Dictionary of Proverbs George Latimer Apperson, 2006-05-10 This dictionary aims to help users to find the most appropriate word to use on a wide range of occasions. It is designed in particular for students, those writing reports, letters and speeches, and crossword solvers, but is also useful as a general word reference. Special features include: an alphabetical A-Z listing; numbered senses for words with more than one meaning; British and American variants; and specially marked colloquial uses.

Dictionary of European Proverbs Emanuel Strauss, 2012-11-12 This Dictionary contains over 50,000 proverbs, in some 70 European languages and dialects, arranged in 2,500 sets. It is the fruits of over 40 years of collection and research, the only collection of proverbs on anything like this scale ever to be published anywhere in the world. Emanuel Strauss has trawled through innumerable collections of proverbs in all languages, from early printed books and rare items to the latest theses and journals, and grouped together many thousands of proverbs in sets of equivalent meaning. Comprehensive indexes for each language provide access to any proverb by way of its key words. A critical bibliography musters some 500 items, from incunabula to the current decade.

Tyranny from Plato to Trump Andrew Fiala, 2022-03-15 Power grabs, partisan stand-offs, propaganda, and riots make for tantalizing fiction, but what do we do when that drama becomes a reality all around us? For a country founded as an escape from British tyranny, the United States seems to have devolved into a land where tyrants rise to power, sycophants blindly follow, and the entire nation suffers. As ancient Greek philosophers warned us, chaotic tragedy unfolds in the absence of reason, and the only cure is a return to wisdom and virtue. America's founding fathers knew this lesson all too well and dreamed of an enlightened citizenry guided by better-than-ideological dictators. Using contemporary events to illuminate universal human weaknesses, Andrew Fiala charts the perennial history of tyrannical takeovers and the masses who support them and ultimately suffer under their rule. Ultimately, Fiala also points to a solution. Knowing the cyclical nature of tyranny, we can build safeguards against our worst inclinations and keep alive the freedoms our founding fathers envisioned for this nation.

The Rose Garden and the Ring Lynn,Christine,2013-11-14 This heartfelt and honest account of two ordinary yet very different women goes beyond just saying life will get better with Christ and delves into the actual process one goes through on the road to healing from a spouses affair. Adultery is prominent in todays society and is devastating to the entire family. Lynn and Christines testimonies in The Rose Garden and the Ring are disclosed in the following identifiable topics: Walking with God through a spouses affair Knowing your options for immediate assistance Feeling out of control while searching for truth Identifying with the emotional rollercoaster Understanding Gods view on marriage and divorce Deciding whether to stay or go Dealing with our sweet children Taking revenge or not Understanding the anatomy of an adulteress Remembering Gods promises and other miracles In The Rose Garden and the Ring, you will discover that you are not alone. The tools and insight gained from the pages of this labor of love can bring comfort in the emotional moments to persevere with God.

Manser,David Pickering,2003 This indispensable work is a comprehensive resource offering abundant information that students and general readers of all ages will find clear and to the point. It covers biblical and mythological figures (Narcissus, Athena, Daniel), places (Mount Olympus, Gethsemane, Elysian Fields), key concepts (doomsday, utopia), and other references with biblical and mythological origins (judgment of Solomon, salt of the earth, patience of Job, labors of Hercules). It also includes a pronunciation key for difficult words or terms; examples of usage; and extensive cross-references.

Should You Judge This Book By Its Cover? Julian Baggini,2009-09-03 A philosopher takes a second look at sayings, proverbs, and bits of homespun wisdom: "Every society needs its guardian of good sense: Baggini is ours." —The Financial Times These short, stimulating, and entertaining capsules of philosophy delve into the familiar words that live in our consciousness yet are rarely examined. Should you really do as the Romans do when in Rome and practice what you preach? Is the grass always in fact greener on the other side of the fence, and is there ever smoke without fire? Is beauty always in the eye of the beholder and is it actually better to be safe than sorry? From the popular author of *The Pig That Wants to Be Eaten*, cofounder of *The Philosophers' Magazine*, and academic director of the Royal Institute of Philosophy, this is a witty, deeply thought-provoking reminder that we should never stop asking questions.

Prayers That Change Destiny Sidney Edi-Osagie, 2015-07-31 Prayers That Change Destiny is the concept of studying, articulating and declaring God's Word in prayer with a view to the Word becoming flesh in our lives and circumstances. The results, changes and transformation these prayers bring to our destinies are an undeniable testament to the truth and potency of God's Word. In the natural, we are destined to walk in the paths of our fathers. There are certain things encoded in our DNA that we cannot avoid, just by simply being born into our families. However, when we come into the family of God through Christ, we become born again, into an entirely new family. The generational curses and drawbacks we are destined to face as a part of our natural families are broken as a result of our new birth experience and because the prayers of the righteous avail much (James 5:16)

My People Don't Know Me Shannon Bowen, 2025-03-11 My People Don't Know Me is a Holy Spirit-inspired book. Page after page, you will feel the heart of Jesus as He expresses His desire for a relationship with you. You will learn the tactics Satan uses to separate you from God, how to take authority over the enemy, and that you are the greatest hindrance in your relationship with Jesus. Through dozens of scriptures, you will learn what the Word of God says about surrendering to Him, dying to self, strongholds and how to pull them down, and much more. God desires to have a close relationship with you, just as He had with Adam and Eve before Satan entered the garden. It is our responsibility to seek him and make Him our first love, not ourselves. Whether you have never met Jesus, have just turned your life over to Him, or have been serving Him for years, this book will help you grow spiritually. We do not have time to waste in these last days. James 4:14 NLT says, "How do you know what your life will be like tomorrow? Your life is like the morning fog—it's here a little while, then it's gone." A lie that Satan tells you is that you have plenty of time. The truth is you're not promised tomorrow, so why would you take the chance of not knowing Jesus? Don't waste another day. Surrender your life to God and develop a relationship with Him.
