Supporting Reading in Grades 6-12 Sybil M. Farwell,Nancy L. Teger,2012-06-11 This book presents a curricular framework for students grades 6-12 that school librarians and teachers can use collaboratively to enhance reading skill development, promote literature appreciation, and motivate young people to incorporate reading into their lives, beyond the required schoolwork. *Supporting Reading Grades 6-12: A Guide* addresses head-on the disturbing trend of declining leisure reading among students and demonstrates how school librarians can contribute to the development of lifelong reading habits as well as improve students' motivation and test scores. The book provides a comprehensive framework for achieving this: the READS curriculum, which stands for Read as a personal activity; Explore characteristics, history, and awards of creative works; Analyze structure and aesthetic features of creative works; Develop a literary-based product; and Score reading progress. Each of these five components is explained thoroughly, describing how school librarians can encourage students to read as individuals, in groups, and as school communities; support classroom teachers' instruction; and connect students to today's constantly evolving technologies. Used in combination with an inquiry/information-skills model, the READS curriculum enables school librarians to deliver a dynamic, balanced library program that addresses AASL's Standards for the 21st-Century Learner.

Tough Love at Mystic Bay Elizabeth Sowden,Rebecca Dimyan,2020-04-01 Grace Haddonfield is a four-star chef with a bitter past. At 14, Grace finds herself at odds with her controlling mother who has her kidnapped in the middle of the night and taken to a boarding school for troubled teens. Grace spends several months at Epiphany Lake Academy where she must

rise through the ranks of a cult-like program. When she realizes that the program has set her up to fail, she attempts to escape from Epiphany Lake and winds up somewhere even worse: Mystic Bay, a barbed-wire facility in the Dominican Republic. Grace's defiance against her captors lands her in solitary confinement, where she gets through the long hours by indulging in vivid fantasies about food. As an adult, Grace is successful but lonely and struggles to reconcile her triumphs with the injustices she has endured. When she meets a woman named Jess in a Brazilian Jiu-Jitsu class, she has the chance to make the kind of connection that's been missing from her life. *Tough Love at Mystic Bay* follows Grace as she unlearns harsh lessons and rediscovers friendship.

Nourishing Words Wendy Atwell-Vasey,1998-04-16 By exploring the very human and moving autobiographies of teachers, and the promising insights of feminist and critical reading theory, Atwell-Vasey asks how we can oppose the alienation and distancing that so often characterize curriculum in schools. She links the hopes and concerns of teachers with curriculum forms that reverberate with the drive, love and conflict, characteristic of the rich experiences of life. These curriculum forms include theater work, intense negotiation and trust among readers, and projects that ask students to use texts to pursue and reconceptualize unresolved issues and social obligations in the real world.
