The Book of Womanhood Amy F Davis Abdallah, 2016-06-30 There are many questions that surround Christian womanhood: What does it mean? When does it happen; at a certain age, status, or maturity? How do we know we're no longer girls? And when we've figured that out, how will others know how to recognise us as a woman rather than a girl? After all, Christian women don't usually get a rite of passage in which they are named a woman. Seeing this need, Amy Davis Abdallah has created such a rite, and this book accompanies it; there is no need to go through her rite of passage, however, to name yourself a woman. The Book of Womanhood creates a path through the confusion that surrounds the identity of women by its flexible framework, developing the reader's understanding of a woman's relationship with God, their self, others and creation. Amy writes simply as one perhaps further along in her journey of womanhood than most, and she doesn't write alone; she includes the stories of Biblical women, of friends young and old, and even more. The diverse voices come together as a cloud of witnesses encouraging us in our individual journeys. The Book of Womanhood is about recognition, reaching out not only to women, but also to men who seek to understand and empower their wives, daughters, and friends to be the women God has formed them to be. Read for empowerment; read for transformation. Read and become the woman of God you were created to be.

Wisdom and Vin-isms: Slams, Laughs, and Lessons Learned Vinnie Venturella, 2025-06-29 When would you ever bet a "punch in the face?" Why is it necessary to park so you can pull forward? How do you get in World War Z shape? What does my Mom know about making friends? During a verbal slam session, when is it ever okay to go tactical nuke when a proportional response would be a bow and arrow? What is the Rule of 72? What does "give him the heater" mean in your world? What can only 5% of American men and 1% of women do? How can you determine if a dude is wearing a quality suit? Shouldn't some leaders talk more directly than they do? How do you know what to order at McDonald's? What are "Chiefly Things?" How does action breed more clarity than thought? These and many more are the questions answered or lessons highlighted in this book. *Wisdom and Vin-isms* is a companion to *The Red Pill on Wisdom* and an homage to Heartbreak Ridge. Just because it's not deep, or rooted in classical philosophy, or perfectly coiffed by a titan of industry, doesn't mean it's not wisdom. It definitely is a Vin-ism and should be embraced.

Quotes for Signboards, Marquees, Church Signs, Inspiration, and Reflection Stan H. McCarley, 2024-02-02 Character is doing what is right when no one else is looking. Keep your fears to yourself, but share your courage with others. Never put the key to your happiness in someone else's pocket. Quantity is what you count; quality is what you count on. Very few burdens are heavy if everyone lifts. These are just a few of the quotations that I have included in this book. It is a culmination of over four decades of gathering quotes and sayings, noticing church and marquee signs and bumper stickers and, most recently, researching on the Internet. In the preface for this book, I went through and listed quotes that meant a lot to me, but as I look back, I realize that they all mean something to me. I hope that you can use them for motivation,

reflection, and inspiration.

Women Who Work Ivanka Trump, 2024-05-14 NEW YORK TIMES BESTSELLER! Ivanka is donating the unpaid portion of her advance and all future royalties received from Women Who Work to the Ivanka M. Trump Charitable Fund, a donor advised fund that will make grants to organizations that empower and educate women and girls.* This is a chatty step-by-step guide to living a happy life and getting ahead in a career. —USA Today The advice is spot-on for everyone, not just women. —Tony Hsieh, CEO of Zappos.com and author of Delivering Happiness I believe that when it comes to women and work, there isn't one right answer. The only person who can create a life you'll love is you. Our grandmothers fought for the right to work. Our mothers fought for the choice to be in an office or to stay at home. Our generation is the first to fully embrace and celebrate the fact that our lives are multidimensional. Thanks to the women who came before us and paved the way, we can create the lives we want to lead—which look different for each of us. I've been fortunate to be able to build my career around my passions, from real estate to fashion. But my professional titles only begin to describe who I am and what I value. I have been an executive and an entrepreneur, but also—and just as importantly—a wife, mother, daughter, and friend. To me, “work” encompasses my efforts to succeed in all of these areas. After appearing on The Apprentice years ago and receiving a flood of letters from young women asking for guidance, I realized the need for more female leaders to speak out publicly in order to change the way society thinks and talks about “women who work.” So I created a forum to do just that. This book evolves the conversation that started on IvankaTrump.com, where so many incredible women (and men!) have shared their experiences, advice, ambitions, and passions. Women who work lead meetings and train for marathons. We learn how to cook and how to code. We inspire our employees and our children. We innovate at our current jobs and start new businesses. Women Who Work will equip you with the best skills I've learned from some of the amazing people I've met, on subjects such as identifying opportunities, shifting careers smoothly, negotiating, leading teams, starting companies, managing work and family, and helping change the system to make it better for women—now and in the future. I hope it will inspire you to redefine success and architect a life that honors your individual passions and priorities, in a way only you can. * The Ivanka M. Trump Charitable Fund (the “Fund”) is a donor advised fund that supports the economic empowerment of women and girls. Ivanka Trump is the grant advisor to the Fund and sole member of IT WWW Pub, LLC (the “LLC”), which receives

royalties from the publication of Women Who Work. The LLC will contribute a minimum \$425,000 to the Fund, which is the unpaid portion of the advance, net of expenses. In addition, the LLC will contribute all future royalties it receives that are in excess of the advance to the Fund during the period from May 1, 2017 to May 1, 2022.

The surprising insights about what makes people happy or unhappy, what they're doing about it (or not), and why...will inspire you to carve out time for what truly matters now, not later. Life is much too precious to postpone. It's time to put yourself in your own story. The good news is, there are "hacks" you can do right now to make your life more of what you want it to be.
