Through Rose Colored Glasses / Poems Daniel Abdal-Hayy Moore,2008-04-07 THROUGH ROSE COLORED GLASSES is a book of visionary poems mindful of the story of Sayyedina 'Isa (Jesus), peace be upon him, who one day passed by a decaying dog carcass in the road with his companions, and replied, when they complained at how rank it smelled, Yes, but its teeth are beautiful! We can live our lives in misery seeing only the miserable aspects of this often grindingly difficult existence, or in peace seeing the beauteous and majestic Handprint of The Divine Reality in everything. These often ecstatic poems, mindful of the former, prefer the latter for their inspiration and their goal.

Black Stats Matter Philip Lee,2023-08-24 For more than half a century, Black baseball players, barred from the Major Leagues by systemic racism, competed in leagues of their own. This book re-interprets the history of race in baseball from the ground up. It tells the story of how the Major Leagues became the Caucasian Leagues, and names the person most responsible for their segregation; showing how Major League owners and executives tried to delay and even prevent integration; and proving, using a broad range of methods, that Negro League players were every inch the equals of their Major League counterparts. Cherished records held by white players since the days of segregation are shown to belong rightfully to Negro League superstars. This book takes a fresh look at a subject that's both straight from today's headlines and as old as baseball itself.

Insight Tasha Eurich,2017-05-02 Learn how to develop self-awareness and use it to become more fulfilled, confident, and successful. Most people feel like they know themselves pretty well. But what if you could know yourself just a little bit better—and with this small improvement, get a big payoff...not just in your career, but in your life? Research shows that self-awareness—knowing who we are and how others see us—is the foundation for high performance, smart choices, and lasting relationships. There's just one problem: most people don't see themselves quite as clearly as they could. Fortunately, reveals organizational psychologist Tasha Eurich, self-awareness is a surprisingly developable skill. Integrating hundreds of studies with her own research and work in the Fortune 500 world, she shows us what it really takes to better understand ourselves on the inside—and how to get others to tell us the honest truth about how we come across. Through stories of people who have made dramatic gains in self-awareness, she offers surprising secrets, techniques and strategies to help you do the same—and how to use this insight to be more fulfilled, confident, and successful in life and in work. In *Insight*, you'll learn: • The 7 types of self-knowledge that self-aware people possess. • The 2 biggest invisible roadblocks to self-awareness. • Why approaches like therapy and journaling don't always lead to true insight • How to stop your confidence-killing habits and learn to love who you are. • How to benefit from mindfulness without uttering a single mantra. • Why other people don't tell you the truth about yourself—and how to find out what they really think. • How to deepen your insight into your passions, gifts, and the blind spots that could be holding you back. • How to hear critical feedback without losing your mojo. • Why the people with the most power can often be the least-self-aware, and how smart leaders avoid this trap. • The 3 building blocks for self-aware teams. • How to deal with delusional bosses, clients, and coworkers.

The Southpaw , 2003-01-01 *The Southpaw* is a story about coming of age in America by way of the baseball diamond. Lefthander Henry Wiggen, six feet three, a hundred ninety-five pounds, and the greatest pitcher going, grows to manhood in a right-handed world. From his small-town beginnings to the top of the game, Henry finds out how hard it is to please his coach, his girl, and the sports page?and himself, too?all at once. Written in Henry's own words, this exuberant, funny novel follows his eccentric course from bush league to the World Series. Although Mark Harris loves and writes tellingly about the pleasures of baseball, his primary subject has always been the human condition and the shifts of mortal men and women as

they try to understand and survive what life has dealt them. ø This new Bison Books edition celebrates the fiftieth anniversary of the publication of *The Southpaw*. Notes From the Brink Jeff Robbins, An America not merely fractured but altogether splintered by extremism, hyperpartisanship, unprecedented vitriol and widespread disdain for democracy. A world order threatened by autocracies, and a Europe threatened by a tyrant demonstrably ready to conquer territory by force. A Mideast taken hostage by genocidal terrorist enterprises funded by Iran, long adjudged the world's foremost state sponsor of terror. And that's just for starters. For Americans struggling to keep up with a 24/7 cycle of news—or what purports to be news—it feels as though we are on the brink. And it feels that way because we are. *Notes From the Brink* is a collection of columns written from 2019 through early 2024 by syndicated columnist Jeff Robbins, a nationally recognized First Amendment attorney and a former United States Delegate to the United Nations Human Rights Council. The columns are by turns forceful, exasperated, outraged, incredulous, ironic and passionate. They have in common an appeal to good sense and basic decency in the belief that sense and decency are at least a starting point for pulling us all back from the brink.
