**Bruce L. Edwards**

**Grief Observed** C. S. Lewis, 2001-02-06 Written after his wife's tragic death as a way of surviving the mad midnight moment, *A Grief Observed* is C.S. Lewis's honest reflection on the fundamental issues of life, death, and faith in the midst of loss. This work contains his concise, genuine reflections on that period: Nothing will shake a man -- or at any rate a man like me -- out of his merely verbal thinking and his merely notional beliefs. He has to be knocked silly before he comes to his senses. Only torture will bring out the truth. Only under torture does he discover it himself. This is a beautiful and unflinchingly honest record of how even a stalwart believer can lose all sense of meaning in the universe, and how he can gradually regain his bearings.

Lewis likens grief to fear and describes the detachment it brings, making it difficult to connect with others. He grapples with the temptation of self-pity and the lethargy that grief induces. *A Grief Observed* Clive Staples Lewis, 1961 In April 1956, C.S. Lewis, a confirmed bachelor, married Joy Davidman, an American poet with two small children. After four brief, intensely happy years, Lewis found himself alone again, and inconsolable. To defend himself against the loss of belief in God, Lewis wrote this journal, an eloquent statement of rediscovered faith. In it he freely confesses his doubts, his rage, and his awareness of human frailty. In it he finds again the way back to life.

A Grief Observed C.s. Lewis, 2020-08-15 *A Grief Observed* is a collection of C. S. Lewis's reflections on the experience of bereavement following the death of his wife, Joy Davidman, in 1960. The book was first published in 1961 under the pseudonym N.W. Clerk, as Lewis wished to avoid identification as the author. Though republished in 1963, after his death, under his own name, the text still refers to his wife as H (her first name, which she rarely used, was Helen).[1] The book is compiled from the four notebooks used by Lewis to vent and explore his grief. He illustrates the everyday trials of his life without Joy and explores fundamental questions of faith and theodicy. Lewis' stepson (Joy's son) Douglas Gresham points out in his 1994 introduction that the indefinite article 'a' in the title makes it clear that Lewis' grief is not the quintessential grief experience at the loss of a loved one but rather one individual's perspective, among countless others

*Summary of C. S. Lewis's A Grief Observed* Everest Media,2022-04-26T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Grief is like fear. It feels like being afraid, but for different reasons. It is difficult to take in what others say, and it is hard to want to take it in. It is so uninteresting. Yet I want the others to be about me. #2 Marriage has done wonders for me. I can never again believe that religion is manufactured out of our unconscious, starved desires and is a substitute for sex. I know now that God is absent when we need him the most because he is absent - non-existent. #3 I began to see that respect for the wishes of the dead is a trap. I cannot talk to the children about their mother, and they look as if I am committing an indecency. I am an embarrassment to everyone I meet. #4 The end of H. 's life was the beginning of mine. We were separated by death, and by the fact that we were both dying of cancer. But we had been torn apart by time and space and body, which had brought us together.

*A Grief Observed* C. Lewis, 2016-06-25 No one ever told me that grief felt so like fear. I am not afraid, but the sensation is like being afraid. The same fluttering in the stomach, the same restlessness, the yawning. I keep on swallowing. At other times it feels like being mildly drunk, or concussed. There is a sort of invisible blanket between the world and me. I find it hard to take in what anyone says. Or perhaps, hard to want to take it in. It is so uninteresting. Yet I want the others to be about me. I dread the moments when the house is empty. If only they would talk to one another and not to me.

*C. S. Lewis* Bruce L. Edwards, 2007-04-30 Most popularly known as the author of the children's classic The Chronicles of Narnia, C. S. Lewis was also a prolific poet, essayist, novelist, and Christian writer. His most famous work, The Lion, the Witch, and the Wardrobe, while known as a children's book is often read as a Christian allegory and remains to this day one of his best-loved works. But Lewis was prolific in a number of areas, including poetry, Christian writing, literary criticism, letters, memoir, autobiography, sermons and more. This set, written by experts, guides readers to a better understanding and appreciation of this important and influential writer. Clive Staples Lewis was born on November 29, 1898, in Belfast, Northern Ireland. His mother died when he was young, leaving his father to raise him and his older brother Warren. He fought and was wounded in World War I and later became immersed in the spiritual life of Christianity. While he delved into the world of Christian writing, he did not limit himself to one genre and produced a remarkable oeuvre that continues to be widely read, taught, and adored at all levels. As part of the circle known as the Inklings, which consisted of writers and intellectuals, and included J.R.R. Tolkien, Charles Williams, and others, he developed and honed his skills and continued to put out extensive writings. Many different groups now claim him as their own: spanning genres from science fiction to Christian literature, from nonfiction to children's stories, his output remains among the most popular and complex. Here, experts in the field of Lewis studies examine all his works along with the details of his life and the culture in which he lived to give readers the fullest complete picture of the man, the writer, and the husband, alongside his works, his legacy, and his place in English letters.
