

Glosas 9 De Julio

Carlos Alvar Ezquerro

Diario oficial Colombia,1869

Diario Oficial Colombia,1955

Coplas ... hechas a la muerte de su padre ... con las glosas ... de Juan de Guzmán ... Rodrigo de Valdepeñas ... Luis Pérez y ... Alonso Cervantes Jorge Manrique,1779

Juan de Mena y el «Laberinto» comentado: tempranas glosas manuscritas (c. 1444-1479) CASAS RIGALL, Juan,2016-05-12 En el transcurso del s. XV, la progresiva incorporación de elementos de raíz clásica a nuestras letras alentó el desarrollo de la glosa para comentario de la obra literaria. No se trataba ya de traducir o parafrasear palabras aisladas, sino de explicar el sentido de un verso, un pasaje o toda una composición con recurso a sus fundamentos etimológicos y mitológicos, históricos, morales o poéticos, y los «realia» subyacentes. Si Virgilio tuvo un Servio, los nombres de Enrique de Villena, Íñigo López de Mendoza o Pero Díaz de Toledo concurren al punto como pares vernáculos, así como el poeta por excelencia en el canon de la época: Juan de Mena dejó claramente expreso su concepto glosador en el autocomentario de la «Coronación del Marqués de Santillana» o, por mejor decir, «Calamicleos», cuyo solo título era glosa en potencia. Y el «Laberinto de Fortuna», tan antonomástico como su autor, no podía quedar excluido del nuevo contexto. En lo que conocemos hoy, media docena de manuscritos cuatrocentistas presentan un texto del «Laberinto» con abundantes glosas, todos estos testimonios filiados de modo más o menos estrecho. Por añadidura, en tal conjunto hay un punto de partida de singular relevancia: aunque tenue, la propia mano de Mena se traduce en algunas de estas anotaciones.

De poesía medieval con sus glosas ahora nuevamente añadidas Carlos Alvar Ezquerro,2014-10-20 El objetivo de la presente antología es recopilar los artículos de Carlos Alvar sobre poesía castellana y lírica tradicional publicados desde 1976 a 2012. Supone una oportunidad de leer el conjunto de esta sección de su obra, no quedándonos en la especificidad de algunos análisis ni perdiendo alguna pieza de los procesos intrínsecos de convergencia que éstos suponen en la totalidad de su discurso crítico. Sus trabajos forman un discurso unitario y complejo, original, fundamental, como lo son sus estudios sobre la poesía inmediatamente posterior a 1350, en un momento clave para la transición de la lírica gallego-portuguesa a la castellana a través de la poesía gallego-castellana; u otros sobre complejos espacios de transición, advertidos en el prólogo de Tavani, como los que llevan «de los trovadores y stilnovisti al petrarquismo, aunque tardío», «el progresivo, lento y

laborioso paso, en el área hispánica en general y en la castellana en particular, de la Edad Media al Humanismo» o «de las formas embrionarias de teatro de los siglos precedentes a la obra de Juan del Encina y Lucas Fernández»; o las aportaciones que inauguran un método de trabajo o sientan las bases críticas para el estudio de la poesía de cancionero castellana y de la poesía tradicional; o la facilidad para la transición y la transgresión de las fronteras entre tradiciones literarias cuando entra en juego la lírica tradicional. El género poético de la glosa, que da nueva vida a poemas anteriores y les aporta mayor perdurabilidad si cabe, se aplica a este terreno científico, de manera que cada uno de los estudios de Alvar va acompañado de una contribución de reconocidos filólogos que determinan su efecto crítico. La reedición de estos trabajos, como en la imprenta antigua, ofrece una novedad que va más allá de la mera recopilación. Carlos Alvar (Granada, 1951) es catedrático de Filología Románica y de Literatura Española de la Edad Media en las Universidades de Alcalá y de Ginebra. Es doctor honoris causa de la Universidad de Córdoba y de la Universidad Hebrea de Jerusalén. Ha desarrollado su actividad como profesor e investigador en España, Italia, Alemania, Suiza y Estados Unidos. Es presidente de honor de la Sociedad Española de Literatura General y Comparada de la Asociación Hispánica de Literatura Medieval y de la Asociación Internacional de Hispanistas. Es presidente de la sección española de la Société Internationale Arthurienne. Preside la Société Rencesvals, dedicada al estudio de la épica románica. Dirige el Instituto de «Literatura y Traducción» del Centro Internacional de la Lengua Española (CiLengua). Es autor de casi tres centenares de artículos y de una treintena de libros especializados en literatura medieval española y románica en general, que le han dado un amplio reconocimiento internacional.

Registro oficial Ecuador,1926

Glosas a las coplas de Jorge Manrique Jorge Manrique,1962

Ortega José Ramón Carriazo Ruiz,2023-11-16 Ortega y Gasset, incansable renovador de perspectivas críticas y metodológicas, europeísta, racionalista y, sobre todo, impulsor de un notorio cambio de rumbo en la filosofía española cuyos frutos siguen siendo palpables en la actualidad, tuvo una vida intensa y ocupada. Esta biografía ilumina los acontecimientos que marcaron el desarrollo de su pensamiento y de su personalidad, así como las numerosas leyendas que surgieron alrededor de su magnética figura.

Ultimo glosario: Helvecia y los lobos Eugenio d' Ors,1998

Actas ,1962 Includes lists of members arranged by country.

Informe Colombia. Corte de Cuentas. Presidente,1917

Eugenio d'Ors 1881-1954 Javier Varela,2017-05-25 A lo largo de su vida, Eugenio d'Ors, también conocido como Xenius, fue nacionalista catalán, sindicalista, monárquico y, finalmente, falangista. También fue un intelectual extraordinario, crítico de arte, escritor paciente de un dilatado Glosario en catalán y en castellano y, en definitiva, uno de los autores más interesantes de la España de la primera mitad del siglo XX. Una figura tan relevante, compleja y llena de contrastes

necesitaba una biografía que examinara de forma unitaria todas sus facetas. De un modo exhaustivo y nada complaciente, Eugenio d'Ors (1881-1953) saca a la luz al escritor brillante y original, al formidable creador de aforismos, al hombre políticamente cambiante, para reivindicar su verdadera importancia en el contexto catalán, español y europeo del pasado siglo. Premio Gaziél de biografías y memorias 2016.
