What Happens When You Die?, Second Edition Clement C. Butler, 2021-04-19 What happens when you die? Indeed, this is an age-old question answered with a plethora of opinions. However, through careful study of the Word of God, this book offers a comprehensive response to this question from a fundamental biblical perspective. It begins by offering a full description of our composition as human beings, which consists of body, soul, and spirit, explaining what happens to each component upon death. It offers a detailed explanation of the first and second death, the first and second resurrection, and those who are involved in each one. Additionally, it addresses the popular teaching of mansions in heaven, along with the eternal destination of all believers. The book also includes a discussion on heaven and hell offering scriptural clarity on these two realms. Finally, a selection of common narratives in Scripture related to the subject of death are discussed such as the rich man and Lazarus and where Jesus went when He died.

The Five-Fold Ministry Gifts Clement C. Butler, 2021-04-09 Why does the Lord appoint apostles, prophets, evangelists, pastors, and teachers to the church? Ephesians 4:12 says they are bestowed for the perfecting of the saints, the work of the ministry, and to edify the body of Christ. However, these three objectives are best understood in the context of God's purpose. His purpose provides the "why" for understanding the five-fold ministry gifts or the gifts of Christ. From before the foundation of the world, the Father predetermined spiritual blessings in Christ for all humanity. In essence, His purpose is one of unity. The blessings outlined in Ephesians Chapter 1 says that He chose humanity to be His sons, who would share His very nature and be like Him. In short, the Father's simply wanted a family born of His nature, who would reflect His character, and on whom He could bestow an eternal inheritance. Therefore, the gifts of Christ exist in accordance with this purpose. Indeed, each gift has individual responsibilities but collectively, they serve to bring the entire body of Christ into

maturity—a unified body that manifests the Father’s glory or character. The gifts exist to fulfill the purpose that the Father predetermined from before the foundation of the world. This book discusses all these elements in detail and brings the Father’s purpose for the church into perspective in relation to the gifts.

Are There Really Mansions in Heaven?, Second Edition Clement C. Butler, 2021-04-19 Are there really mansions in heaven? In John 14:2-3 Jesus said, “In my Father’s house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also”? What specifically was Jesus referring to in this passage? In answering these questions, this book not only offers the proper context of John Chapter 14, but it does so based on the context of the entire gospel of John. Undoubtedly, the concept of mansions in heaven is one of the long-held beliefs of the church. Promoted by teachings and songs, it has become the eternal hope of many believers. However, I am certain that through reading this book, what has been traditionally believed and accepted will be replaced with a message that is far more substantial. One that is established on the Father’s original purpose for humanity.

A Dark Direction Pastors Rob T. Lewis, Alice L. Lewis, 2023-02-09 This is a book written so people could get to know more about who Cain was, as most only know him as the man who killed his brother Abel. The book engages in a plausible forensic study of Cain's character and explores his humanity. This study is not dogmatic but provides probability to help determine who he may have been and how his life has impacted many. The writers used Scriptures to aid in mapping a possible psyche which led to the following questions: Was there a sibling rivalry? Was there possible animosity or jealousy? What was his childhood like, and how did he relate to his other siblings? Most importantly, what kind of relationship did he

have with his twin brother, Abel? This book is not written as a rewrite of biblical Scripture or to create sympathy for Cain but written to explore his conceivable personality. Here is the case for Cain. You be the judge.

Freedom, Second Edition Clement C. Butler, 2021-04-19 What is God's perspective regarding women in ministry? Is gender a deciding factor in determining leadership roles in the body of Christ? Should women be silent in the churches? The answer to these questions along with many more regarding women in ministry are adequately addressed in this book. Without question, the subject of women in ministry continues to draw mixed conclusions across a broad spectrum of people. However, this book uses the proper context of Scripture to offer the true perspective concerning this provocative topic. Based on study, discussions, and inquiries, I truly believe this book is a comprehensive offering regarding the subject. I am persuaded that after reading this book, the outcome will be one thing: Freedom!

The Great Sign The Key to Unlocking Biblical End Times Prophecy, the Rapture of the Church, and Tribulation Period James L. Koontz, 2014-07-31 The latest craze in Bible prophecy is the four blood moons and the Lord's feast days. No doubt these are important biblical signposts. However, these signposts do not provide the all-important context of relating to the timing of any specific biblical event (i.e., rapture of the church, Antichrist signing the seven-year covenant with Israel) and what do the four blood moons mean with regard to being a harbinger or heralding a significant event in Israel's history. In this riveting book, James Koontz examines what the great sign means with regard to providing context for the four blood moons and the Lord's fall feasts. Since Christ's resurrection and ascension, the all important question for His disciples and for many of us now is when is Christ coming back for His bride? Additionally, when will the Antichrist sign the peace covenant with Israel, when will the great tribulation begin, and when will Christ's second coming be? These are all very important questions that the great sign helps us understand, being the key to unlocking Bible prophecy in our time.

Concise Lexicon to the Biblical Languages Jay P. Green, Robinson Maurice, Dr Maurice Robinson, 2007-01-25 Now for the first time the Bible students will have a lexicon/dictionary with every one of the original 8,674 Hebrew words, and also every one of the 5,624 Greek words of the Scriptures included in it.. For ninety-five out of the hundred times the Bible student, preacher, Bible class teacher, or the host of God's saints who study to show themselves workmen unashamed (2 Tim. 2:15), this quick reference, easy-to-use lexicon is a jewel. You will literally wear it out, using it weekly, if not daily. The words are alphabetical in order. This is important with the Hebrew words in particular. For the most used Hebrew lexicon is the Brown-

Driver-Briggs Hebrew-Aramaic Lexicon. And one must know the root word to look up Hebrew entries in that lexicon, or else they must have a multi-paged index to it. This brief lexicon can even be used instead of the Brown-Driver Briggs Lexicon in most cases when anyone desires a quick reference to the grammatical construction and the meaning of a word. For the fact is, this lexicon is an abbreviated edition of the Brown-Driver Briggs Lexicon, most of the information coming from that great work. Yet this little lexicon contains more information than can be found in B-D-B. Proper names appear in alphabetical order, often with their meanings. Derivation of words is given. More grammatical information is given than is in the larger lexicon. The Greek section also provides coding to Strong's Exhaustive Concordance, and it gives page references to Thayer's Greek-English Lexicon, Arndt-Gingrich Greek-English Lexicon, and, Kittel's Theological Dictionary. The reader will learn to appreciate these quick and easy references by use of the Arabic numbers in numerical order, coupled with the original language. This handy, quick study tool will revolutionize study of the Bible, saving a multitude of hours of study, yet providing comprehensive information not available in any other existing volume. The savings in time alone is enough to recommend this handy little lexicon. The fact that it contains both the Hebrew-Aramaic words and the Greek words in a single easy-to-access volume is a time-saver not to be found in any other book (it appears that no previous book has contained both the 8,674 Hebrew words and the 5,624 Greek words, with their meanings, and other items of information, which the student of either language can use with ease.) Maurice A. Robinson (PhD) is Associate Professor of Greek at Southeastern Baptist Theological Seminary in Wake Forest, South Carolina. Jay P. Green, Sr. (1918-) is Translator and Editor of The Interlinear Hebrew-Greek-English Bible and the translator of the Modern King James Version of the Holy Bible, the Teenage Version of the Holy Bible, the Literal translation of the Holy Bible and the KJ3-Literal Translation Bible. He has written numerous books on textual criticism.

The Power of the Original Church Joseph L. Green, 2011-06-21 For too long God's enemy has effectively separated the

Church from the true Word of God and God's appointed times. This has caused the Church to lack power and influence. Modern-day churches are shells of the original Church that turned the world upside down. The Power of the Original Church practically and biblically deals with the tragedy of how today's churches are not as effective as they could be. You may ask, "Why should I care?" Until believers care about how powerful the Church is in their community and nation, the enemy will continue to take more and more souls from Heaven's gates. You may not recognize your surroundings in the future if Christians don't take a stand now. God's way is about relationship and not religion. Through the Word of God you will be empowered, and truly the original Church can be restored in these days.

An Exposition of the Book of Revelation Odell Furtick Jr., 2018-03-23 Odell Furtick begins this exposition by saying, Do you believe? Its a question that everyone must answer personally. Its been over two thousand years since anyone has seen Jesus on earth after his ascension, and now the believers are told to wait for his return. Has humanity grown weary in their belief and lost faith in the promises of God? Dr. Furtick leads his readers through the book of Revelation verse by verse, reassuring the readers that Gods final words are reliable and precise. The book of Revelation is one of the most neglected books in the Bible because of fear and lack of comprehension of its apocalyptic writings and prophetic symbols. This book brings to life a concise knowledge of the mysteries of God concealed in the Old Testament and revealed in the Revelation of Jesus Christ. The book of Revelation is relevant in the twenty-first century, and the world should believe the testimony of the apostle John and believe all the sayings written in the Word of God.
