

Mistakes Were Made

Danielle Giffort

Mistakes Were Made Meryl Wilsner, 2022-10-11 This blazing-hot forbidden romance manages to sensibly, and compassionately, capture the complexities of starting adult life after college and finding love and your identity in middle age. Cassie and Erin's romance is by turns delightfully raunchy and deeply emotional. This reader hopes Wilsner keeps these scorchers coming. - The Washington Post "[Wilsner writes] erotic yearning in a class all their own." - Entertainment Weekly From Meryl Wilsner, the acclaimed author of *Something to Talk About*, comes *Mistakes Were Made*, a sharp and sexy rom-com about a college senior who accidentally hooks up with her best friend's mom. When Cassie Klein goes to an off-campus bar to escape her school's Family Weekend, she isn't looking for a hookup—it just happens. Buying a drink for a stranger turns into what should be an uncomplicated, amazing one-night stand. But then the next morning rolls around and her friend drags her along to meet her mom—the hot, older woman Cassie slept with. Erin Bennett came to Family Weekend to get closer to her daughter, not have a one-night stand with a college senior. In her defense, she hadn't known Cassie was a student when they'd met. To make things worse, Erin's daughter brings Cassie to breakfast the next morning. And despite Erin's better judgement—how could sleeping with your daughter's friend be anything but bad?—she and Cassie get along in the day just as well as they did last night. What should have been a one-time fling quickly proves impossible to ignore, and soon Cassie and Erin are sneaking around. Worst of all, they start to realize they have something real. But is being honest about the love between them worth the cost? Wilsner proves their serious romance range with a sophomore novel that laughs in the slow-burning face of their debut by kicking off with a hookup that'll have you fanning your face for days. - Buzzfeed "A steaming hot, thoughtful story about all kinds of love, featuring a firecracker of a couple that's impossible not to root for." - Women's Health

Mistakes Were Made (but Not By Me) Third Edition Carol Tavris, Elliot Aronson, 2020-04-28 A NEW EDITION UPDATED IN 2020 • Why is it so hard to say I made a mistake — and really believe it? When we make mistakes, cling to outdated attitudes, or mistreat other people, we must calm the cognitive dissonance that jars our feelings of self-worth. And so, unconsciously, we create fictions that absolve us of responsibility, restoring our belief that we are smart, moral, and right—a belief that often keeps us on a course that is dumb, immoral, and wrong. Backed by decades of research, *Mistakes Were Made (But Not by Me)* offers a fascinating explanation of self-justification—how it works, the damage it can cause, and how

we can overcome it. Extensively updated, this third edition has many recent and revealing examples, including the application of dissonance theory to divisive social issues such as the Black Lives Matter movement and he said/she said claims. It also features a new chapter that illuminates how cognitive dissonance is playing a role in the currently polarized political scene, changing the nation's values and putting democracy itself at risk. "Every page sparkles with sharp insight and keen observation. Mistakes were made—but not in this book!" —Daniel Gilbert, author of *Stumbling on Happiness* "A revelatory study of how lovers, lawyers, doctors, politicians—and all of us—pull the wool over our own eyes . . . Reading it, we recognize the behavior of our leaders, our loved ones, and—if we're honest—ourselves, and some of the more perplexing mysteries of human nature begin to seem a little clearer." —Francine Prose, *O, The Oprah Magazine*

Mistakes Were Made Andrew M Coley,2024-04-21 *Mistakes Were Made* is a raw and unflinching memoir that draws you into the tumultuous life of its author, from early struggles in a divided household to the dizzying heights of entrepreneurial success and the steep falls that followed. This tale is a testament to resilience, showcasing the author's journey through adversity, addiction, and a relentless quest for redemption. Filled with painful honesty and moments of dark humor, it serves as a bloodied canvas for anyone navigating the chaotic waters of life, offering a beacon of hope that strength, empowerment, and compassion can be forged from the most challenging experiences. Whether you are seeking inspiration, understanding, or a compelling story that mirrors the complexities of the human condition, *Mistakes Were Made* promises an unforgettable journey through the eyes of someone who refused to let the past dictate his future.

Mistakes Were Made Holly Day,2025-02-08 Seven years ago, Gael Moore, the love of Ethan Moore's life, walked out on him and their daughter without a second glance. Ethan didn't see it coming, and it made him question everything about himself. They were happily married, or so he'd thought. He believed they'd achieved their dream. Everything was perfect. Until Gael tore his soul apart in only a few seconds. Now their daughter is getting married, and as fathers of the bride, Ethan and Gael will stand united once again. It's for one day only, and Ethan has worked hard on building walls around his heart and appearing unaffected, but he's only half a person without Gael. He doesn't know if he ever can trust him again, and when Gael begs for forgiveness, he's not sure what to do. Will he ever be able to feel whole without him?

Mistakes Were Made Christopher Zadak,2001

The Dieppe Raid Robin Neillands,2005 In 1942, a full two years before D-Day, thousands of men, mostly Canadian troops eager for their first taste of battle, were sent across the Channel in a raid on the French port town of Dieppe. Air supremacy was not secured; the topography of the town and its surroundings - hemmed in by tall cliffs and steep beaches - meant any invasion was improbably difficult; the result was carnage, the beaches turned into killing grounds even as the men came ashore, and whole regiments literally decimated. Why was the Raid ever mounted? Was the whole thing even, as has been darkly alleged, expected and even intended to fail, a cynical conspiracy to prove to the Americans, at the expense of so

many Canadian lives, the impracticability of staging the Normandy landings for another two years? Robin Neillands goes behind the myths to tell what really happened, and why.

Some Mistakes Were Made Kristin Dwyer, 2022-05-10 Sarah Dessen meets Adam Silvera in the debut YA romance everyone is talking about! “A breathtaking tour de force of angst and longing. Heartbreaking, painfully romantic, and deeply human.” —STEPHANIE GARBER, #1 bestselling author of *Caraval* “A novel you can make yourself at home in, with characters so real it feels like you’ve known them for ages.” —JENNA EVANS WELCH, bestselling author of *Love & Gelato* “This book comes with its own aching heartbeat. Be forewarned, it’s stronger than it looks.” —STACEY LEE, award-winning author of *The Downstairs Girl* Ellis and Easton have been inseparable since childhood. But when a rash decision throws Ellis’s life—and her relationship with Easton—into chaos, she’s forced to move halfway across the country, far from everything she’s ever known. Now Ellis hasn’t spoken to Easton in a year, and maybe it’s better that way; maybe eventually the Easton-shaped hole in her heart will heal. But when Easton’s mom invites her home for a visit, Ellis finds herself tangled up in the web of heartache, betrayal, and anger she left behind . . . and with the boy she never stopped loving.

Mistakes Were Made Meryl Wilsner, 2022-10-11 The good news: she likes someone. The bad news: it's her best friend's mum. From the critically acclaimed author of *Something To Talk About* comes a sharp and sexy rom-com about a college senior who accidentally hooks up with her best friend's mom. When college senior, Cassie, spends her Friday evening at an off-campus bar, she isn't looking for a hook-up - it just happens. Buying a drink for a stranger turns into what should be an uncomplicated, amazing one-night stand. But then the next morning rolls around and her friend drags her along to meet her mum . . . who turns out to be the hot, older woman Cassie just slept with. Erin was meant to spend the weekend getting closer to her daughter, not having a one-night stand. But despite her better judgement, Erin and Cassie get along in the day just as well as they did last night. What should have been a one-time fling quickly proves impossible to ignore, and soon Cassie and Erin are sneaking around. Worst of all, they start to realize they might really have something real. But is being honest about the love between them worth the cost? Why readers love *Mistakes Were Made* . . . 'A vibrant, intoxicating romance' Ashley Herring Blake 'Sexy and compelling, reading it is like being in on the most tantalizing secret' Dahlia Adler 'Both undeniably sexy and incredibly sweet. The story overflows with warmth, friendship and humour' Olivia Dade 'Deeply sweet: a story of how love can, and should, transcend societal expectations' Anita Kelly 'You'll fall in love while rooting for this sexy, forbidden, and adorable love story' Denise Williams 'Kick[s] off with a hook-up that'll have you fanning your face for days' BuzzFeed, '26 Highly Anticipated LGBTQ+ Romance Novels Releasing In 2022

Mistakes Were Made (but Not by Me) Carol Tavris, Elliot Aronson, 2008 Two distinguished psychologists look at the role of self-justification in human life, explaining how and why we create fictions that absolve us of responsibility and restore our belief in our intelligence, moral rectitude, and correctness; assess the potential repercussions of such a course of action;

and reveal how it can be overcome. Reprint.

Report of the Congressional Committees Investigating the Iran/Contra Affair Lee H. Hamilton, Daniel K. Inouye, 1995-11 Contents: The Report: executive summary; Central America; the arms sales to Iran; exposure and concealment; the enterprise; conclusions and recommendations. Current Research in Applied Linguistics Teresa Fanego, Evelyn Gandón-Chapela, Paula Rodríguez-Puente, 2014-06-26 This volume offers a representative selection of the papers presented at the Third ELC International Postgraduate Conference on Language and Cognition (ELC3), held in Santiago de Compostela, 21-22 September 2012. The book is structured into four parts. Part I comprises syntactic studies on the auxiliary verb *get* in Indian English, the grammar of verbs capable of occurring with or without an object in Contemporary English, and isolated *if*-clauses. Part II includes two papers dealing with word formation patterns and with crosslinguistic influences on motion expression in English and Spanish. The studies in Part III discuss topics related to second language acquisition, such as the difficulties encountered by Spanish speakers in learning English pronunciation, verbal morphology production by Japanese learners of English, and the effects of elicitation on students' production of English past tense forms. The papers in Part IV revolve around discourse analysis and psycholinguistics, addressing topics such as automatic sentiment detection, perspectival construal patterns in language and cognition, and the effect of emotional valence on disambiguation processes.

Acid Revival Danielle Giffort, 2020-07-21 A vivid analysis of the history and revival of clinical psychedelic science. Psychedelic drugs are making a comeback. In the mid-twentieth century, scientists actively studied the potential of drugs like LSD and psilocybin for treating mental health problems. After a decades-long hiatus, researchers are once again testing how effective these drugs are in relieving symptoms for a wide variety of psychiatric conditions, from depression and obsessive-compulsive disorder to posttraumatic stress disorder and substance addiction. In *Acid Revival*, Danielle Giffort examines how this new generation of researchers and their allies are working to rehabilitate psychedelic drugs and to usher in a new era of psychedelic medicine. As this team of researchers and mental health professionals revive the field of psychedelic science, they are haunted by the past and by one person in particular: psychedelic evangelist Timothy Leary. Drawing on extensive archival research and interviews with people working on scientific psychedelia, Giffort shows how today's researchers tell stories about Leary as an "impure" scientist and perform his antithesis to address a series of lingering dilemmas that threaten to rupture their budding legitimacy. *Acid Revival* presents new information about the so-called psychedelic renaissance and highlights the cultural work involved with the reassembly of dormant areas of medical science. This colorful and accessible history of the rise, fall, and reemergence of psychedelic medicine is infused with intriguing narratives and personalities—a story for popular science aficionados as well as for scholars of the history of science and medicine.
