Emerald Sea, Second Edition John Ringo, 2013-05-15 Now with all new content by John Ringo! The Battle Against Those Determined to Rule the World¾or Destroy It¾Continues In the future the world was a paradise¾and then, in a moment, it ended. The council that controlled the Net fell out and went to war, while people who had never known a moment of want or pain were left wondering how to survive. Duke Edmund Talbot has been assigned a simple mission: Go to the Southern Isles and make contact with the scattered mer-folk¾those who, before the worldwide collapse of technology, had altered their bodies in the shape of mythical sea-dwelling creatures. He must convince them to side with the Freedom Coalition in the

battles against the fascist dictators of New Destiny. Just a simple diplomatic mission. That requires the service of a dragon-carrier and Lieutenant Herzer Herrick, the most blooded of the Blood Lords^{3/4} because New Destiny has plans of its own. The fast-paced sequel to *There Will be Dragons* is a rollicking adventure above and below the high seas with dragons, orcas, beautiful mermaids^{3/4} and the irrepressible Bast the Wood Elf, a cross between Legolas and Mae West. The Emerald Sea Richelle Mead, 2018-06-26 The final installment in Richelle Mead's sweeping, enthralling Glittering Court series answers the trilogy's biggest question: what is the secret that drives Tamsin to win at all costs? Tamsin Wright is unstoppable. She must become the Glittering Court's diamond: the girl with the highest test scores, the most glamorous wardrobe, and the greatest opportunities to match with an elite suitor in the New World. Training alongside other girls in the Glittering Court, Tamsin immerses herself completely in lessons about etiquette, history, and music--everything a high-society wife would need to know. Once she's married, she'll be able to afford a better life for her family, so the sacrifice is worth it if she can be the best. When her friendship with Mira and Adelaide, her roommates at the Glittering Court, threatens her status as the top-ranked prospect, she does the only thing she knows will keep her on track: she cuts them out of her life. But when her voyage across the sea goes off course, Tamsin must use her unrelenting grit and determination to survive the harsh winter far north of her intended destination in hopes of making it back to the Glittering Court in time to secure a proposal--and a comfortable future for her family. Experiencing new cultures and beliefs for the first time, Tamsin realizes that her careful studies haven't prepared her for everything, and with new alliances formed with roguish tradesman Jago Robinson and good-natured minister Gideon Stewart, Tamsin's heart begins to be pulled in different directions. But she can't let her brewing attraction get in the way of her ultimate goal: protecting the secret she holds closest to her heart, the one that would unravel everything she's worked for if it's uncovered.
