**Michael Jean Nystrom-Schut**

Today Is... a Gift from God Tony Casson, 2019-01-19 TODAY IS....A Gift From God is a book that, at first glance, might be perceived as 'just' another book of daily thoughts, meditations, and devotions. While it certainly contains those things, close examination will reveal it for what it truly is: It is a record of the relationship that developed between God and the author following a nearly successful suicide attempt, and subsequent 4 year incarceration in federal prison. TODAY IS....A Gift From God has taken all of the missteps, mistakes, tragedies, pain, joy, good decisions, and bad decisions of the author's life and turned them all over to God who then handed them back to the author one at a time in the form of daily messages for others to use to help them live, and enjoy, each new day that God gives us. It is a very personal work in which the author tries to demonstrate that we are never too old to ask God to help us, to forgive us, and to change our lives. TODAY IS....A Gift From God is intended to befriend those who pick it up and make it a part of their lives, to be there for them when guidance is needed, to light a path for them to follow, and to help each one of them make the most of each and every day. Although this book contains a message for each day of the year, it is written in a 'perpetual' style, enabling each reader to draw upon it for comfort, guidance, and thought-provoking meditation for years to come, and it is my hope and prayer that it will serve each person in that way.

*The Weakness of God* John D. Caputo, 2006-04-27 The author of *What Would Jesus Deconstruct?* makes “a bold attempt to reconfigure the terms of debate around the topic of divine omnipotence” (Choice). Applying an ever more radical hermeneutics—including Husserlian and Heideggerian phenomenology, Derridian deconstruction, and feminism—John D. Caputo breaks down the name of God in this irrepressible book. Instead of looking at God as merely a name, Caputo views it as an event, or what the name conjures or promises in the future. For Caputo, the event exposes God as weak, unstable, and barely functional. While this view of God flies in the face of most religions and philosophies, it also puts up a serious challenge to fundamental tenets of theology and ontology. Along the way, Caputo’s readings of the New Testament, especially of Paul’s view of the Kingdom of God, help to support the “weak force” theory. This penetrating work cuts to the core of issues and questions—What is the nature of God? What is the nature of being? What is the relationship between God and being? What is the meaning of forgiveness, faith, piety, or transcendence?—that define the terrain of contemporary philosophy of religion. “Caputo comes out of the closet as a theologian in this work.” —Catherine Keller, Drew University

“Caputo has a gift for explaining Continental philosophy’s jargon succinctly and accurately, and despite technical and foreign terms, this book will engage upper-level undergraduates. Includes scriptural and general indexes . . . Highly recommended.”  
—Choice

In this uplifting devotional, Bengtson helps you make each day a good day no matter what is going on in your life. Each reading includes Scripture, reflection, prayer, and a recommended playlist song designed to help you live out Philippians 4:8: Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable--if anything is excellent or praiseworthy--think about such things. Because our thoughts determine our beliefs, our beliefs determine our attitudes, and our attitudes determine our behaviors.

**From the Pulpit to the Streets** Clarence Talley, Clarence Talley Sr., 2012-04 When God's Word is hid in our heart, it makes it hard for the devil to wage war in our minds. A Word-filled heart will empower hands to do right, eyes to see right, feet to walk right, ears to hear right, and minds to think right. The heart is the dressing room for words and emotions, which in turn are acted out on the stage of life. Dr. Clarence Talley, Sr. offers these golden nuggets of wisdom to those who are seeking the truth that can only be found in God's Word. Talley contends that life must be faced with a power that is beyond anything man possesses. That power is found only in God's Word. It is His wisdom personified in Jesus Christ that safeguards us from the wiles of the devil. Without wisdom we cannot handle life. Life will handle us. It will beat us up. It will push us over. It will subdue our efforts. As a result, we need Godly wisdom: wisdom to understand ourselves, wisdom to build better families, wisdom to get along with others, wisdom to handle our personal finances, wisdom to handle emotional ups and downs, and wisdom to live holy lives. Between the following pages lie golden nuggets of wisdom that will benefit the soul, spirit, and body. Access them, download them, and put them to use. Golden nuggets of wisdom

**Earth School** Michael Jean Nystrom-Schut, 2025-01-31 Earth School is a follow-up to a book written by Michael some 35 years ago named Earth Dwelling – An Owner's Manual. That book covered his overall World View at the time, being his "then" rendition of Life on Earth, as this book, Earth School, is his "now" account of earth life. Earth School discusses our purposes for being here on this planet, breaking down matters in the four (4) primary balanced aspects of life – the Mental, the Physical, the Social and the Spiritual. A fifth section is included that involves the subject of World View or Personal World Philosophy. Then, in section six, a short Index of topics is provided. This quarter million-word manuscript was over two years in the making, representing the most recent rendition of Michael's interpretation of life as he sees it. As one's evolution of thought is ongoing, it is thus just one more chapter in a long book of life that Michael has been writing.

**The Sheed and Ward Anthology of Catholic Philosophy** James C. Swindal, Harry J. Gensler, 2005-09 The Sheed & Ward Anthology of Catholic Philosophy is a thorough introduction to the evolution of Catholic philosophy from Biblical times to the present day. The first comprehensive collection of readings from Catholic philosophers, this volume aims to sharpen

the understanding of Catholic philosophy by grouping together the best examples of this tradition, both well-known classics and lesser-known selections. The readings emphasize themes integral to the Catholic tradition such as the harmony of faith and reason, the existence and nature of God, the nature of the human person and the nature of being, and the objectivity of the moral law. Each reading includes a brief introduction and is historically placed within five major groups-1) Preliminaries, including readings from the Bible, Plato and Aristotle, 2) The Patristic Era, selections from Aristides to Boethius, and a heavy focus on Augustine, 3) The Middle Ages, readings from the early Moslem and Jewish thinkers to William of Ockham, with an emphasis on Aquinas, 4) The Renaissance through the Nineteenth Century, including Suarez, Descartes, Pascal, Newman, and Pope Leo XIII, and 5) The Twentieth Century and Beyond, including Maritain and Lonergan, Blondel and Marcel, Geach and Rescher, and others like Chesterton and Teilhard. -

*God's Workmanship* Rev. Charles Paisley,

**IS THE GIFT OF PROPHECY FOR TODAY?** F. David Farnell,2019-01-07 In the first century A.D., miraculous gifts occurred with the baptism with the Holy Spirit. These served as signs that God was no longer using the Israelite nation but that his approval now rested on the Christian church, which had been established by his Son. (Heb 2:2-4) On the day of Pentecost, miraculous gifts followed the outpouring of the Holy Spirit, and in each case mentioned in the New Testament where the miraculous gifts of the Spirit were given, at least one of the 12 apostles or Paul was present. (Ac 2:1, 4, 14; 8:9-20; 10:44-46; 19:6) With the death of the apostles, the transmittal of the gifts of the Spirit ended. Did the miraculous gifts of the Spirit cease? Is the gift of prophecy for today? It is imperative that we know the correct answer to that question.
