**Crossover Stardom** Julie Lobalzo Wright, 2017-12-28 *Crossover Stardom: Popular Male Stars in American Cinema* focuses on male music stars who have attempted to achieve film stardom. Crossover stardom can describe stars who cross from one medium to another. Although 'crossover' has become a popular term to describe many modern stars who appear in various mediums, crossover stardom has a long history, going back to the beginning of the cinema. Lobalzo Wright begins with Bing Crosby, a significant Hollywood star in the studio era; moving to Elvis Presley in the 1950s and 1960s, as the studio system collapsed; to Kris Kristofferson in the New Hollywood period of the 1970s; and ending with Will Smith and Justin Timberlake, in the contemporary era, when corporate conglomerates dominate Hollywood. Thus, the study not only explores music stardom (and music genres) in various eras, and masculinity within these periods, it also surveys the history of American cinema from industrial and cultural perspectives, from the 1930s to today.

**Contemporary Fairy-Tale Magic**, 2020-01-13 *Contemporary Fairy-Tale Magic*, edited by Lydia Brugué and Auba Llompart, studies the impact of fairy tales on contemporary cultures from an interdisciplinary perspective, with special emphasis on how literature and film are retelling classic fairy tales for modern audiences. We are currently witnessing a resurgence of fairy tales and fairy-tale characters and motifs in art and popular culture, as well as an increasing and renewed

interest in reinventing and subverting these narratives to adapt them to the expectations and needs of the contemporary public. The collected essays also observe how the influence of academic disciplines like Gender Studies and current literary and cinematic trends play an important part in the revision of fairy-tale plots, characters and themes.

**Don't Forget to Be Light** Amelia Homewood, 2022-05-24 Amelia Homewood grew up in a household surrounded by addiction, trauma, and abuse. In *Don't Forget to Be Light*, she tells her story. It's not meant to highlight the negative aspects of her life as she perceives them, but rather to show how she overcame numerous inevitable life-altering circumstances for the better and made the conscious effort to break multiple generational curses. This memoir narrates Homewood's harrowing testimony about life's inevitable hardships and how she met the obstacles head on with an optimistic view of the world and a passion for healing. She tells about untimely deaths, substance abuse, teenage pregnancy, and surviving the struggle by giving it to God. A powerful testimony of breaking generational trauma, *Don't Forget to Be Light* shares an inspiring tale of overcoming obstacles by challenging your mindset, expanding your capacity for forgiveness, and trusting God. Homewood encourages you to find the love and bravery inside you, start over, and allow yourself to be the light of your life again.

**Going Fast and Fixing Things** Rich Benoit, 2024-06-11 Rich Benoit went from buying a left-for-dead Tesla to becoming a successful YouTube entrepreneur and launching The Electrified Garage, the nation's first successful EV-only business devoted to repairing Teslas and other electric vehicles. Today he is the world's most popular DIY expert and car aficionado, and now he shares his story and expertise. People are fascinated by Tesla: the cars, the stock price, and especially its headline-grabbing CEO. Rich Benoit was the first YouTuber to pull back the curtain on the cultlike business model that is the Tesla company, and he's personally battled its consumer-unfriendly business practices. In *Going Fast and Fixing Things*, Rich provides readers with behind-the-scenes access not only to his Rich Rebuilds YouTube channel but to his off-camera life as well. Throughout his life, Rich has almost always been the proverbial "only Black guy in the room," but despite the fact that online car culture—especially electric vehicle fandom—skews overwhelmingly white, he has become the most popular car rebuilding guy on the internet. His voice on the page is funny and intimate and a little goofy—just like his video persona—but always tempered by a clear determination to create success for himself as well as for his fans. *Going Fast and Fixing Things* also includes tips to help readers fix, drive, and buy their own cars, along with advice on how to defy the disposable-is-better consumerist ethos that saturates our current culture.

**Scream Street: Attack of the Trolls** Tommy Donbavand, 2012-07-10 Why is our trio beset with trolls? The shrieks keep coming as the spine-tingling series surges ahead! Luke, Resus, and Cleo are eager to begin their new quest. First stop, Count Negatov's castle! As the three make their way through the bleak, murky wilds of Transylvania, it looks like this adventure will be dull, but easy. Until they are kidnapped by trolls.

**The Troll of Newburg** Tony Foglio, 2013-09-19 This is a story about every child's imagination—your imagination. It takes place in the early twentieth century about 1910. It is a fairy tale, a fantasy. However, the places are real and so are the people. The names have been altered to add a touch of mystery, or just in case someone does not like his or her character. The house is real, including the three doors. Maybe it's your house, your home town, or your family. Maybe it's your name that has been changed in our story. Even Gillo, the Troll is real. At least he was real to my youngest grandson. The only contrast to his imaginary friend, Gillo and the Gillo of our story is that his friend Gillo was just about always in trouble. When

my grandson, was about Sue's age in our story (four), he came walking in the living room with peanut butter all over his face. His mom said, "Didn't I say to stay out of the peanut butter?" He immediately said, "Yes, but you don't understand; Gillo fell into the peanut butter jar, and I was just trying to get him out." Imagination is an excellent gift.

**The Girl in the Show** Anna Fields, 2017-08-08 For fans of Tina Fey, Amy Poehler, Amy Schumer—and every other funny woman—comes a candid feminist comedy manifesto exploring the sisterhood between women's comedy and women's liberation. "I'm not funny at all. What I am is brave." —Lucille Ball From female pop culture powerhouses dominating the entertainment landscape to memoirs from today's most vocal feminist comedienues shooting up the bestseller lists, women in comedy have never been more influential. Marking this cultural shift, *The Girl in the Show* explores how comedy and feminism have grown hand in hand to give women a stronger voice in the ongoing fight for equality. From *I Love Lucy* to SNL to today's rising cable and web series stars, Anna Fields's entertaining, thoughtful, and candid retrospective combines personal narratives with the historical, political, and cultural contexts of the feminist movement. With interview subjects such as Abbi Jacobson, Molly Shannon, Mo Collins, and Lizz Winstead—as well as actresses, stand-up comics, writers, producers, and female comedy troupes—Fields shares true stories of wit and heroism from some of our most treasured (and underrepresented) artists. Creating a blueprint for the feminist comedians of tomorrow using lessons of the past, *The Girl in the Show* encourages readers to revel in—and rebel against—our collective ideas of women's comedy.
