

Rosaura A Las Diez

Myron I. Lichtblau

Rosaura a las diez Marco Denevi, 2013-11-01 Con esta obra Marco Denevi inició una reconocida carrera literaria en el ámbito nacional e internacional. Ganó el premio de la editorial Kraft de 1955, se convirtió en best seller y fue llevada al cine con mucho éxito. Es una interesante novela en la que el misterio se configura a partir de las diferentes percepciones que los personajes tienen de un mismo hecho criminal. A esa novela le siguieron otras obras, entre ellas Ceremonia secreta, que en 1960 obtuvo el Primer Premio de la revista Life para narradores latinoamericanos.

Bodies and Biases David William Foster, Roberto Reis, 1996

A Study Guide for Rosaura a Las Diez Edmund Murphy, 1992

Asesinos de papel Jorge Lafforgue, Jorge B. Rivera, 1996 El desarrollo de la narrativa policial a orillas del Plata, desde fines del siglo pasado hasta el presente, puede leerse en un conjunto de novelas y cuentos que no tiene paragón en otros países de habla en española. Carecíamos, sin embargo, de un libro que evaluase ese rico material, estableciendo sus diversas etapas históricas, a la vez que reflexionando sobre sus características determinantes y las claves para descubrir sus principales pistas...Asesinos de papel cumple con holgura y amenidad esas funciones. Porque Jorge Lafforgue y Jorge B. Rivera no sólo se han propuesto consignar los datos de sus pacientes investigaciones, sino que han buscado transmitir a sus lectores el múltiple fervor que muchos de aquellos viejos y nuevos relatos supieron despertar en ellos. Si se recuerda que el género ha sido cultivado entre nosotros por escritores como Quiroga, Arlt, Borges, Walsh, Soriano o Piglia, se comprenderá su importancia central en la evolución de nuestras letras. Pero los autores no se detienen en el relevamiento fáctico o meramente informativo, pues el libro incluye también una serie de entrevistas a varios cultores del género; estudios sobre algunas colecciones famosas, como El Séptimo Círculo; una aproximación a su actual florecimiento en la República Oriental del Uruguay; un examen del cine argentino en su vertiente policial; tratamientos específicos de algunos grandes escritores; entre muchos otros elementos útiles tanto para quienes se deleitan o interesan por la narrativa policial como para aquellos que hoy desean iniciarse en sus misterios con herramientas apropiadas. Este libro se convierte así en el primero que sistemáticamente e íntegramente analiza ese fenómeno cultural en Argentina y Uruguay.-- Back cover.

Spanish-American Literature Enrique Anderson Imbert, 1969 With a focus both historical and literary, Enrique Anderson-Imbert surveys the literature of Hispanic America. His study is not merely an historical synthesis of names, titles,

and dates; it is, rather, a critical analytical appraisal of the verse, prose, and drama written in Spanish in the Americas in the contemporary period.

Rosaura a las diez Marco Denevi, 1988

Rosaura a las diez /Marco Denevi Marco Denevi, 1981

The Argentine Novel Myron I. Lichtblau, 2002 Long a scholar of Romance languages at Syracuse University, Lichtblau (1925-2000) extended his 1997 bibliography from 1990 through 1999 and added some earlier works left out of the original. Citations from the mother volume are included but without the critical commentaries and bibliographical references. The arrangement is alphabetical by author, and the articles discuss, in Spanish, both novels and critical studies of them and of the author. No index is provided. Annotation copyrighted by Book News, Inc., Portland, OR

Latin American Mystery Writers Darrell B. Lockhart, 2004-03-30 Latin America has a rich literary tradition that is receiving growing amounts of attention. The body of Latin American mystery writing is especially vast and diverse. Because it is part of Latin American popular culture, it also reflects many of the social and cultural concerns of that region. This reference provides an overview of mystery fiction of Latin America. While many of the authors profiled have received critical attention, others have been relatively neglected. Included are alphabetically arranged entries on 54 writers, most of whom are from Argentina, Mexico, and Cuba. Every effort has been made to include balanced coverage of the few female mystery writers. Each entry is written by an expert contributor and includes a brief biography, a critical discussion of the writer's works, and primary and secondary bibliographies. The volume closes with a general bibliography of anthologies and criticism.

The Columbia Guide to the Latin American Novel Since 1945 Raymond L. Williams, 2007-09-21 In this expertly crafted, richly detailed guide, Raymond Leslie Williams explores the cultural, political, and historical events that have shaped the Latin American and Caribbean novel since the end of World War II. In addition to works originally composed in English, Williams covers novels written in Spanish, Portuguese, French, Dutch, and Haitian Creole, and traces the profound influence of modernization, revolution, and democratization on the writing of this era. Beginning in 1945, Williams introduces major trends by region, including the Caribbean and U.S. Latino novel, the Mexican and Central American novel, the Andean novel, the Southern Cone novel, and the novel of Brazil. He discusses the rise of the modernist novel in the 1940s, led by Jorge Luis Borges's reaffirmation of the right of invention, and covers the advent of the postmodern generation of the 1990s in Brazil, the Generation of the Crack in Mexico, and the McOndo generation in other parts of Latin America. An alphabetical guide offers biographies of authors, coverage of major topics, and brief introductions to individual novels. It also addresses such areas as women's writing, Afro-Latin American writing, and magic realism. The guide's final section includes an annotated bibliography of introductory studies on the Latin American and Caribbean novel, national literary traditions, and the work of

individual authors. From early attempts to synthesize postcolonial concerns with modernist aesthetics to the current focus on urban violence and globalization, *The Columbia Guide to the Latin American Novel Since 1945* presents a comprehensive, accessible portrait of a thoroughly diverse and complex branch of world literature.

La ley y el crimen Sonia Mattalía, 2008 La autora analiza la utilización del género policial, de sus matrices formales y de sus figuras, así como las causas y el movimiento que provoca su apropiación por la narrativa argentina contemporánea.

AP Spanish Language and Culture Premium, 2024: 5 Practice Tests + Comprehensive Review + Online Practice Daniel Paolicchi, Alice G. Springer, 2023-07-04 Always study with the most up-to-date prep! Latin American Writers on Gay and Lesbian Themes David William Foster, 1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored. This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works. Each entry explores the significance of gay and lesbian themes in a particular author's writings and closes with a bibliography of primary and secondary sources. The figures included have a professed gay identity, or have written on gay or lesbian themes in either a positive or negative way, or have authored works in which a gay sensibility can be identified. The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors, and studies these authors within the larger context of Latin American culture. The book includes entries for men and women, and for authors from Latin American countries as well as Latino writers from the United States. The entries are written by roughly 60 expert contributors from Latin America, the U.S., and Europe.

Technology, Literature, and Digital Culture in Latin America Matthew Bush, Tania Gentic, 2015-07-16 Grappling with the contemporary Latin American literary climate and its relationship to the pervasive technologies that shape global society, this book visits Latin American literature, technology, and digital culture from the post-boom era to the present day. The

volume examines literature in dialogue with the newest media, including videogames, blogs, electronic literature, and social networking sites, as well as older forms of technology, such as film, photography, television, and music. Together, the essays interrogate how the global networked subject has affected local political and cultural concerns in Latin America. They show that this subject reflects an affective mode of knowledge that can transform the way scholars understand the effects of reading and spectatorship on the production of political communities. The collection thus addresses a series of issues crucial to current and future discussions of literature and culture in Latin America: how literary, visual, and digital artists make technology a formal element of their work; how technology, from photographs to blogs, is represented in text, and the ramifications of that presence; how new media alters the material circulation of culture in Latin America; how readership changes in a globalized electronic landscape; and how critical approaches to the convergences, boundaries, and protocols of new media might transform our understanding of the literature and culture produced or received in Latin America today and in the future.

World Literature in Spanish Maureen Ihrie, Salvador Oropesa, 2011-10-20 Containing roughly 850 entries about Spanish-language literature throughout the world, this expansive work provides coverage of the varied countries, ethnicities, time periods, literary movements, and genres of these writings. Providing a thorough introduction to Spanish-language literature worldwide and across time is a tall order. However, *World Literature in Spanish: An Encyclopedia* contains roughly 850 entries on both major and minor authors, themes, genres, and topics of Spanish literature from the Middle Ages to the present day, affording an amazingly comprehensive reference collection in a single work. This encyclopedia describes the growing diversity within national borders, the increasing interdependence among nations, and the myriad impacts of Spanish literature across the globe. All countries that produce literature in Spanish in Europe, Africa, the Americas, and Asia are represented, covering both canonical authors and emerging contemporary writers and trends. Underrepresented writings—such as texts by women writers, queer and Afro-Hispanic texts, children's literature, and works on relevant but less studied topics such as sports and nationalism—also appear. While writings throughout the centuries are covered, those of the 20th and 21st centuries receive special consideration.

AP Spanish Language and Culture Premium, 2025: Prep Book with 5 Practice Tests + Comprehensive Review + Online Practice Barron's Educational Series, Daniel Paolicchi, Alice G.
