*Pathological* Henry J. Cordes, Todd Cooper, 2018-12-18 A horrific account of the murders, investigation, and trial of the serial killer doctor known as the "Creighton Killer." "A powerful and compelling story."—The Haunted Reading Room Detective Derek Mois wasn't sure what he was dealing with when in March 2008 he walked into a home in an affluent Omaha neighborhood and was confronted with the bodies of an 11-year-old boy and the housekeeper. Both had been murdered with kitchen knives plunged into their throats. Who would do something so vile—and why? Lacking answers, Mois and other

detectives working the case were stumped. Five years later, a strikingly similar crime occurred in which two more victims were brutally murdered with knives expertly thrust into their jugular veins. The modus operandi of the murders pointed Mois and a special task force in the direction of looking for a serial killer. But no one could have anticipated that path would lead to the Department of Pathology at Creighton University. In *Pathological: The Murderous Rage of Dr. Anthony Garcia*, authors Henry J. Cordes and Todd Cooper, who covered the story for the Omaha World-Herald, recount the dramatic tale of deep-seated revenge, determined detectives, and the sensational trial of the doctor-turned-serial killer.
