What's Mine and Yours Naima Coster, 2021-03-02 A Read with Jenna Today Show Book Club Pick! An instant New York Times bestseller! A USA Today bestseller! Named a Best Book of 2021 by Amazon • Esquire • Marie Claire • Refinery29 • Kirkus • Redbook • Ms. Magazine • The Millions • Undomesticated Magazine • Paperback Paris A once-every-few-years reading experience.—Mary Beth Keane, New York Times bestselling author of Ask Again, Yes Coster portrays her characters' worlds with startling vitality. As the children fall in lust and love, grapple with angst and battle the tides of New South politics, Coster's writing shines—New York Times Book Review From the author of Halsey Street, a sweeping novel of legacy, identity, the American family—and the ways that race affects even our most intimate relationships. A community in the Piedmont of North Carolina rises in outrage as a county initiative draws students from the largely Black east side of town into predominantly white high schools on the west. For two students, Gee and Noelle, the integration sets off a chain of events that will tie their two families together in unexpected ways over the next twenty years. On one side of the integration debate is Jade, Gee's steely, ambitious mother. In the aftermath of a harrowing loss, she is determined to give her son the tools he'll need to survive in America as a sensitive, anxious, young Black man. On the other side is Noelle's headstrong mother, Lacey May, a white woman who refuses to see her half-Latina daughters as anything but white. She strives to protect them as she couldn't protect herself from the influence of their charming but unreliable father, Robbie. When Gee and Noelle join the school play meant to bridge the divide between new and old students, their paths collide, and their two seemingly disconnected families begin to form deeply knotted, messy ties that will shape the trajectory of their adult lives. And their mothers—each determined to see her child inherit a better life—will make choices that will haunt them for decades to come. As love is built and lost, and the past never too far behind, What's Mine and Yours is an expansive, vibrant tapestry that moves between the years, from the foothills of North Carolina, to Atlanta, Los Angeles, and Paris. It explores the unique organism that is every family: what breaks them apart and how they come back together.

What's Mine and Yours Naima Coster, 2021-03-02 When a county initiative in the Piedmont of North Carolina forces the students at a mostly black public school on the east side to move across town to a nearly all-white high school on the west, the community rises in outrage. For two students, quiet and aloof Gee and headstrong Noelle, these divisions will extend far beyond their schooling. As their paths collide and overlap over the course of thirty years, their two seemingly disconnected

families begin to form deeply knotted, messy ties that shape the trajectory of their lives. On one side of the school integration debate is Jade, Gee's steely, single, black mother, grieving for her murdered partner, and determined for her son to have the best chance at a better life. On the other, is Noelle's enterprising mother, Lacey May, who refuses to see her half-Latina daughters as anything but white. The choices these mothers make will resound for years to come. And twenty years later, when Lacey's daughters return home to visit her in hospital, they're forced to confront the ways their parents' decisions continue to affect the life they live and the people they love. WHAT'S MINE AND YOURS is a sweeping, rich tapestry of familial bond and identity, and a sharp, poignant look at the ways race affects even the closest of relationships. This is not just one love story, but many: It's the all-consuming volatile passion of young lovers and the quieter comfort of steady companionship; it's the often tenuous but unbreakable bond between siblings; and it's the unconditional love that runs between parent and child and encompasses adoration, contempt and forgiveness. With gorgeous prose, Naima Coster explores the unique organism that is every family: what breaks them apart and how they come back together.

What's Mine & What's Yours Jessica Butcher,2022-10-04 Well here's the problem Edrina, the law in this country doesn't work with stories. It only works with facts. And to put it simply, your story - look it just isn't credible. Edrina was trafficked from her family home when she was fifteen. She was taken to Italy for three years before being trafficked to the UK, where she was held captive for another three years. She escaped 152 days ago. *What's Mine & What's Yours* tells a story of survival. Just when Edrina thought she might have a chance at life - she is catapulted backwards by a hostile immigration system that does not believe her story. She is acutely vulnerable and is re-trafficked within weeks. Could this have been prevented? The Helen Bamber Foundation provides all encompassing care to help Survivors access the therapeutic, medical, legal, housing and welfare support they need to recover from the traumas of trafficking. The foundation now seeks to address the systemic problem of re-trafficking in the UK. Dame Emma Thompson, the President of the Helen Bamber Foundation and acclaimed writer and actor, introduces this edition, explaining and contextualizing the organization's mission. To Have Or Not to Have That Is the Question Bonder Nilton Bonder,Nilton Bonder,2010-05 After having lectured at large corporations around Brazil and several other countries, Rabbi Bonder wrote this book to meet the rising interest in the business world for spirituality. This book is about the ultra-wisdom to be found in frontiers between intelligence and ignorance. The very border that divides between clarity and superstition, intuition and illusion, discernment and fantasy, is an area of mixed light and darkness. In this twilight zone abide truths that will never turn into certainties. This is the zone where good sense is usually not the common sense, but a countersense. Where wisdom is forged out of experience, sensitivity and intuition; where doubt is the resource and where fog rather than light is the medium. Companies searching for their 'earthly kingdom' have discovered that the intelligence of the 'kingdom of heaven' could be of some use for efficiency sake, and in a highly competitive world nobody can afford to ignore a form of intelligence. In our days, we have begun to recognize

a field of thought that until just recently was seen as lying outside the realm of categories of intelligence.
