

# An Introduction To The Old Testament

**Prof. Walter Brueggemann, Prof. Bruce C. Birch, Prof. Terence E. Fretheim, David L. Petersen**

An Introduction to the Old Testament Raymond B. Dillard, Tremper Longman, 1994 This companion textbook to Carson, Moo, and Morris's acclaimed Introduction to the New Testament puts intellectual muscle into Old Testament study.

**An Introduction to the Old Testament** Charles Henry Hamilton Wright, 1890

**An Introduction to the Old Testament, Third Edition** Walter Brueggemann, Tod Linafelt, 2021-01-05 In this updated edition of the popular textbook An Introduction to the Old Testament, Walter Brueggemann and Tod Linafelt introduce the reader to the broad theological scope of the Old Testament, treating some of the most important issues and methods in contemporary biblical interpretation. This clearly written textbook focuses on the literature of the Old Testament as it grew out of religious, political, and ideological contexts over many centuries in Israel's history. Covering every book in the Old Testament (arranged in canonical order), the authors demonstrate the development of theological concepts in biblical writings from the Torah through postexilic Judaism. Incorporating the most current scholarship, this new edition also includes concrete tips for doing close readings of the Old Testament text, and a chapter on ways to read Scripture and respond in light of pressing contemporary issues, such as economic inequality, racial and gender justice, and environmental degradation. This introduction invites readers to engage in the construction of meaning as they venture into these timeless texts.

*An Introduction to the Old Testament* Edward J. Young, 1984 This is a print on demand book and is therefore non-returnable. A scholarly conservative study of the literary characteristics of the books of the Old Testament. Young argues for the inner harmony and underlying unity of the literary units that make up the Old Testament. Includes special bibliographies for each chapter, a general bibliography, and three indexes.

**Introduction to the Old Testament** J. Alberto Soggin, 1989-01-01 This volume, a part of the Old Testament Library series, provides an introduction to the Old Testament. The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.

*An Introduction to Old Testament Study* John Haralson Hayes, 1979 Beginning students interested in an introduction to, and a limited history of, Old Testament study will value this well-organized and lucidly written book.

*The World and the Word* Eugene H. Merrill, Mark F. Rooker, Michael A. Grisanti, 2011 Three esteemed Old Testament professors introduce students to the first eighty percent of the Bible--freshly illuminating the text as a rich source of theology and doctrine packed with practical principles for modern times.

**An Introduction to the Old Testament** Friedrich Bleek, Johannes Friedrich Bleek, 1875

**An Introduction to the Old Testament Historical Books** David Howard Jr., 2007-08-01 Rich rewards await readers who dig deep into the historical books of the Old Testament. Incredible events, amazing love stories, larger-than-life personalities and deep theological implications and themes are just part of the treasure that awaits readers of Joshua, Judges, Ruth, 1 & 2 Samuel, 1 & 2 Kings, 1 & 2 Chronicles, Ezra, Nehemiah, Esther. These books tell the story of the nation of Israel and the God who loves her, punishes her, and always brings this recalcitrant people back to Himself. It is really the story of all of us. David M. Howard Jr. provides an in-depth introduction to the Old Testament historical books, focusing first on the overarching themes of historical narrative in general. He then turns his attention to each book. From the conquest of Canaan to the fall of Jerusalem, from war to peace and back to war, from kings and queens to farmers and housewives--David Howard covers it all in this invaluable introduction to the Old Testament historical books.

**An Introduction to the Bible** J. W. Rogerson, 2014-09-12 A casual reader enters a bookshop looking for a Bible. However, not all the Bibles on display have the same contents! Some have more books than others, some are study editions, some use gender-free language. How did this come about? This Introduction works back through the processes by which the Bible was written, transmitted, copied and declared to be authoritative by various churches. The following topics are dealt with: What is the Bible?; How Biblical Writers Wrote; The Making of the Old Testament; The Making of the Apocrypha; The Making of the New Testament; The Canon of the Bible; The Study of the Bible; The Use of the Bible in Social, Moral and Political Questions. This updated edition takes account of developments in scholarship since the book was first published in 1999 by Penguin. The original edition has been translated into Spanish and Portuguese.

**An Introduction to the Old Testament** John Goldingay, 2015-10-01 Enter the classroom of John Goldingay, one of today's premier biblical interpreters, and begin the adventure of exploring the Bible's First Testament. More workbook than handbook, this refreshing introduction to the Old Testament outfits you with basic knowledge, points out the main approaches, outlines the primary issues and then sets you loose to explore the terrain for yourself.

**Reading the Old Testament** Lawrence Boadt, Richard J. Clifford, Daniel J. Harrington, 2012 Daily life in Ancient Israel - Great prophets including, Hosea, Amos, Isaiah - People and lands of the Old Testament.

**An Introduction to the Old Testament Pentateuch** Herbert Wolf, 2007-07-01 The Pentateuch--Genesis, Exodus, Leviticus, Numbers, Deuteronomy--are the vital first books in the Bible. Understanding the scope, meaning, and events of these five books is integral to understanding the whole of Scripture that follows. Old Testament expert Herbert Wolf provides

layreaders and scholars alike with a strong undergirding of understanding and knowledge in this introduction that reveals both the seriousness and excitement of the Pentateuch. Readers will find Adam, Abraham, Joseph, Moses and Joshua in these pages, as well as terrible sin and glorious forgiveness, bloody sacrifices and battles, deadly betrayal and life-giving hope. Wolf first addresses the overarching themes that flow through the Pentateuch, with special attention given to Moses as author of the five books. He then addresses each book specifically, covering topics such as purpose and scope, and literary structure. He tailors additional study to each specific book. This book contributes significantly to a clear, deep understanding of the Bible's first five books.

**A Theological Introduction to the Old Testament** Prof. Walter Brueggemann, Prof. Bruce C. Birch, Prof. Terence E. Fretheim, David L. Petersen, 2011-12-01 This book has become a standard text in seminary and university classrooms. The purpose of this second edition is to help readers come to a critically informed understanding of the Old Testament as the church's scripture. This book introduces the Old Testament both as a witness of ancient Israel and as a witness to the church and synagogue through the generations of those who have passed these texts on as scripture. The authors of this volume share a commitment to the interpretation of the Old Testament as a central resource for the life of the church today. At the same time, they introduce the Old Testament witness in a manner that honors the importance of biblical scholarship in helping students engage the variety of theological voices within the Old Testament. This second edition gives special attention to deepening and broadening theological interpretations by including, for example, issues related to gender, race, and class. It also includes more detailed maps and charts for student use.

**An Introduction to the Old Testament** Friedrich Bleek, Johannes Friedrich Bleek, 1875

An Introduction to the Old Testament Poetic Books C. Hassell Bullock, 2007-09-01 The poetic books of the Old Testament--Job, Psalms, Proverbs, Ecclesiastes, Song of Solomon--are often called humankind's reach toward God. The other books of the Old Testament picture God's reach toward man through the redemptive story. Yet these five books reveal the very heart of men and women struggling with monumental issues such as suffering, sin, forgiveness, joy, worship, and the passionate love between a man and woman. C. Hassell Bullock, a noted Old Testament scholar, delves deep into the hearts of the five poetic books, offering readers helpful details such as hermeneutical considerations for each book, theological content and themes, detailed analysis of each book, and cultural perspectives. Hebrew is a language of intrinsic musical quality that naturally supports poetic expression, says Bullock in his introduction. That poetic expression comes from the heart of the Old Testament writers and reaches all of us exactly where we are in our own struggles and joys.

An Introduction to the Old Testament Edward Joseph Young, 1966

*An Introduction to the Old Testament* Johann Jahn, 1827

**Introducing the Old Testament** Tremper Longman III, 2012-07-03 A quick, on-the-ground guide to the Old Testament

of the Bible. This rich and practical handbook—an abridged edition of the bestselling book *An Introduction to the Old Testament*—makes Old Testament scholarship accessible to the everyday reader. Renowned Bible scholar Tremper Longman III gathers the best in historical research and literary analysis to lead you through each book of the Old Testament—from Genesis to Malachi. Most significantly, Longman explores the meaning of each book in light of its cultural setting. Features include: A chapter on each book of the Old Testament with orientating data on what that book is about, key points to understand, when and why it was written, and references to key passages. A section in each chapter about how that book of the Bible anticipates the Gospel. End-of-chapter questions for group discussion or personal reflection. A bibliography of further resources. Introducing the Old Testament makes the words, history, and culture of biblical times come alive for readers. Laypersons as well as church leaders will gain a solid understanding of the historical background and theological message of the Old Testament and be inspired to apply biblical truths to their lives.

**The Old Testament in the New: An Introduction** Steve Moyise, 2015-09-24 Steve Moyise provides an accessible and well-informed introduction to the Old Testament in the New Testament. Tried and tested in previous editions, it explores the basic issues and offers summaries of the uses of the Old Testament in the Gospels and Acts, in Paul and Hebrews, James, and Revelation. Issues of quotation, allusion and echo are fully explored and placed sensitively in the context of the differing approaches to the interpretation of Old Testament texts. Readers are informed of contemporary debates that have arisen from literary criticism, such as the questions of intertextuality and the uses of allegory. Also discussed are the uses of the Bible in the first century. For the second edition two entirely new chapters on 'Jesus and Scripture' and 'James and 1-3 John' have been added, as well as full revisions to the text where necessary to take account of changes and developments in scholarship. Each chapter includes a summary-conclusion, and extensive and detailed suggestions for further reading. This is an ideal textbook for undergraduate students.

The Enigmatic Realm of **An Introduction To The Old Testament**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. ### **An Introduction To The Old Testament Introduction**

In today's digital age, the availability of An Introduction To The Old Testament books and manuals for download has

revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of An Introduction To The Old Testament books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of An Introduction To The Old Testament books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing An Introduction To The Old Testament versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, An Introduction To The Old Testament books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics.

Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing An Introduction To The Old Testament books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for An Introduction To The Old Testament books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, An Introduction To The Old Testament books

and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of An Introduction To The Old Testament books and manuals for download and embark on your journey of knowledge?

### **FAQs About An Introduction To The Old Testament Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.

How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. An Introduction To The Old Testament is one of the best book in our library for free trial. We provide copy of An Introduction To The Old Testament in digital format, so the resources that you find are reliable. There are also many Ebooks of related with An Introduction To The Old Testament. Where to download An Introduction To The Old Testament online for free? Are you looking for An Introduction To The Old Testament PDF? This is definitely going to save you time and cash in something you should think about.
