1L of a Ride Andrew McClurg, 2025-04-17 Assigned as required or recommended reading at law schools throughout the country, 1L of a Ride provides a candid, comprehensive roadmap to both academic and emotional success in law school's crucial first year. Legal education continues to evolve and so does this classic work. Told in an accessible first-person voice, covered topics in this completely updated fifth edition include: pre-planning, top student fears, the first-year curriculum, the Socratic and case methods of teaching, effective class participation, the top habits of successful students, essential study techniques, legal research and writing, exam strategies, maintaining well-being, online learning, career planning, and much more. Combines comments from hundreds of law students, empirical research, and authentic samples of signature documents from the 1L experience, including exam questions, Socratic dialogue, and student case-briefs, class notes, and course outlines. McClurg is an award-winning professor who taught at six different law schools. For the first time, this edition includes free access to the 1L of a Ride Video Course, a collection of thirteen videos designed to reinforce the reading, often from fresh angles and with additional content. Along with McClurg, the videos feature award-winning law professors Christine Coughlin (Wake Forest University), Meredith Duncan (University of Houston), and Nancy Levit (University of Missouri-Kansas City). Each video is roughly ten minutes, followed by a short self-assessment quiz.

Real Austin Annie Vocature Bullock,2012-02-14 Christianity is simple. Love God. Love your neighbor. The rest is commentary. Simple in theory becomes much more difficult when your neighbor is a man in a dress who stinks like urine and a decaying, unwashed body. And yet, that's exactly who you find on a downtown bus: the homeless, the unsavory, the just plain weird. Drawing on the wisdom of the Desert Fathers and Mothers, this book explores one woman's complex and ambivalent interactions with the homeless. Stories about a persistent failure to acknowledge and honor the humanity of the homeless are evidence of the pervasive reality of human sin. But at the same time, there are moments of genuine kindness and humanity that stand as reminders that God brings new life from the brokenness of sin. These stories of days spent on a downtown bus move from unflinching self-reflection to a new awareness of God's presence. This is where the abstract becomes local, and where theology finally gets real.
