*En Route to the Mount of Olives (Matthew 24)* David R. Rosen, 2022-06-03 And now - it is time. And as God has arranged and prepared. As the scriptures have been foretold - for the crucifixion of Jesus is now but days away! Jesus had been preparing His disciples for the time of this week. And now, we jump into the Word. Jesus and His disciples are now leaving the Temple. And they are heading across the way up towards the Mount of Olives. For the time of Jesus' last Passover observance with His Disciples, is before Him. And then, He transforms His last Passover with His Disciples into The Last Supper [Matt 26:17-19]. So picture yourself standing in the courtyard - in view is the Mount of Olives. Jesus has just finished rebuking the Scribes and Pharisees in his telling the crowds and disciples the seven woes to their hypocritical faith [as recorded within Matthew 23] and now Jesus and His disciples are preparing to leave the courtyard, and you overhear the disciples note to Jesus the splendor of the Temple And in return reply, Jesus offers an unexpected comment [actually Jesus offers prophecy that He presents back to them]. And now, the journey to cross over from the temple courtyard to the Mount of Olives begins.

*Rise of the Assyrian* Russell Redden, 2006-07 This book interprets Biblical prophecy according to Bible passages ignored by the majority of Eschatology teachers today! Many prophets wrote in the Old Testament that the Messiah would come from

the heavens to defeat a wicked king from Assyria--modern day Iraq. Discover what the Bible really teaches about the Antichrist and Biblical prophecy. The little horn will not become the president of the world, but a tyrant who will be given military support by the nations of the world to drive Israel from Judea and half of Jerusalem. This act will cause the little horn to rise in power throughout the Middle East, establishing a new Babylonian Empire.

**Underground Church** Brian Sanders, 2018-03-06 What If the Church Truly Empowered People to Engage in God's Mission? Something extraordinary has been happening in Tampa, Florida. A new expression of the church has been quietly growing. It's something of an experiment, but over the last ten years the church has been validating its ideas with sustained and growing results. At The Underground, being the church is not focused around a weekly gathering or church programs. It's about empowering individuals to respond to God's call to ministry and mission, especially to the poor and disadvantaged in our midst. While many churches talk about discerning calling and engaging in mission, very few are structured to make this their ministry focus. Underground Church is a new vision for the church rooted in its biblical mission to share the love of God and serve the poor. Sanders explores how to make structural changes, how to think about leadership, how to fund ministries, and how to truly engage people in God's mission. Filled with creative insights, he explains what it means to center the mission of the church around the callings of individuals to outward ministry - whether that involves leading Bible studies in the workplace, feeding the homeless, or working to free women and children from sex trafficking. This book will both tell the inspiring story of a church that is rethinking what church looks like while also outlining and uncovering the principles that transfer for every church and Christian community that hopes for more. It's the true story of a 10-year experiment that unpacks the possibilities of a church structured and streamlined for mission. X

**Attainable Perfection** Michael W. H. Holcomb, 2009-10 Yes, the Bible teaches perfection, but not your kind of perfection. Hey, that is good news! With his to-the-point writing style, Michael Holcomb exposes what he calls forbidden perfection (false, fallen-nature ideals that all humans impose upon themselves) and presents you with Heaven's liberating views on life and reality. He notes that there are, in fact, high and holy standards expected of mankind, but shows you how God, through Jesus Christ, has made them completely within reach. The author also brings out significant yet neglected principles of Christian maturity and boldly challenges the Church to abandon the relaxed but corrupting message of me-ism for the strength and excellence of a biblical, Spirit-filled focus. Perfection. It's not what you think but it's the very goal you need.

Child of God, Delight in Him Caranita Wolsieffer, 2017-05-22 Child of God, Delight in Him combines God's names with mind mapping to explore new paths for prayer, worship, and inductive Bible study. The thirty-two creative clusters are colorful structures that compress yet expand, contain yet perpetuate, and simplify yet mystify. Once readers learn to unpack the maps, they will be amazed by the blessings of spiritual growth. Various activities reinforce the comprehension and

memorization of God's names and scripture references. Each map provides its own paths to color while the pages of creative responses can be filled with artwork, journaling, poetry and songs. The illustrations accompanying the story of Carrie's butterfly, Joy, provide hours of enjoyable coloring. The workbook can be used individually or adapted easily for prayer, worship, and Bible study groups. Since God's names are infinite and the journey has just begun, the author hopes that fellow travelers will create their own maps.

This devotional book will teach us to ask God for guidance based on the verse of the day. Acknowledge that without the help of the Holy Spirit, it won't be done. **Society in Freefall** Wayne E. Kablanow, "The religious landscape is littered with theories, predictions, assumptions, and speculations. Society in Freefall cuts through the clutter and delivers a much-needed analysis of the Bible's great, overarching themes, connecting the reader with a reliable understanding of the vital subjects relevant to where we are in the stream of history. Although time is running out for Planet Earth, eternity beckons. This book will provide you with an explanation, encouragement, and inspiration as you journey towards the future God has prepared for you." John Bradshaw President, It Is Written "If there exists somewhere in the universe an all-knowing, all-powerful, and all-present God who has a message for you during the final plunge of earth's history, would you want to know that message? The reality is God does exist, and His heart is filled with love and compassion for you, and He has sent you a message of hope. That message is found in the fourteenth chapter of the book of Revelation. This book unpacks that message. You will experience fear being replaced by love, suspicion by trust, and anxiety by hope." Wayne Kablanow Author

**Blessed Are the Poor in Spirit** Evangelist John Henry Manigo, 2015-10-21 One book or three books: My main interest is to help the deaf, hard of hearing, and hearing people understand the Word of God and to apply it to their own life with Gods help. It also gives us, as well as the hearing people, encouragement, help, and inspiration from the Word of God and tells us to receive the Word of God by faith. My main reason of writing the Trinity to show the example of God, Jesus, and the Holy Spirit as one and believe that God is One. I also write Trinity for various reasons and put down Bible verses to help match the Old Testament and New Testament that speak the same thing to show them the Bible in fact is real. Gods Word is very real. I write the main points because I have heard in the past about their belief, their teaching, and their faith in God, and I am willing to write down what they say and that the Bible has all the answer to our need and purpose. I have studied the Bible for forty-five years, seeking answers and being able to explain better from Gods teaching, from Gods Word. Whenever I hear people talk about their faith in God, I write down Bible verses to help inspire their life positive. It would help all of us to grow in grace through our Lord Jesus Christ. He has the answer to all our problems. My main point is to help them know that they can be saved through Jesus Christ by faith in him alone. Only in him shall we be saved. Be blessed! Evangelist John H. Manigo 1 Corinthians 6:19-20

God’S Law Captain Sonny Paago, 2012-05-10 All the gratitude the author offers to the LORD Jesus Christ, the Creator of the heavens and earth and all the things in it the Redeemer of all sinners, who sustains the life of every person who believes in Him, for the opportunity that He gives to complete this book. This book is focused on the understanding of Gods Law, which He gave to the children of Israel, and which He Himself has written on the two tablets of stone, but has been perverted by the Scribes. However, it was straightened by Jesus Christ in His teachings and prayer, and in His dialogues with the leaders of Jewish religion. May this book be a benefit to every reader who will surely be led by the Holy Spirit to obey what the Lord has commanded and will not be confused by human teachings, which have many times been perverted from the Word of the Lord.

**The Interlinear Bible** Jay P. Green, 1986 Guide to the Hebrew and Greek alphabets -- Preface -- Part 1, Old Testament, Hebrew / English -- Part 2, New Testament, Greek / English -- Appendix A, The majority text notes / William G. Pierpont -- Appendix B, Jesus and the Old Testament.

The Parousia of Jesus James O. Ellithorpe, 2015-11-17 Throughout the ages, various celestial and non-celestial phenomena have featured images portraying the nearness of the end of days or, in the New Testament, the Parousia which means the appearance of the second coming of Jesus. Many of these images and concepts are often misunderstood or misapplied. A primary purpose of this book is to correct the errant concepts believed to be true by many people because incorrect doctrine and teaching can have disastrous results. Many people today believe we are living in tumultuous times. However, to set or fix a precise date for the return of Jesus is unbiblical. This book will present a completely different view than what is commonly believed about the end times. By blending the concepts of many schools of thought and outright challenging others, the goal

of this book is to help people understand the variety of views on the topic. In short, this book should be read first and then compared with what others are teaching and saying.
