Galatians Nijay K. Gupta, Scot McKnight, 2023-11-14 A new commentary for today's world, The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SGBC offers a clear and compelling exposition of biblical texts, guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Three easy-to-use sections designed to help readers live out God's story: LISTEN to the Story: Includes complete NIV text with references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story EXPLAIN the Story: Explores and illuminates each text as embedded in its canonical and historical setting LIVE the Story: Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers, teachers, and students Praise for SGBC: The editors and contributors set that table very well and open up the biblical story in ways that move us to act with sensitivity and understanding ... Well done. -Daniel I. Block, Wheaton College and Graduate School [The] easy-to-use format and practical guidance brings God's grand story to modern-day life so anyone can understand how it applies today. -Andy Stanley, Senior Pastor, North Point Ministries Engagingly readable, it not only explores the biblical text but offers a range of applications and interesting illustrations. -Craig S. Philippians Roji Thomas George, 2019-04-30 Asian Christians will identify with the context of the epistle to the Philippians – a church hemmed in on every side. The internal struggles of the community, personality conflicts among leaders, division within the church, and challenges from false teachers coupled with the violent threat from outside the church parallels the situation in many parts of Asia today. Paul's ethical exhortations to the believers in Philippi enrich, guide, and correct so that a vibrant Body of Christ can be established. Philippians teaches all Christians to make it their goal to know Christ more and more each day, imitate his example above all others, and bear bold witness to God's offer of salvation to all, beyond every divisive border. This commentary on Philippians studies the text exegetically in its original dynamic context while seeking to hear the rhetorical thrust of the apostle's words in the present Asian context. The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts. Holistic in its approach to the text, each exposition of the biblical books combines exegesis and application. The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible.

The Diaspora Jean M. Dorsinville, 2013-02-12 The news of their arrival was a very pleasant surprise for Charles who longed to be reunited with his childhood neighbors. The family landed at Lansing airport in two Northwest Airlines planes between 7:00 and 9:00 P.M. a far distance from Port-au-Prince. The winter season was fast approaching that presented an enormous challenge for the Garderes to acclimate themselves to the cold weather with the exception of the eldest Ketly who had attended college on a scholarship to Harvard. She was a brilliant student who exemplified the character of this immigrant family. Upon graduation in 1965 Ketly had returned to her native land to marry her teenage sweetheart. She, her husband and three children would join the entire family in 1975. These ambitious members of the Diaspora would make their mark in the years to come.

Waking the Women Jayne Manfredi, 2024-10-24 Women over the age of 40 are by far the biggest and the most active demographic in the Church of England. But while a huge proportion of any given congregation will likely have experienced menopause, it still remains largely unacknowledged, unspoken and unaddressed. It is almost entirely taboo as a topic of

conversation in churches. Writing with refreshing frankness, popular blogger and broadcaster Jayne Manfredi uses biblical reflection, prophetic storytelling and prayer to journey with those experiencing “the dreaded m word”. Facing the menopause head-on, and by turns hilarious and moving, *Waking the Women* offers a challenge to destigmatize women’s experiences by opening up the conversation around midlife and ageing in the church.

Living the work Azadeh F. Osanloo, Christa Boske, 2015-10-07 Written as a collaborative between children, families, teachers, school leaders, scholars, and community organisation representatives, this book has given everyone involved a platform to express his or her individual voice. Chapters center on authors' lived experiences and the book is grounded in promoting social justice and equity.

Reason to Return Ericka Andersen, 2023-01-17 Do you really need church to have a relationship with God? Church can produce all kinds of automatic reactions depending on your past experiences. Perhaps your family was actively involved in church, or maybe your experience was limited to attending on the occasional holiday. Is it a place you associate with feelings of shame or joy? Does it bring anxiety, or do you have fond memories? Few people are neutral on the subject of church. Are you one of the 16 million American women who have left the church in the last decade? There are many reasons for this exodus. Many women who leave the church—especially those who still consider themselves to be Christians—desire a closer relationship with God and a deeper spiritual life. What they may not realize is that the imperfect churches of their pasts might be keeping them from meeting those deep spiritual longings today. In *Reason to Return*, Ericka Andersen delves into the reasons why women are leaving church in droves. With gentle insight and thoughtful research, she invites Christian women who are hurt or disillusioned by the churches of their pasts to fulfill their unmet spiritual longings for God and community—and consider what the church might still have to offer them.

Living Beyond the Dream Jarrod Polson, Wes Coker, 2015-03-23 Jarrod Polson's journey to the University of Kentucky began with a dream in elementary school. *Living beyond the Dream* offers an inside look into Polson's life as he describes that dream to play basketball for his beloved Wildcats. This memoir narrates the lows and highs and speaks to the lessons Polson learned throughout college. In a world of talent and fame, he understands the choices one makes are more important than the gifts one has been given. Praise for *Living beyond the Dream* Jarrod Polson is Kentucky basketball. [He] turned down scholarships to other Division 1 schools to live out his dream of playing for the Wildcats. He was given little chance of playing. But not only did he play, he was an integral part of UK's 2012 National Championship. To me there is something more important. Jarrod Polson lives what he believes. Cameron Mills Following UK's miraculous run in the 2014 NCAA Tournament, Jarrod Polson and I were given the opportunity to visit thousands of school kids throughout Kentucky. Those kids saw that a UK National Champion who got to live his dream can be humble, patient, and kind and still be a champion. You will love getting to know him and him through Polson's book *Living beyond the Dream*. Jeff Sheppard In my time here at

Kentucky, I've been fortunate to have been around some of the strongest character kids in the country. JP is at the top of that list, his faith in how he lives his life, his dedication to team and winning spirit made it fun and a joy to coach. He will always be one of my favorite wildcats. Kenny Payne Jarrod Polson writes about the honor to wear a Kentucky uniform and the thrill of being a part of BBN. Dick Vitale

Hard Faith Ray Lopez, 2021-12-23 From the author of *Hard Knocks: Memoir of a Small Moment* and *Hard Love: A California Memoir*, *Hard Faith* is Lopez's third memoir and picks up where *Hard Love* leaves his readers. *Hard Faith* describes Lopez's struggles and growing maturity as a Christian, husband, father, and probation officer. It tells of the difficulties in the church and trying to hear God's voice in declaring the plans he has for us. Lopez leaves the Baptist church after fifteen years and starts serving in an independent, nondenominational church that is pursuing the gifts of the Holy Spirit, especially prophecy. It covers the Lopezes' lives as double-income, professional parents and the challenging experiences while raising their children. *Hard Faith* explores the impact of 9/11. It takes the reader on some incredible journeys, like when Lopez and his wife, Paula, traveled to Peru to be with their daughter who was in a coma after being hit by a tourist bus. They experienced many miracles in Peru, most significantly, their daughter's survival and healing. *Hard Faith* covers his mother's stroke and the deaths of both of his parents, focusing on how God uses all things for our good (Rom 8:28) and brings us closer together. The book travels through Lopez's retirement as a federal law enforcement officer and his struggles with depression, and ends with the death of his sister-in-law from ALS at the age of fifty-four.

Qualified Cooke Tony, 2012-07-10 The Apostle Paul declares his own need for ongoing discipline and diligence, lest after preaching to others he would become disqualified (1 Corinthians 9:27). If one can be disqualified from effective ministry, it stands to reason that there is also a process of becoming qualified. What is involved in becoming (and staying) a...vessel for...

Church Worth Getting Up For Charles E. Gutenson, 2013 Learn the tactics of pastors with successful, enthusiastic, growing congregations.

Deepest Thanks, Deeper Apologies Stephen Shortridge, 2025-04-08 This book is for those of us who have failed at being doubt-free but whose passion for God remains steadfast. It's for those who have been confused by the world -- and perhaps even by their own desires -- and still long to connect with a loving God who forgives and embraces us. It's for those who wonder at how our personal failures and uncertainties can make our faith mature -- and yet who can believe that somehow these wrestlings also make our need for God complete. Combining incredibly candid reflections and insights from the author with rich reminders for every man and woman's spiritual journey, *Deepest Thanks, Deeper Apologies* springs from a deep desire not to explain mystery, or to remove doubt, but to encourage mystery and raise doubt -- for all who dare to be honest.
