

# **Los Mitos Que Nos Dieron Traumas Libro Completo Gratis**

**Juan Miguel Zunzunegui**

**El mito de las tres transformaciones** Juan Miguel Zunzunegui, 2019-02-28 «El que controla el pasado controla el futuro, y el que controla el presente es quien controla el pasado.» George Orwell, 1984 La historia no estudia el pasado, lo construye. Toda historia nacional es una mitología, y las mitologías sirven para estructurar la mente de un pueblo. La historia ha sido un arma, una herramienta política, un discurso psicológico, y eso es así porque siempre se ha escrito desde el poder para legitimarlo. Hoy se habla de transformaciones en la historia de México: independencia, reforma y revolución. Todas implicaron guerra, polarización y odio; cada una de ellas generó división y sembró las semillas de los conflictos posteriores. Para transformar a México, hay que tener un cambio colectivo de mentalidad, y con el bien común como premisa indispensable para encontrar la paz. El mito de las tres transformaciones es un paseo a lo largo de la historia y la psicología de nosotros mismos para lograr una verdadera transformación y construir el mejor México posible.

**Locura y razón** Juan Miguel Zunzunegui, 2015-09-18 Las intrigas entre las potencias europeas que luchan por el dominio de México se entrelazan con la carrera imperial de Estados Unidos... Una novela que contiene todos los elementos para convertirse en un éxito de ventas: su historia incluye espionaje, amor, traición, investigación histórica y un final absolutamente inesperado. La implacable búsqueda de la locura amorosa que nos salvará. Elegimos la razón cuando lo que este mundo necesita es un poco de locura, la locura de amar sin medir las consecuencias. En 1913, una artista con amnesia perdida se encuentra en un México marcado por la Decena Trágica; un misterioso periodista español que cubre la inminente guerra europea; una prostituta traficante de información y un enigmático espía alemán que trata de escapar de su doble vida, son los protagonistas de una historia de locura y razón que arrasa con las pasiones y explica la causa de todas las guerras. Las intrigas entre las potencias europeas que luchan por el dominio de México se entrelazan con la carrera imperial de Estados Unidos; los ingleses planean una guerra mundial y los espías alemanes despliegan un ajedrez político para sacar ventaja en el conflicto. En medio de este mundo convulsionado por la guerra, tres individuos logran encontrar la paz en el único lugar donde es posible hallarla: en el interior de ellos mismos. De México a París, de La Habana a Nueva York, del asesinato del archiduque de Austria al estallido de las bombas atómicas en Japón, entre artistas bohemios y agentes secretos,

Locura y razón despliega una narrativa épica, romántica, erótica y vertiginosa; con ella, Juan Miguel Zunzunegui se arriesga en una novela histórica llena de aventuras insospechadas y significados profundos y universales.

*El Evangelio según Luzbel* Juan Miguel Zunzunegui, 2016-08-17 Yo, Luzbel, puedo develarte todos los enigmas del universo, pero tienes que entregarte a mí por completo. Yo te conduciré a través de ese misterio al que llamas existencia, desde la gran explosión hasta el final de los tiempos humanos... Con la fluidez, sencillez y profundidad propias de Juan Miguel Zunzunegui, este libro une toda la sabiduría, todas las mitologías y todas las religiones. Una fábula mística que te contará la historia de todas las cosas. La guerra del Medio Oriente se ha extendido por todo el planeta. Inanna y Támmuz, los últimos sobrevivientes, buscan refugio en una caverna en la que se encuentran con Luzbel, quien los llevará en un viaje para mostrarles los errores cometidos por la humanidad. Recorrerán la historia del Medio Oriente y sus guerras, el origen de los dioses y de los humanos, el interior de la materia, la sabiduría oculta detrás de los mitos, el auge y caída de los imperios, la aventura de la ciencia, la razón de ser del universo, y el misterio de eso a lo que los humanos llaman Dios. Toda la humanidad atraviesa por las páginas de *El Evangelio según Luzbel*: de la antigua Mesopotamia a la revolución industrial, de los mitos de la creación a la física cuántica, de las cruzadas a las guerras mundiales. Buda, Jesús y Muhammad, Galileo, Newton y Einstein, Brahma, Dios y Alá.

**El misterio del águila (Trilogía de la Independencia 1)** Juan Miguel Zunzunegui, 2011-05-01 Una pareja es descubierta en la conspiración contra la corona española en 1799. A punto de morir entregan a su hija Sofía al padre José María Morelos, junto a una medalla de un águila con las alas extendidas. Esta mujer será protagonista de los acontecimientos más importantes de su tiempo. El misterio, la historia y la pasión unidas en una saga trepidante. Una trilogía de aventuras y amor, arrebatadora, tierna, épica... que desmitifica a los grandes héroes históricos de México. El misterio del águila narra una apasionada historia de amor, la de Sofía y Miguel, en plena guerra de independencia. Rivales en sus idealismos y en sus orígenes, viven separados por la contienda, pero la develación de una antigua conspiración jesuita cambia todo: sus enigmáticos linajes, los de Moctezuma y Hernán Cortés, quedan al descubierto. Y ello los unirá... El capitán realista Miguel de Montellano y la hermosa mestiza Sofía Guillén, infiltrada en las tropas insurgentes, deberán superar los obstáculos que los separan; no sólo la confrontación, sino el rencor histórico y social, además de un pasado oculto por el que los jefes del ejército realista están dispuestos a matar. Desde el siglo XVII y hasta la guerra de independencia, una historia de aventuras, misterio, amor, lucha, ideales, conspiración y traiciones nos devela un secreto relacionado con el origen de México que los protagonistas deberán descubrir para lograr unirse, y tal vez poner fin al conflicto...
