AW Rasmussen

Introduction to Jenna Ortega Gilad James, PhD, Jenna Ortega is an American actress, best known for her roles in popular television shows and movies. She was born on September 27, 2002, in California to Mexican parents. Her acting career began at the young age of eight, when she landed her first role in the television series Rob in 2012. After that, she got the chance to appear in the Disney Channel series Stuck in the Middle in 2016, where she played the lead role of Harley Diaz. The show became very popular among young viewers, and Ortega's performance was critically acclaimed. In addition to her television work, Ortega has also appeared in a few movies. She played Young Jane in the hit comedy-drama series Jane the Virgin, and also starred in the horror movie Insidious: Chapter 2. Her other notable roles include Elena of Avalor and The Babysitter: Killer Queen. In recent years, Ortega has also been an active advocate for various causes and social issues, including gun control, mental health awareness, and immigration reform.

Ethics and Medical Technology Matthew C. Altman, David Schwan, 2025-08-24 This book provides a comprehensive survey of ethical issues raised by advanced medical technologies. The field's leading authorities explore how artificial intelligence, telehealth, robot caregivers, genetic therapies and enhancement, stem cell research, neurotechnology, electronic health records, data collection, and digital nudging are reshaping the landscape of medical practice. Organized around core ethical themes, the chapters consider how new and emerging technologies transform personal identity, the provider-patient relationship, privacy and autonomy, and social equity. Contributors clarify the complex values involved in medical innovation and practice, and explore what is at stake in the current ethical debates around these issues. While offering a valuable introduction for advanced students, professional philosophers, medical ethicists, and policymakers, this book also advances the scholarly discussion by presenting original theses and arguments, making it essential reading for specialists.

Internet Children's Television Series, 1997-2015 Vincent Terrace, 2016-08-04 Created around the world and available only on the web, internet television series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The fifth in a series focusing on the largely undocumented world of internet TV, this book covers 573 children's series created for viewers 3 to 14. The genre includes a broad range of cartoons, CGI, live-action comedies and puppetry. Alphabetical entries provide websites, dates, casts, credits, episode lists and storylines.

It's All Love Jenna Ortega, 2021-01-05 This uplifting and beautifully illustrated gift book from award-winning actress Jenna Ortega will inspire you to lean into faith and love and family during life's most difficult, and most joyous, moments. I want you, my readers, to know that you are not alone. We are in this together. This collection from actress Jenna Ortega is filled with Jenna's own original quotes and affirmations, alongside intimate, personal stories about growing up Latina in Hollywood, working through depression, falling in—and out of—love, losing close family members, and so much more. Jenna has had to balance her acting career, her private life, and public expectations from a young age, and she's learned that the only way to get through it all is to wake up every morning and affirm her commitment to herself, her faith, her mental health, and her family. In this honest and moving debut, she shares openly and intimately what it means to live this life of self-appreciation. Jenna's vulnerability will remind readers that there's power within us all and we are not alone in our struggles.
