This updated book tells it all – from the creation of Adam, to Black Abraham, Moses, Jacob, the invasion of the homelands of the Black Hebrew Israelites/Jews by the Assyrians, Neo-Babylonians, Persians, Greeks, Romans, Muslims and others; the brutalization of the Black Jews and their near-decimation, as well as the story of the Khazars, who are today considered to be the real Jews. Mention is also made of the historical Black Jesus. This book is illustrated with ancient images of Biblical characters.

True Identity India C. Wilson, 2012-09-24 True Identity starts with a love story that follows with poetry, stories and the journey of people of color with biblical/relevant references. The story begins with the end of one journey that leads to a spiritual awakening in the next one. Author India Wilson believes that it is sociologically important for the so-called Black race to know their true identity because it affects their moral fiber, social mobility, and total well-being. This knowledge can strengthen every aspect of their moral fiber, greatly improving their well-being and the ways in which they interact with the world. It is India's desire to share her true stories and poetic journey of racial identity as it connects with her passion to make a positive difference in the lives of others. True Identity by India Wilson is a great book for all to read. All praises to the Most High!

How Jesus Christ Became White Aylmer Von Fleischer, [Dedicated to the One and only God from whom all blessings flow]. There is more than enough evidence to prove that the historical Jesus was a Black man. Today Jesus Christ is widely portrayed as a White man. This eBook explains how and why Jesus Christ metamorphosed from Black to White.

The Hijacking of Christianity Harry Charles, Ed.S., 2024-02-23 The Hijacking of Christianity is a whirlwind of exposing secrets that have been hidden for centuries. We begin with the origin of Christianity. We give you the religious world of Christianity as a jigsaw puzzle with all the hidden truths as pieces of the puzzle scattered around the world in secret places. The writer places you, the reader, as participants. As you read this book, you will be able to literally see the puzzle come together. We uncover who created Christianity, where the cross came from, who gave us all the holidays we currently celebrate, and who was Jesus Christ-how he was invented and what his real name is. We expose why his real name was hidden from the world for centuries. We reveal how and why the scriptures of the original Bible and characters were changed and why. This book provides proof through research, the Bible, DNA, geography, science, and writings of different scholars; this book shows how deceptions, cover-ups, distortions, and the whitewashing of biblical characters, icons, the Messiah, and God himself were changed.

Bloodlines of the Beast Malik Bade, 2025-06-10 The world you see is only a mask. Behind it stands the Black Nobility-ancient bloodlines that have ruled from the shadows for centuries. They don't appear in elections or press conferences; instead, they pull the strings of governments, economies, and wars through secret societies and hidden alliances. It's the oldest game of power, still played today by a global elite who use nepotism and secrecy to control everything from central

banks to multinational corporations. Their ultimate goal? Total dominance and a new world order cloaked in chaos. This revelation pulls back the curtain on a shadow world and calls for vigilance as we face an uncertain future controlled by unseen hands.

Pastored or Pimped Reginald E. Williams, 2020-08-01 A 30 year study about the history of church hypocrisy, and the Pastors that disseminate it. Using the Law of First Mention, the origin of the heresies we hear in the pulpits of the world today are investigated and documented, to assist the reader with separating religious fact from fable. The Pastors representing the most popular denominations of Christianity and Islam in the USA were researched and rated from best to worst, Pastor to Pimp based on how well their doctrine represented the true gospel of Christ when compared the most ancient biblical texts and manuscripts. This gives the reader the opportunity to make decisions about their salvation from independent 3rd party sources, who are outside the jurisdiction or control of a Pastor and or church members. It is the most comprehensive bible study tool dedicated to the subject of Pastors ever written.

Escaping the Delusions of Culture Sterling T. Anderson, 2023-04-12 As I began to write what originally started out to be a family orientated portrayal (of which much still is), race and the influence of politics and religion became increasingly important factors to acknowledge. They are inextricably bound together in the consciousness of America. Decisions made by elected and unelected officials affect virtually every aspect of our lives - whether we know it or not. Where buildings are built, where roads are constructed, where services are and are not provided, how the administration of justice is meted out, the list goes on. These decisions are ultimately made by the political class. The attitudes of those holding office will affect how these resources are allocated. If there is a price to be paid by those decisions it's felt by those with the least political and financial clout. The book is broken up into many different segments all of which play a part in either illuminating particular themes mentioned above, sharing family insights, and of high priority to the writer, rising in the mind of the reader the desire to question the previously unquestioned and if motivated challenge those previously unquestioned assumptions. I hope the reader finds this book as interesting to read as I found it to write.

America Accept the Truth, Repent, and Save Our Country Dr. Derek Lawrence-Harper, 2023-04-23 God's timing is not our timing, but the bible is clear that judgment will come. America will be judged for its misdeeds one day. It is the author's hope that people will re-read the bible and encourage people to read this book to know that the author's goal is to first save souls and second save our country. Ideally, we need to be in a financial position to help others. To resolve problems in this country we must be honest and accept the truth to move forward. Most Americans including the author need all their income to pay bills and have means to enjoy themselves. The true minority in America is the rich who do not live paycheck to paycheck but have either generational wealth or maximized their talents to become prosperous. Hopefully, anyone who became rich did not compromise their morality or abuse, misuse, or oppress others for their personal gain. If so, pray that they repent. Our

country is in trouble as Compromised Christianity, Atheism, Agnosticism, and Satanic influence is on the rise while Bible Believing Christians are declining, getting older, and are dying off. It has been said that those who ignore history repeat history. Dr. Martin Luther King once stated that truth suppressed to earth shall rise again. The author is here to talk about the truth that is rising in our time now.

A More Excellent Way Minister Bill, 2020-08-06 Purpose of book: Inspiration of the Heart and Mind A better understanding of how faith in God can enrich life.

Walking In Revelation J. Davidson-Elliott, 2019-07-26 "Do you know who you are?" In *Walking in Revelation*, author J. Davidson-Elliott seeks to illuminate the real children of Abraham to the world. The true Hebrews are not currently living in Israel but have been spread across the four corners of the Earth by the Trans-Atlantic Slave Trade. Today's Black Americans and Negro people, who have been scattered, are the remnant of the Tribes of Judah, Benjamin, and Levi, the Biblical Hebrews God's distinct people. As the end of times draws near, *Walking in Revelation* contends that the Word of God must be fulfilled. Repentance is the key to ending the captivity that Hebrews have continued to experience throughout history. Daily the truth is being revealed, and the identity crises suffered by Hebrews will end. The Children of Abraham must seek to reestablish a loving relationship with The Most-High. Acceptance, forgiveness, prayer, and asking God for understanding will also bring redemption to the Christian Church.

Black History Should Be Taught 365 Days A Year Jasper Cephus, 2021-06-08 Black history is unknown to so many people, just me alone cannot reach them all with my book. Black humans have more historical information than any other people in the world. The study of Black history has become a branch of knowledge that feeds the world religious and spiritual life. Control media use deceptive words or actions to coverup the truth about Black history. There have been intentional destructions of ancient Black historical statues, art, and documents written in stone. Fortunately, some of the Black history survived and that proved much of Black history is hidden, then falsely recreated in the images of white people. This is damaging to the young Black and White children. 1. White children are living a false sense of superiority complex for life. 2. Black children living, haven their identity stolen from them is psychologically depressing. I wrote this book to heighten the awareness around the world what has been done around to over 150,000 years of civilized Black history. 1. recreating ancient statues in the images of white people. 2. Changing the color of ancient art . 3. Stop defacing ancient statues. 4 Remove racist lies in the good book. That is why I wrote: *Black History Should Be 365 Days A Year*.

To Nietzsche: Dionysus, I Love You! Ariadne Claudia Crawford, 1994-12-05 This book explores the possibility that Friedrich Nietzsche simulated his madness as a form of voluntary death, and thus that his madness functioned as the symbolic culmination of his philosophy. The book weaves together scholarly, mytho-poetic, literary critical, biographical, and dramatic genres not only to explore specifics of Nietzsche's madness, but to question the reason/madness opposition in

nineteenth and twentieth century thinking. A rational and scholarly study of this period of Nietzsche's breakdown—presented through his writings, letters, and poetry in combination with relevant historical documents and other critics' writings—is simultaneously disrupted and questioned by several non-traditional discourses or voices that break in on it. Thus, Ariadne's voice frames and unframes the research context and plays alongside it. Ariadne's voice is poetic, revelatory, rhapsodic, and prophetic, sounding much like Nietzsche's own voice during his breakdown. Ariadne's discourse attempts to seduce through a non-rational, mytho-poetic love story which culminates in the wedding of Dionysus and Ariadne. Other non-rational discourses, critically developed and based upon the work of Nietzsche, Jean Baudrillard, and Gilles Deleuze, are given voice and work together with Ariadne to counter the usual interpretations of Nietzsche's madness and of what mad discourse is. These discourses are given the names catastrophe, phantasm, and seduction. The experiment of the book is not only to offer an entirely different perspective on Nietzsche's madness but to offer and perform new and challenging forms of affirmative discourse.

The Miseducation of the Christian Victor Keith, 2020-12-02 There is so much more to the Bible than what is consistently taught by churches and biblically based religious institutions around the world today. The Miseducation of the Christian is a small, yet thorough, peek at hundreds of verses that clearly show how religious leaders have manipulated the scripture to turn Christianity into a blasphemous tradition of the blind leading the blind. · What is a good Christian according to the Bible? · What does the Bible say about racism and feminism? · Was the Old Testament law really done away with when Jesus was crucified? · Are churches misusing the tithing system? · How does God feel about you celebrating the traditional holidays of today? · Are there contradictions in the Bible? Throughout the pages of *The Miseducation of the Christian*, the author has included appropriate Bible verses to answer these questions and more. Regardless of your religious background or beliefs, this book is sure to broaden the biblical horizon of its readers as it displays a variety of controversial topics and verses that are avoided by today's religious educators.

Diary of a Conscious Believer Faraji Toure', 2017-01-15 *Diary of a Conscious Believer* Questions the inconsistencies of what the Bible states and how we chose to follow those teachings. Along with personal accounts, the author poses questions to the reader, through short essays, that will cause the reader to reflect on God and spirituality.

The Human Saratani Winston Shadrack Kangero, 2017-05-15 White people are the benefactors of the ill-gotten gains by their ancestors through slavery, and land grabs/theft of the Americas and Australia. The insidious slave trade and slavery machinery saw the sweat and bloodshed of black people and Red Indians who were and still are the true Israelites, according to Jeremiah 14:2 (KJV), Jeremiah 8:21 (KJV), Song of Solomon 1:5 (KJV), Job 30:30 (KJV), and Lamentation 4:8 (KJV). The so-called African Americans and the blacks from Latin America and West Indies, Red Indians, Aborigines, and some of the blacks in Africa are the true Israelites, according to Deuteronomy 28:68 (KJV), not the so-called white Jews in Israel today.

They are just imposters, or should I say in a more polite tone, they are converts who adopted the religion of Judaism, not the true Israelites according to the Bible. Yes, it does matter; such truth always matters. That is why it was hidden from us, and our schools will never teach you that truth because it serves the status quo. What I am talking about is written in the Tanakh, the so-called white Jewish Bible. This is the greatest secret of the centuries, revealed by God himself to his people. Do not hate the messenger but the Creator who sent the messenger. Do not believe me; do your own research. Thanks be to Jah, the Most High God, that most of us can read and write in this generation. We should use that gift wisely and not take it for granted. Do your own research; the Bible tells us to seek and we shall find. When I started, I did not expect to find out that Israelites are blacks, Aborigines, and Red Indians. It was a shock to me, but I could not deny the facts, Gods facts.

The City of Refuge Juan Rodriguez,2020-03-19 After the epic battle with the Shermanites at the end of the previous novel, the Pope Sherman is after them. They have to head out of the country and make it to Australia which is the only safe place. Their first stop is in Britain where they hold a funeral and collect survivors with no memories. Then they head to Spain and collect more survivors and have to face storms made of ash and soot. They soon head to Peru where they meet Shadrach's former lover, Michal. She will be the new villain with her secret power of subtle mind-control. They adventure to Africa where they get trapped fighting Bleeders. Dangerous creatures that bleed a cement-like substance and melt in sunlight. After surviving all of this, Veronica is betrayed by Michal, and she ditches them to stay in Korea in a giant castle where she has to overcome impossible obstacles, tests and mazes by using her knowledge of religious history and getting inside of the Pope's head to uncover clues, which lead her to magical gems that she can use to enhance her powers or help the others. Meanwhile, the rest of the characters settle down in Australia, assuming political roles over this last makeshift excuse for a civilization. The Pope threatens to make his way to Australia to capture Veronica and use her powers to get stronger. Everyone must join together for this epic battle, and their only hope is that they are all left in the dark about the tasks of their friends. The only way this plan works is if everyone is given their assignments in secret whilst being ignorant of the other people's assignments and missions. If one fails, they all fail and that means Sherman will win.

Being Black in America Myron Viser,2021-08-30 Experience is the best teacher. This book is based on the truth concerning the centuries of unfair treatment of people of color here in America and abroad. All people need to understand the higher spiritual purpose behind the lasting tribulations. The greater goal is to make people of color aware that they are indeed Israelites. They are God's chosen people that emerged from the Twelve Tribes of Israel spoken of in the Bible. According to the word of God, mankind's journey to Arsareth/America began with the Israelites being the first people to reside in Arsareth. Ten of the Twelve Tribes of Israel founded their new homeland here in a country where no man had ever dwelt. They were and are the Native Americans. Now in the minority, Tribes, Hispanics, and Blacks are at the bottom of the totem pole. They are subjected to racism, health and wealth disparities, education and opportunity inequities, and police

brutality. Being Black in America examines the cause, the effect, and the history of the people of color. None of which is by chance, but of prophecy.
