Enter If You Dare Alyson Larrabee,2014-08-01 Anthony is so obsessed with Annabelle Blake that he would die for her. Except he's already dead. He's the ghost of the legendary Lonesome Boy but he's not lonesome anymore because now he has Annabelle. He's with her all the time. Stalking her. Waking her up in the middle of the night with his constant weeping and his ice cold wordless whispers. She needs help. Fast. Enter the mysterious new boy in town. Wyatt Silver is an amateur medium, but he doesn't just see dead people. He becomes them. Anthony takes possession of Wyatt's body and their terrifying adventure begins.

The Laugh-a-Day Book of Bloopers, Quotes & Good Clean Jokes Jim Kraus,2012-01-01 Laughter is powerful medicine--and it's just plain fun. The Laugh-a-Day Book of Bloopers, Quotes & Good Clean Jokes brings together hundreds of the funniest bits of wit and humor to brighten anyone's day. From blunders like For sale: Electric hospital bed, hardly used. No one died in it, to truisms like The only thing worse than hearing the alarm clock in the morning is not hearing it, there's something to tickle everyone's funny bone. Teachers, speakers, pastors, writers, and anyone who loves to laugh will enjoy this impressive collection of jokes, bulletin bloopers, and amusing quotes--enough for a whole year of laughter!

To Know the Truth Larry Martz,2012-11-27 It's the late '50s, that yeasty time of a new era struggling to be born, and Detroit is still the fabled Motor City, full of vitality, swagger and vivid characters. A young reporter is learning his craft, and the facts of life. A brutal murder turns out to be both more and less than it seems, and a handicapped boy becomes a pawn in covering up the truth. A gifted politician launches what will surely be a national career. A beautiful girl is torn between her love and the aphrodisiac of power. The story probes the city's gamy underside, from Jimmy Hoffa's Teamsters and their gangland allies to the respectable men who deal with them under the table. In the end, the tangle of interlaced schemes erupts into national news.

Diatessarica Edwin Abbott Abbott,1917

Cheerful—By Request Edna Ferber,2019-12-04 In *Cheerful—By Request*, Edna Ferber deftly weaves a tapestry of humor and poignancy, creating a series of interconnected short stories that explore the complexities of human relationships amidst the hustle of early 20th-century America. Ferber's prose is characterized by a crisp, vivid style that brings her characters to life, capturing the essence of their joys and sorrows with both wit and sincerity. Set against the backdrop of a

rapidly changing society, these tales reflect the zeitgeist of an era marked by social upheaval and burgeoning modernity, showcasing Ferber's keen observance of cultural norms and individual aspirations. Edna Ferber, a Pulitzer Prize-winning author, is celebrated for her masterful storytelling and deep empathy for her characters. Her experiences as a successful journalist and her roots in a diverse American landscape profoundly influenced her writing. Ferber's understanding of the human condition, coupled with her observations of the roles women played in society, equipped her to craft narratives that are both entertaining and thought-provoking. *Cheerful'ÄiBy Request* is a must-read for enthusiasts of American literature and those who appreciate finely honed character studies. Ferber's ability to balance humor with deeper truths invites readers to reflect on their own lives while enjoying the delightful intricacies of her storytelling.

The Other Half Jacqueline Wiseman, 2018-04-20 This current study has emerged from two decades of the author's investigations in related areas: alcoholism and domestic relations. Its canvas is broadly comparative, drawing on interviews and data gathered in the United States and Finland. The domestic drama of *The Other Half* is played out both in the private scene of the home and the more public scene of the workplace, and against these two differing national backgrounds. Despite the many expected and perceived cultural differences between the countries, the effects of alcoholism on the family are shown to be the same. Dr. Wiseman's study offers theoretical insights gleaned from its perspective on alcoholism as an interactive phenomenon, to which the concepts of G.H. Mead and Blumer can be applied to illuminate the carefully presented data and go beyond them. New terrain in studies of alcoholism is thereby explored, including such themes as the social construction by the subjects of their husbands' drinking, their marriage and their self-images; the strategy of coping mechanisms; and the effects of the crisis of alcoholism on gender, sex roles, and power differentials. *The Other Half* complements Dr. Wiseman's prize-winning work on the treatment of Skid Row alcoholics, *Stations of the Lost*, while involving issues of greater complexity on both the methodological and theoretical plane.

Dancing with Elephants Lee Kohn, 2016-11-09 This is not the end of Jake and Theo. Their adventures are just beginning. As the author, I have fully enjoyed my two leading characters. Some people might call them foulmouthed, womanizing alcoholics, but whatever you may think of them, they are real human beings true to themselves. I'm moving on to other writings for a while, but by no means am I abandoning my detectives. As of now, I have several books in the beginning stage, one of them being a children's book. Don't laugh. There are people out there who said I would never write a book at all, that I lack the skills. True, my grammar sucks, putting it mildly, but I didn't let that stop me. I have never had an editor. My daughter helped me with this one, and I did meet a few people on the way who lent me support and a hand or two. I wish I had a dollar for every book I gave away to people who never even opened a page. This does not make me angry; it just makes me stronger. If my books seem to read differently or awkwardly, then you most likely don't know that they should read a little like a screenplay. That's because they were all written as screenplays and meant to be turned into films. I kind of like it that

way. Most authors write 100 pages of story and 300 pages of description. I, on the other hand, like 300 pages of story and 100 pages of description. Leave description to the reader's imagination. I'm going to take a much needed rest for now, but keep an eye out for me. I'm not going away for long, I assure you of that. By the way, if you're all wondering what Jake O'Malley really looks like, check out Armand Assante's latest works on film or just go back and watch the Emmy award winning film, Gotti. That's my Jake!

Bama Sweetheart Bobby Rose, 2009-07 You said that one day you'll have the chance to love, I guess I didn't get that choice. I know someone sings the song of your heart, I guess I didn't have a voice . . . and I'm sorry. One Less Reason A big city boy falls in love with a small town girl. There's not much to do, there's not much to say, and the town would like to keep it that way. But when the two get involved this little town unravels, and chaos takes over. The further the boy falls, the deeper he gets-until he realizes it is too late. Unfortunately, things aren't always as they appear to be; so be careful, or you too may get caught up in something you're not ready for. Rob Massey Have you ever been in love before? Love that maybe you have lost because you did something you shouldn't have, or maybe because it was something that they didn't want. Ever get to a point where you say, never again? I will never again let someone in-not to hurt me-never to fall in love again. Then one day it happens. You don't know how or why, but it does. By the time you realize this, you are so deep that you can't pull yourself out. Then you find yourself in a situation that you never thought you could ever be in. Things don't seem real. These things just don't happen to anyone on a normal day. But then, who is to say what is normal? This is an experience that I wouldn't trade for the world-because it made me realize that I could love again. Even if it was the wrong person, in the wrong town, at the wrong time. But then . . . anything is possible when you're not expecting it to happen. Right? Bobby Loskey This book is dedicated to everyone that has experienced Life, Love, and Lies. If we never had these experiences, then deception would only be a dream. Bobby Rose

Labor and Delivery from a Public Health Perspective , 2025-07-16 This book offers a comprehensive public health perspective on labor and delivery, examining maternal morbidity and mortality, healthcare equity, and the social determinants that influence childbirth outcomes. It explores labor and delivery care across diverse settings, including midwifery care, intrapartum companionship, and enhanced recovery protocols for cesarean section. A critical focus is placed on interventions to reduce the cesarean rate, particularly operative vaginal delivery, with an in-depth evaluation of forceps and vacuum extraction, as well as an analysis of cesarean delivery in terms of cost, outcomes, and public health implications. The book also addresses respectful maternity care, the impact of cultural beliefs and traditional birth practices, and the challenges of disrespect and abuse in childbirth. By integrating global insights, evidence-based approaches, and behavioral change strategies, this volume is a vital resource for clinicians, public health professionals, and policymakers dedicated to improving maternal health and childbirth experiences worldwide.

How to Be Less Stupid About Race Crystal M. Fleming, 2018-09-18 A unique and irreverent take on everything that's wrong with our "national conversation about race"—and what to do about it *How to Be Less Stupid About Race* is your essential guide to breaking through the half-truths and ridiculous misconceptions that have thoroughly corrupted the way race is represented in the classroom, pop culture, media, and politics. Centuries after our nation was founded on genocide, settler colonialism, and slavery, many Americans are kinda-sorta-maybe waking up to the reality that our racial politics are (still) garbage. But in the midst of this reckoning, widespread denial and misunderstandings about race persist, even as white supremacy and racial injustice are more visible than ever before. Combining no-holds-barred social critique, humorous personal anecdotes, and analysis of the latest interdisciplinary scholarship on systemic racism, sociologist Crystal M. Fleming provides a fresh, accessible, and irreverent take on everything that's wrong with our "national conversation about race." Drawing upon critical race theory, as well as her own experiences as a queer black millennial college professor and researcher, Fleming unveils how systemic racism exposes us all to racial ignorance—and provides a road map for transforming our knowledge into concrete social change. Searing, sobering, and urgently needed, *How to Be Less Stupid About Race* is a truth bomb for your racist relative, friend, or boss, and a call to action for everyone who wants to challenge white supremacy and intersectional oppression. If you like Issa Rae, Justin Simien, Angela Davis, and Morgan Jerkins, then this deeply relevant, bold, and incisive book is for you.

Bucky Katt's Big Book of Fun Darby Conley, 2012-05-15 Darby Conley's previous two books, *Blueprint for Disaster* and *The Get Fuzzy Experience* were New York Times best-sellers! People read cartoons for different reasons. Some are taken by the visual element...Then there's the people who want it to be funny...Darby gets both. --Scott Adams, creator of *Dilbert* Get Fuzzy collections are flying off the shelves. And *Bucky Katt's Big Book of Fun*, the second full-color treasury of the outrageous antics of Bucky, Satchel, and Rob, is sure to attract more readers of the strip voted Best Comic Strip of 2002 by the National Cartoonists Society. Behold the world of *Get Fuzzy*. Meet Bucky Katt, the Siamese smart-ass who coexists under protest with Satchel Pooch, the sweet-tempered shar-pei/Lab mix, and Rob Wilco, the human who keeps the refrigerator stocked. Each day in newspapers around the world readers visit the place where cats, dogs, and humans meet and learn a little bit more about each other—not necessarily by choice. By turns hilarious, poignant, and even human, *Get Fuzzy* is the smartest, funniest comic strip in newspapers today.

Snow Burn Lauren McCracken, 2017-07-05 Jo Collins is, like a lot of teenagers, bored and can't wait to leave home when she graduates—bored with her predictable suburban parents, immature peers, unchallenging schoolwork, and her seemingly empty life. But on the night she is supposed to depart her Huntsville home for the family's—always so tedious—annual Florida vacation, a fight with her mother highlights the frustration and loneliness that resides underneath Jo's boredom. Wanting to escape the tension the fight has caused, Jo leaves home in a huff and enters a night that challenges everything

she has ever known—about herself and about her past. In the course of a few hours, she wanders into an illegal fight club where she meets the brutally handsome and mysterious Chris. In his company she briefly becomes a fugitive, only to eventually return home and find her parents viciously murdered. Despite police dismissal, Jo vows to learn the truth about her family's murder. What she could not prepare for is a truth which will force her to face a world where the supernatural is everywhere present, and her once simple life now is filled with werewolves, vampires, ghosts, and demons. As if the supernatural wasn't enough, what about the Dorcha Fola—an ancient lineage devoted to eradicating supernatural threats? Is it possible that Jo has inherited this lineage of “dark blood” too? Is she the one destined to avenge her parents' deaths? A romance inhabiting a supernatural adventure story, *Snow Burn* is filled with twists and turns, ensuring the reader, like Jo, will never face boredom again.

Darkness Returns Rob Cornell, 2025-05-11 One objective has driven Craig Lockman since the day his daughter arrived on his doorstep—protect her at all costs. But now he works for a new Agency with a leader who insists Jessie is the Chosen One, prophesied to bring about the Return and send all supernaturals back to wherever they came from. He will stop at nothing to see it realized. Meanwhile, still enraged over the loss of her sister, Teresa Stevenson sees Jessie as a dangerous monster who must die, and Teresa will suffer a frightening sacrifice to make it happen. But everyone has forgotten one small detail—if anyone wants to get to Jessie, they'll have to get through Lockman first, and he won't make it easy.

For Pete's Sake Mary Tucciarone, 2024-10-25 I am writing to introduce you to *For Pete's Sake*, an 90,000-word story of an unexpected encounter that unfolds into unexpected love. You will meet Pete a few days after I did. As our relationship excitingly takes root, another love enters and creates an inspiring love triangle. I introduce them both to you with the sincerest of words, lifted and flowing from the unknown and newly found depths of my spirit. Get to know them both as they share the stage of my days and nights, opening and exposing what lies within the heart of my heart and the heart of my soul. This is not a witness from the ashes diary. It is a witness of beautiful truth and a take your breath away love that is in all of us and so very worth the journey, be it short or long. A witness to learning, waiting, loving, living, and dying and happily ever after. The gift of crafting these words comes from my dad, and as you read this book, you will learn more about me and the divine intervention that has blessedly nudged me to pursue publication. I look forward to your feedback and input on making this shareable and memorable to all the hearts that turn these pages.

Running Away Ulysses Stephen King, Jr., 2015-03-12 Ulysses honest candor about the Christian journey is refreshing! He supports the body of Christ in developing spiritual veracity while applying practical truths. *Running Away* is an authentic discourse exploring life behind the pulpit. Vita Jones, Ph.D For those sons and daughters who served alongside their parents in ministry and were left on the battlefield wounded with scars, you are not forgotten. There is healing for the soul and spirit, even in the midst of pain and disappointment. Pastor King's daring memoir goes beyond the religious slogans and Christian

jargon that is so often used by popular celebrity-preachers, and he examines some of the views and stereotypes cast on pastors children who serve in the church. He shares his personal journey, emotions, and reasons for accepting the call to serve as the pastor of a historic classical Pentecostal church. He also attempts to answer the question, Why do so many pastors children leave the church and run away from the call to serve? *Running Away* is a memoir of passion told by the son of a bishop who struggled to find his purpose and destiny in a denomination he no longer loved after the death of his father. The book looks at Pastor Kings personal tests, failures, and trials in ministry, and what it took for him to overcome some of the painful experiences of leadership. *Running Away* is not a memoir of triumph or failure, but of truthhis truth. Pastor King takes a leap of faith and risk by being vulnerable in order to share his story with a broader and wider community, hoping his readers will understand his heart and love for his father, and the local church he faithfully served for over thirty years. *Running Away* is a must-read for pastors with children and Christians who are often critical of them.

Wish It Lasted Forever Dan Shaughnessy,2021-11-16 Drawing on unprecedented access and personal experiences that would not be possible for any reporter today, Shaughnessy takes us inside the legendary Larry Bird-led Celtics teams, capturing the camaraderie as they rose to dominate the NBA. Fans can witness the cockiness of Larry Bird (who once walked into an All Star Weekend locker room, announced that he was going to win the three-point contest, and did); the ageless athleticism of Robert Parish; the shooting skills of Kevin McHale; the fierce, self-sacrificing play of Bill Walton; and the playful humor of players like Danny Ainge, Cedric Cornbread Maxwell, and M.L. Carr.--
