A Dictionary of Atong Seino van Breugel, 2021-03-08 Atong is a Tibeto-Burman language spoken in Northeast India and Bangladesh. In this dictionary, Seino van Breugel provides a rigorous, well-illustrated and well-referenced lexical description of the language, making this book of great interest and value to general linguists, typologists, as well as area specialists and cultural anthropologists. Comprising not only of an Atong-English, but also an English-Atong dictionary, as well as semantic lexica, this volume is one of the most thorough lexical descriptions of a Bodo-Garo language to date. The grammatical lexica allow the reader quick access to lists of members of the various Atong word classes, collocations and idiomatic expressions. The grammatical compendium makes this book self-contained, while its many references link it to the rest of the author's corpus on the Atong language. The appendix of photos not only provides visual illustrations to many of the Atong dictionary entries, but also offers the reader a glance at the physical environment in which the language is spoken.

Sexuality, Disability, and Aging Jane Gallop, 2018-12-13 Drawing on her own experiences with late-onset disability and its impact on her sex life, along with her expertise as a cultural critic, Jane Gallop explores how disability and aging work to undermine one's sense of self. She challenges common conceptions that equate the decline of bodily potential and ability with a permanent and irretrievable loss, arguing that such a loss can be both temporary and positively transformative. With *Sexuality, Disability, and Aging*, Gallop explores and celebrates how sexuality transforms and becomes more queer in the lives of the no longer young and the no longer able while at the same time demonstrating how disability can generate new forms of sexual fantasy and erotic possibility.

Pornography and Difference Berkeley Kaite, 1995-11-22 This study of pornographic magazine photographs -- softcore, hardcore, transsexual/transvestite -- analyzes the visual code of these images. It engages questions about masculinity and masculine sexuality such as Is there a necessary relation between difference and phallic desire? Can the masculine subject imagine otherness? Is there a will-to-asceticism in this (masculine) sexual surrender to indifferentiation?

Musings of a Baby Boomer Kay Hoflander, 2022-04-26 An honest, humorous, and refreshing look back on the experiences of a unique generation and the challenges of growing older in the digital age. *Musings of a Baby Boomer: Life Before X, Y, and Z* is a collection of selected shorts from Hoflander's weekly newspaper column "Full Circle," featuring sometimes funny and sometimes philosophical stories with a continuous theme: the reluctant, but generally happy, aging of the Baby Boomer generation. In this collection, Hoflander tells stories about everything from yard flamingos and college move-in day to battling internet bots. She reflects on the simpler times of her childhood and addresses present-day changes to which, as a baby boomer, she adapts: memory loss, evolving technology, and politics. Through it all, she uses humor and wit to remind readers not to take life too seriously—and to focus on the things that really matter. "This book entails family, friends, and wisdom from the perspective of the baby boomer generation! A great read for all! Delightful." —Teresa Parson, First Lady of Missouri "America needs healing, and instead of destroying our history, perhaps musings from those who have been part of

history can provide a way forward. That is what Kay Hoflander's book offers.” —Lieutenant Colonel Allen B. West (US Army, Retired), Member, 112th U.S. Congress, Former Chairman, Republican Party of Texas “Hoflander has the magical skills to hit upon daily life with humor and understanding . . . For younger readers, this book just may help you better understand your parents or grandparents. It is a book for all generations to enjoy.” —Suzanne Skelly, University of Missouri Graduate Educator, Realtor, Genealogist and life-long Bibliophile

Black & White & Noir Paula Rabinowitz, 2002-06-20 *Black & White & Noir* explores America's pulp modernism through penetrating readings of the noir sensibility lurking in an eclectic array of media: Office of War Information photography, women's experimental films, and African-American novels, among others. It traces the dark edges of cultural detritus blowing across the postwar landscape, finding in pulp a political theory that helps explain America's fascination with lurid spectacles of crime. We are accustomed to thinking of noir as a film form popularized in movies like *The Maltese Falcon*, *The Big Sleep*, and, more recently, Quentin Tarantino's *Pulp Fiction*. But it is also, Paula Rabinowitz argues, an avenue of social and political expression. This book offers an unparalleled historical and theoretical overview of the noir shadows cast when the media's glare is focused on the unseen and the unseemly in our culture. Through far-ranging discussions of the Starr Report, movies such as *Double Indemnity* and *The Big Heat*, and figures as various as Barbara Stanwyck, Kenneth Fearing, and Richard Wright, Rabinowitz finds in film noir the representation of modern America's attempt to submerge and mask its violent history of racial and class antagonisms. *Black & White & Noir* also explores the theory and practice of stilettos, the ways in which girls in the 1950s viewed film noir as a secret language about their mothers' pasts, the extraordinary tone-setting photographs of Esther Bubley, and the smutty aspect of social workers' case studies, among other unexpected twists and provocative turns.
