**The Tell-Tale Heart and Other Stories (AmazonClassics Edition)** Edgar Allan Poe, 2018-03-27 Edgar Allan Poe elevated the gothic story, developed the unreliable narrator, recast psychological terror, and reveled in both the horror and the supernal beauty of death. From Poe's rich, unrivaled imagination comes a collection of his most masterful works, including The Black Cat, The Fall of the House of Usher, and, of course, The Tell-Tale Heart. Each story explores morbid themes of grief, greed, fear, and guilt, and together they embody Poe's grotesque obsessions...even the dread of being buried alive. At the beating heart of each of these eighteen tales--and his tour de force in verse, The Raven--is proof that Poe can still surprise, shock, unsettle, and hold readers in thrall after more than a century. AmazonClassics brings you timeless works from the masters of storytelling. Ideal for anyone who wants to read a great work for the first time or rediscover an old favorite, these new editions open the door to literature's most unforgettable characters and beloved worlds. Revised edition: Previously published as The Tell-Tale Heart and Other Stories, this edition of The Tell-Tale Heart and Other Stories (AmazonClassics Edition) includes editorial revisions.

*The Tell-Tale Heart and Other Writings* Edgar Allan Poe, 2013 Readers will recognize their favorite horror stories in the collection The Tell-Tale Heart and Other Writings. Edgar Allen Poe was a master of suspense, horror, and mystery, and his stories, while truly terrifying, are also delightfully entertaining. In The Tell-Tale Heart, the narrator has just killed a man and buried him under his floor. As he sits right above the body, he begins to hear the dead man's heart thumping loudly in his ears. Guilt and paranoia flood the narrator, and the audience experiences the narrator's plunge into madness as his fears begin to manifest. Many of Poe's other popular works are included in the anthology, such as The Fall of the House of Usher and The Cask of Amontillado. Murder is a theme in both the works, though Poe executes his characters in decidedly different ways. Still, madness, anger, and retribution all make their way into the majority of Poe's works. Also in the collection are select poems such as Lenore and The Raven. Both stories tell tales of death and lost love about two different women named Lenore; Poe's poems mourn these characters, making his words even more poetic and poignant. He speaks through his verses to convey his devastated feelings of despair. For these and all the included works, The Tell-Tale Heart and Other Writings is a must-have for every horror or suspense fan.

The Tell-Tale Heart Edgar Poe, 2020-05-23 The Tell-Tale Heart is a short story by Edgar Allan Poe first published in 1843. It follows an unnamed narrator who insists on his sanity after murdering an old man with a vulture eye. The murder is carefully calculated, and the murderer hides the body by cutting it into pieces and hiding it under the floorboards. Ultimately

the narrator's guilt manifests itself in the hallucination that the man's heart is still beating under the floorboards. It is unclear what relationship, if any, the old man and his murderer share. It has been suggested that the old man is a father figure or, perhaps, that his vulture eye represents some sort of veiled secret. The ambiguity and lack of details about the two main characters stand in stark contrast to the specific plot details leading up to the murder. The story was first published in James Russell Lowell's *The Pioneer* in January 1843. *The Tell-Tale Heart* is widely considered a classic of the Gothic fiction genre and one of Poe's most famous short stories. TRUE! - nervous - very, very dreadfully nervous I had been and am; but why will you say that I am mad? The disease had sharpened my senses - not destroyed - not dulled them. Above all was the sense of hearing acute. I heard all things in the heaven and in the earth. I heard many things in hell. How, then, am I mad? Hearken! and observe how healthily - how calmly I can tell you the whole story. It is impossible to say how first the idea entered my brain; but once conceived, it haunted me day and night. Object there was none. Passion there was none. I loved the old man. He had never wronged me. He had never given me insult. For his gold I had no desire. I think it was his eye! yes, it was this! He had the eye of a vulture - a pale blue eye, with a film over it. Whenever it fell upon me, my blood ran cold; and so by degrees - very gradually - I made up my mind to take the life of the old man, and thus rid myself of the eye forever. Now this is the point. You fancy me mad. Madmen know nothing. But you should have seen me. You should have seen how wisely I proceeded - with what caution - with what foresight - with what dissimulation I went to work! I was never kinder to the old man than during the whole week before I killed him. And every night, about midnight, I turned the latch of his door and opened it - oh so gently! And then, when I had made an opening sufficient for my head, I put in a dark lantern, all closed, closed, so that no light shone out, and then I thrust in my head. Oh, you would have laughed to see how cunningly I thrust it in! I moved it slowly - very, very slowly, so that I might not disturb the old man's sleep.
