Rhythm Changes Alan Stanbridge, 2023-03-30 Rhythm Changes: Jazz, Culture, Discourse explores the history and development of jazz, addressing the music, its makers, and its social and cultural contexts, as well as the various discourses – especially those of academic analysis and journalistic criticism – that have influenced its creation, interpretation, and reception. Tackling diverse issues, such as race, class, nationalism, authenticity, irony, parody, gender, art, commercialism, technology, and sound recording, the book's perspective on artistic and cultural practices suggests new ways of thinking about jazz history. It challenges many established scholarly approaches in jazz research, providing a much-needed intervention in the current academic orthodoxies of Jazz Studies. Perhaps the most striking and distinctive aspect of the book is the extraordinary eclecticism of the wide-ranging but carefully chosen case studies and examples referenced throughout the text, from nineteenth century literature, through 1930s Broadway and film, to twentieth and twenty-first century jazz and popular music.

**The Cowboy in Country Music** Don Cusic, 2011-07-29 This series of biographical profiles shines a spotlight on that special place Where the West meets the Guitar. From Gene Autry and Roy Rogers to contemporary artists like Michael Murphy, Red Steagall, Don Edwards and Riders in the Sky, many entertainers have performed music of the West, a genre separate from mainstream country music and yet an important part of the country music heritage. Once called Country and Western, it is now described as Country or Western. Though much has been written about Country, very little has been written about Western--until now. Featured are a number of photos of the top stars in Western music, past and present. Also included is an extensive bibliography of works related to the Western music field.

*The Jazz of the Southwest* Jean A. Boyd, 1998 They may wear cowboy hats and boots and sing about faded love, but western swing musicians have always played jazz! From Bob Wills and the Texas Playboys to Asleep at the Wheel, western swing performers have played swing jazz on traditional country instruments, with all of the required elements of jazz, and some of the best solo improvisation ever heard. In this book, Jean A. Boyd explores the origins and development of western swing as a vibrant current in the mainstream of jazz. She focuses in particular on the performers who made the music, drawing on personal interviews with some fifty living western swing musicians. From pioneers such as Cliff Bruner and Eldon Shamblin to current performers such as Johnny Gimble, the musicians make important connections between the big band swing jazz they heard on the radio and the western swing they created and played across the Southwest from Texas to California. From this first-hand testimony, Boyd re-creates the world of western swing-the dance halls, recording studios, and live radio shows that broadcast the music to an enthusiastic listening audience. Although the performers typically came from the same rural roots that nurtured country music, their words make it clear that they considered themselves neither hillbillies nor country pickers, but jazz musicians whose performance approach and repertory were no different from those of mainstream jazz. This important aspect of the western swing story has never been told before.

**The Ice Bridge** Kathryn Meyer Griffith, 2016-06-17 She'll fall in love again...with a man and the island. Charlotte returns to her Aunt Bess and Mackinac Island, a quaint retreat that welcomes summer tourists and allows no cars, to renew herself and write about the island's ghosts. She's come to help Bess with her heartache, an ended love with Shaun, and to renew a friendship with neighbor Hannah. In winter Mackinac closes down and everyone looks forward to the ice bridge that freezes across the Straits of Mackinac. Until Hannah disappears into the icy waters crossing it. Everyone says it's an accident. But Charlotte and her admirer cop friend, Mac, don't think so. Something isn't right. Hannah was too smart to go off the path. So it's murder...but why...how...by whom? In the end, it's Mac—and perhaps Hannah's ghost—who saves Charlotte and Bess's lives when the killer decides they're too close to the truth and tries to kill them, too.

In “Summer Solstice,” which takes place in the present, Larry and Arthur find themselves together by coincidence in the New Mexico valley of Adobe Springs, with their wives, visiting offspring, and sundry other characters. After Anita Abeyta’s mare is mysteriously shot, life in Adobe Springs becomes more interesting as the summer solstice celebration approaches.

Humble Pie Carol Bonomo,2004-03-01 Take a quick look around – politicians, entertainers, sports figures, and even our own circles of family and friends: Humble pie is not on the menu. It’s a me-first society that turns pride into a virtue and humility into a vice. But Christians – especially those who follow the Rule of St. Benedict – are encouraged to embrace humility as a virtue that leads them closer to Christ. And in this upside-down Benedictine world, we reach humility not by descending to the depths but by climbing, joyfully, to the top of a ladder. In this honest, funny, touching book, Carol Bonomo, a Benedictine oblate – a person vowed to live according to the fourth-century Rule – reconciles the conflict between the world’s call and Benedict’s more gentle admonition as she examines the twelve rungs on Benedict’s ladder against the backdrop of the liturgical year. From the first rung, obedience, during Advent, to the twelfth, constancy, during the feast of All Saints, Bonomo studies what it means for a contemporary Christian to climb the ladder of humility that leads to perfect, fearless love. Bonomo, with a light hand and a sense of humor, takes readers along on her down-to-earth spiritual adventure.

**A Diary to My Babies** Carmen Grover,2022-12-22 A six-year journey: six losses and three beautiful angels. After losing her son Jude in August 2020, a spark was ignited in Carmen Grover as she read through every diary that she kept for each of her babies. Rather than have them remain stacked under her bed, Carmen decided that her journals would make a difference. The result has been an honest and poignant compilation of the ups and downs of Carmen' s experience with

pregnancy loss, from rolling in the grass and convulsing on the kitchen floor in her cycle of grief, to seeing the strength she could gain in the signs and special moments all around her. *A Diary to My Babies: Journeying Through Pregnancy Loss* shines a light on the darkness of pregnancy loss, while also showing there is no right way to grieve. And through her incredible journey, Carmen hopes the story of her family and her babies just might help others to heal.

A Crown of Gold Leaf Cherie Walters, Ed.S,2022-04-19 *A Crown of Gold Leaf* is a collection of poems that captures the feelings of those who have suffered a great loss. The loss may be the result of a failed relationship or a distance beyond one's control. More tragically, it may be caused by the death of a spouse, friend, or sibling. Even the loss of something in nature can cause unexpected grief. However, this is a book about the inevitable cycle of life, sometimes sad but often filled with precious memories. It honors the life of those who have crossed the great divide and the courage of those whom they have left behind. After a time, it will be the good things that we, in grief, cling. The Beatitudes from the Gospel of Matthew 5:1-12a include, "Blessed are they that mourn, for they shall be comforted."

**The Great Depression Put to Music, Song and Dance** June Bear Ritchie,2011-08 The Great Depression is a part of real history that really did happen. In 1929 was when it was really bad. People were hungry there were no jobs and no money. I was born the 1929 and the depression went all through the twenties and thirties and into the early forties; but times were getting bad. The depression was taking its toll on everything and everyone. A little money went a long way, but there was no money and to top everything off the stock market fell and everyone lost their money in the stock market, the banks closed their doors, no one could bet their money out. My father had a friend that lost all of his money in the bank in 1929. If you didn't live in this time of history you can't imagine what life was like. I watched my father walk 4miles to work in a rock quarry carrying his lunch box then walk home after sledging rock all day. My mother raised a vegetable garden and canned a lot of food so we would have food for the winter. This is just a preview. Now, how did I come up with the name of my book? *The Great Depression Put to Music, Song and Dance*. My father played violin and mother played piano - Music My sister and I sang - Song I grew up to teach dance - Dance
