. Mrs. Dashwood then accepts an offer from a distant cousin, Sir John Middleton, who has heard of her situation: with her daughters she moves to a small house in Barton Park, located in Devonshire. Nineteen-year-old Elinor is unhappy about leaving their Norland estate home because she has met and fallen in love with Edward Ferrars, the brother-in-law of her half-brother, John. **Sense and Sensibility** Jane Austen, 2015 What are two sisters of uncertain fortunes to do when the death of their father exiles their family to live in the countryside of southwestern England? Why, fall in love, of course! Through her deft unraveling of the dramatically different romantic fates of Elinor and Marianne Dashwood, Jane Austen displays her singular mastery of the English language and her equally masterful invention of colorful and realistic characters. The author's appreciation of what it is to be human, grounded in her deeply convicted Christianity, illuminates the tale with special wisdom. In this, her first published novel, we see the sense and sensibility of Miss Austen herself, which combine to form the brilliance that shines forth in all of her works a brilliance enlivened by her remarkable sense of humor and the affectionate kindness that could only be born of a gracious Christian spirit.

**Sense and Sensibility** Jane Austen, 2021-07-19 *Sense and Sensibility*, a novel by Jane Austen that was published anonymously in three volumes in 1811 and that became a classic. The satirical, comic work offers a vivid depiction of 19th-century middle-class life as it follows the romantic relationships of Elinor and Marianne Dashwood. *Sense and Sensibility* tell the story of the impoverished Dashwood family, focusing on the sisters Elinor and Marianne, personifications of good sense

(common sense), and sensibility (emotionality), respectively. They become destitute upon the death of their father, who leaves his home, Norland Park, to their half-brother, John. Although instructed to take care of his sisters, John is dissuaded of his duty by his greedy wife, Fanny. The family--which, in addition to Elinor and Marianne, includes their mother and a younger sister--moves to Barton Cottage in Devonshire. There the open and enthusiastic Marianne meets Colonel Brandon, a staid and settled bachelor 20 years her senior. Although he expresses an interest in Marianne, she discourages his attention and instead becomes infatuated with the attractive John Willoughby, who seems to be a romantic lover but is in reality an unscrupulous fortune hunter. He deserts Marianne for an heiress, and she eventually makes a sensible marriage with Colonel Brandon. During this time, Marianne's elder sister, the prudent and discreet Elinor, and Edward Ferrars, Fanny's brother, have formed an attachment. However, she is outwardly reserved about her affections, especially after learning that he has been secretly engaged to Lucy Steele for several years. Although Edward loves Elinor, he is determined to honor his commitment to Lucy. When the engagement is revealed, Edward is disowned, and Colonel Brandon offers him a living as a clergyman. Later Elinor is told that Mr. Ferrars has married. Believing that the Mr. Ferrars in question is Edward, she is both shocked and relieved to discover that Lucy has wed Edward's brother, Robert. Edward arrives at Barton Cottage and proposes to Elinor, who accepts.

*Sense and Sensibility* Jane Austen, 2023-05-22 Is love a matter of the head or the heart? Money and marriage are the two subjects of this first Jane Austen novel. For Elinor and Marianne Dashwood, it is a time of great change: their father has just died and the heir to the estate where they live, the son of their father's first marriage, leaves them with little to support themselves. For good reason, Elinor helps her mother find a new home they can afford on the other side of England, in

Devon. It's a change of scenery, but also an opportunity to make new connections. Marianne, whose romanticism and vivacity charm the secretive Colonel Brandon, soon falls deeply in love with the impetuous young John Willoughby, whom she meets in very romantic circumstances. Elinor, whose dispositions are more cautious and measured, carefully conceals the depth of her feelings for Edward Ferrars, her unpleasant sister-in-law's older brother, whom she met at Norland, and who lives in London with his mother. Both of them then face disappointments and betrayals. Their shared qualities, however - discernment, steadfastness and integrity in the face of the evil intentions of others - their deep affection for each other and Elinor's strength of character will enable them to face, albeit with a little more difficulty for Marianne, the trials that lie ahead. In a vain society where all relationships seem to revolve around money, rents and dowries, the Dashwood sisters offer a freshness and spontaneity that contrasts with the dryness and materialism of most of their contemporaries. Sense and Sensibility Jane Austen, 1833

Sense and Sensibility Illustrated Jane Austen, 2021-04-14 On his deathbed, Mr. Dashwood tells his son from his first marriage, John, to take care of his second wife and three daughters, Elinor, Marianne, and Margaret, since under English law they will inherit nothing. John promises to do so. John's stingy, greedy, and snobbish wife Fanny convinces him to give his half-sisters nothing financially; John and Fanny immediately install themselves in the large house, forcing the Dashwood ladies to look for a new home. Fanny invites her brother Edward Ferrars to stay with them. Elinor and Edward soon form a close friendship. Fanny tells Mrs. Dashwood that Edward would be disinherited if he married someone of no importance or with no money. Sir John Middleton, Mrs. Dashwood's cousin, offers her a small cottage house on his estate, Barton Park in Devonshire. She and her daughters move in and are frequent guests at Barton Park. The Dashwoods meet the older Colonel Brandon, who falls in love with Marianne at first sight. However, Marianne considers him incapable of feeling love or inspiring it in another. One afternoon, Marianne takes a walk with Margaret and slips and falls in the rain. She is carried home by the dashing John Willoughby, with whom Marianne falls in love. They spend a great deal of time together, but on the morning she expects him to propose marriage to her, he instead leaves hurriedly for London. Sir John's mother-in-law, Mrs. Jennings, invites her daughter and son-in-law, Mr. and Mrs. Palmer, to visit. They bring with them Lucy Steele. Lucy confides in Elinor that she and Edward have been engaged secretly for five years. The friendship between Edward and Elinor has become mutual love, but they cannot marry because Edward has been secretly engaged to Lucy and will not break his promise to her. Elinor sacrifices her own happiness to preserve Edward's integrity. Mrs. Jennings takes Lucy, Elinor, and Marianne to London, where they meet Willoughby at a ball. He greets Marianne uncomfortably and barely acknowledges their acquaintance, and they soon learn he is engaged to the extremely wealthy Miss Grey. Marianne becomes inconsolable. Colonel Brandon later explains to Elinor that Willoughby seduced and abandoned his ward Beth, the illegitimate daughter of Brandon's former love, Eliza. When Willoughby's aunt and benefactress, Lady Allen, learned of his behavior, she disinherited him, so he chose to marry for money. The honest Brandon tells Elinor that Willoughby, though he had been a libertine with Beth, did love Marianne but had no other way of avoiding financial ruin than to marry Miss Grey. Lucy Steele is invited to stay with John and Fanny Dashwood. Lucy, believing she has a friend in Fanny, confides her clandestine engagement to Edward and is thrown out of the house. Edward's mother demands that he break off the engagement. When he refuses, she arranges to have his fortune transferred to his younger brother, Robert. On hearing this, Colonel Brandon offers Edward the parish on his estate, feeling sympathy for the unfortunate but honorable Edward. On their way home to Devonshire, Elinor and Marianne stop for the night at the country estate of the Palmers, who live near Willoughby's estate. Marianne becomes gravely ill after walking in torrential rain. Colonel Brandon finds her and brings her home. The Palmers leave for fear their

newborn child will catch the disease. Elinor stays at Marianne's side until she recovers, and the sisters return home. Colonel Brandon and Marianne begin spending time together as Marianne has a new appreciation for him. She admits to Elinor that even if Willoughby had chosen her, she is no longer convinced that love would have been enough to make him happy. The Dashwoods soon learn that Miss Steele has become Mrs. Ferrars and assume she married Edward. Later, Edward visits their house and tells them that Miss Steele married his brother Robert.

*Sense and Sensibility Annotated And Illustrated Book* Jane Austen, 2020-09-08 The Dashwood family is introduced; Mr. and Mrs. Dashwood and their three daughters live at Norland Park, an estate in Sussex. Unfortunately, Mr. Dashwood's wife and daughters are left with very little when he dies and the estate goes to his son, John Dashwood. John and his wife Fanny (nee Ferrars) have a great deal of money, yet refuse to help his half-sisters and their mother. Elinor, one of the Dashwood girls, is entirely sensible and prudent; her sister, Marianne, is very emotional and never moderate. Margaret, the youngest sister, is young and good-natured. Mrs. Dashwood and her daughters stay at Norland for a few months, mostly because of the promising friendship developing between Elinor and Edward Ferrars, Fanny's shy, but very kind, brother. Elinor likes Edward, but is not convinced her feelings are mutual; Fanny is especially displeased by their apparent regard, as Edward's mother wants him to marry very well. A relative of Mrs. Dashwood's, Sir John Middleton, offers them a cottage at Barton Park in Devonshire; the family must accept, and are sad at leaving their home and having to separate Edward and Elinor. They find Barton Cottage and the countryside around it charming, and Sir John Middleton a very kind and obliging host. His wife, Lady Middleton, is cold and passionless; still, they accept frequent invitations to dinners and parties at Barton Park. The Dashwoods meet Mrs. Jennings, Sir John's mother-in-law, a merry, somewhat vulgar older woman, and Colonel Brandon, a gentleman and a bachelor. The Colonel is soon taken with Marianne, but Marianne objects to Mrs. Jennings' attempts to get them together, and to the advanced age (35) and serious demeanor of the Colonel. Marianne falls and twists her ankle while walking; she is lucky enough to be found and carried home by a dashing man named Willoughby. Marianne and Willoughby have a similar romantic temperament, and Marianne is much pleased to find that Willoughby has a passion for art, poetry, and music. Willoughby and Marianne's attachment develops steadily, though Elinor believes that they should be more restrained in showing their regard publicly. One pleasant day, the Middletons, the Dashwoods, and Willoughby are supposed to go on a picnic with the Colonel, but their plans are ditched when Colonel Brandon is forced to leave because of distressing news. Willoughby becomes an even more attentive guest at the cottage, spending a great deal more time there than Allenham with his aunt. Willoughby openly confesses his affections for Marianne and for all of them, and hopes they will always think of him as fondly as he does of them; this leaves Mrs. Dashwood and Elinor convinced that if Marianne and Willoughby are not engaged, they soon will be.
