Howard Zinn

A People's History of the United States Howard Zinn, 2015-11-17 THE CLASSIC NATIONAL BESTSELLER A wonderful, splendid book—a book that should be read by every American, student or otherwise, who wants to understand his country, its true history, and its hope for the future. —Howard Fast Historian Howard Zinn's *A People's History of the United States* chronicles American history from the bottom up, throwing out the official narrative taught in schools—with its emphasis on great men in high places—to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, it is the only volume to tell America's story from the point of view of—and in the words of—America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As Zinn shows, many of our country's greatest battles—the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality—were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States* features insightful analysis of the most important events in our history. This edition also includes an introduction by Anthony Arnove, who wrote, directed, and produced *The People Speak* with Zinn and who coauthored, with Zinn, *Voices of a People's History of the United States*.

A People's History of the United States Howard Zinn, 2010-01-26 “It’s a wonderful, splendid book—a book that should be read by every American, student or otherwise, who wants to understand his country, its true history, and its hope for the future.” —Howard Fast, author of *Spartacus* and *The Immigrants* “[It] should be required reading.” —Eric Foner, *New York Times Book Review* Library Journal calls Howard Zinn’s iconic *A People's History of the United States* “a brilliant and moving history of the American people from the point of view of those...whose plight has been largely omitted from most histories.” Packed with vivid details and telling quotations, Zinn’s award-winning classic continues to revolutionize the way American history is taught and remembered. Frequent appearances in popular media such as *The Sopranos*, *The Simpsons*, *Good Will Hunting*, and the History Channel documentary *The People Speak* testify to Zinn’s ability to bridge the generation gap with enduring insights into the birth, development, and destiny of the nation.

A People's History of the United States Howard Zinn,2003-02-04 Since its original landmark publication in 1980, A People's History of the United States has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, A People's History is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, A People's History of the United States, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

A People's History of the United States Howard Zinn,2005-08-02 Known for its lively, clear prose as well as its scholarly research, A People's History of the United States is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, working poor, and immigrant laborers. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

A Young People's History of the United States Howard Zinn,2022-12-20 A Young People's History of the United States brings to US history the viewpoints of workers, enslaved people, immigrants, women, Black people, Latino Americans, Asian Americans, American Indians, and others whose stories, and their impact, are rarely included in books for young people. Beginning with a look at Christopher Columbus's arrival through the eyes of the Arawak Indians, then leading the reader through the struggles for workers' rights, women's rights, and civil rights during the nineteenth and twentieth centuries, and ending with the current protests against continued American imperialism, Zinn presents a radical new way of understanding America's history. In so doing, he reminds readers that America's true greatness is shaped by our dissident voices, not our

military generals. A Young People's History of the United States is also a companion volume to The People Speak, the film adapted from A People's History of the United States and Voices of a People's History of the United States.

Rethinking America's Past Robert Cohen, Sonia E. Murrow, 2021-11-01 No introductory work of American history has had more influence over the past forty years than Howard Zinn's A People's History of the United States, which since its publication in 1980 has sold more than three million copies. Zinn's iconoclastic critique of American militarism, racism, and capitalism has drawn bitter criticism from the Right, most recently from President Donald Trump, who at his White House Conference on American History in 2020 denounced Zinn as a Left propagandist and accused teachers aligned with Zinn of indoctrinating students to hate America and be ashamed of its history. Rethinking America's Past is the first work to use archival and classroom evidence to assess the impact that Zinn's classic work has had on historical teaching and learning and on American culture. This evidence refutes Trump's charges, showing that rather than indoctrinating students, Zinn's book has been used by teachers to have students debate and rethink conventional versions of American history. Rethinking America's Past also explores the ways Zinn's work fostered deeper, more critical renderings of the American past in movies and on stage and television and traces the origins and assesses the strengths and weaknesses of A People's History in light of more recent historical scholarship.

Voices of A People's History of the United States Howard Zinn, Anthony Arnove, 2009 This updated companion to Howard Zinn's classic A People's History of the United States (Harper Perennial, 2005) brings together the powerful words and actions of women and men of all races and creeds who, though mostly powerless themselves, have made change in America across the centuries. The original source book for Matt Damon's 'The People Speak' series on The History Channel, this classic work from Zinn is a major new release.

Voices of a People's History of the United States, 10th Anniversary Edition Howard Zinn, Anthony Arnove, 2014-11-11 Selected testimonies to living history—speeches, letters, poems, songs—offered by the people who make history happen, but are often left out of history books: women, workers, nonwhites. Featuring introductions to the original texts by Howard Zinn. New voices featured in this 10th Anniversary Edition include Chelsea Manning, speaking after her 35-year prison sentence); Naomi Klein, speaking from the Occupy Wall Street encampment in Liberty Square; a member of Dream Defenders, a youth organization that confronts systemic racial inequality; members of the Undocumented Youth movement, who occupied, marched, and demonstrated in support of the DREAM Act; a member of the Day Laborers movement; Chicago Teachers Union strikers; and several critics of the Obama administration, including Glenn Greenwald, on governmental secrecy.

Voices of a People's History of the United States Howard Zinn, Anthony Arnove, 2011-01-04 Here in their own words are Frederick Douglass, George Jackson, Chief Joseph, Martin Luther King Jr., Plough Jogger, Sacco and Vanzetti, Patti

Smith, Bruce Springsteen, Mark Twain, and Malcolm X, to name just a few of the hundreds of voices that appear in *Voices of a People's History of the United States*, edited by Howard Zinn and Anthony Arnove. Paralleling the twenty-four chapters of Zinn's *A People's History of the United States*, *Voices of a People's History* is the long-awaited companion volume to the national bestseller. For *Voices*, Zinn and Arnove have selected testimonies to living history—speeches, letters, poems, songs—left by the people who make history happen but who usually are left out of history books—women, workers, nonwhites. Zinn has written short introductions to the texts, which range in length from letters or poems of less than a page to entire speeches and essays that run several pages. *Voices of a People's History* is a symphony of our nation's original voices, rich in ideas and actions, the embodiment of the power of civil disobedience and dissent wherein lies our nation's true spirit of defiance and resilience.

Sample Insights: 1) The history books given to children in the United States all started with the heroic adventure of Christopher Columbus. The truth is that the arrival of the Europeans in the Americas 500 years ago was more of an invasion that resulted in slavery and the genocide of indigenous people. 2) The quiet acceptance of conquest and murder in the name of progress is only one aspect of a certain approach to history, in which the past is told from the point of view of governments, conquerors, diplomats, and leaders instead of victims.
