

# Bajo La Misma Estrella Para Imprimir

## N Noddings

*La estrella errante* Félix Duque, 1997-04-04 La obra constituye una fenomenología del destino de la cultura occidental, frente al fin de siglo, intentando extraer una lógica de nuestra situación a partir del estudio cuidadoso de un movimiento: el Romanticismo. Auscultando los anhelos, nostalgias y esfuerzos de un puñado de individuos que anduvieron errantes por el mapa convulsionado de una Europa entre dos guerras, la revolucionaria-napoleónica y la Primera Guerra Mundial, se trata de entresacar una tipología de la “falta”, o sea: de los residuos que la máquina tecnocientífica del estado-nación nunca pudo asimilar ni reciclar, por más que lo intentara mediante la maniobra de conversión de esos residuos en «entretenimiento» estético. Residuos literalmente no degradables, irrecuperables, teñidos de la fascinación burguesa ante el Mal y su regreso como espectro deformado por la represión. Las aportaciones de los románticos a la cura de las llagas de Europa pueden quedar sepultadas en el olvido. Pero no la puesta de relieve de la carne herida, el desenmascaramiento que ellos llevaron a cabo

**Max, un psicólogo con estrella** Luis Hernáez Iruzubieta, 2021-07-01 Nos enorgullecen, a día de hoy, los avances alcanzados tanto en el campo de la investigación y la tecnología, como en el área de las ciencias humanas, sobre todo de la Psicología. Pero hay que ser conscientes y admitir que pocas de estas cotas esperanzadoras se hubieran hecho palpable realidad si no hubieran surgido protagonistas dotados de prodigiosas inteligencias, imaginación y espíritu emprendedores e innovadores. Uno de estos personajes, protagonista de este libro, fue Max Kotsmann que un luminoso día decidió entregarse en cuerpo y alma al estudio y aplicación práctica de la Psicología, aventurándose por caminos inciertos y aparentemente disparatados de la investigación e innovación de esta ciencia. Queda constancia, en el libro, de su esfuerzo, inteligencia, espíritu innovador y consistencia del gran psicólogo que fue Max. Además, hemos dejado ver las estrategias que utilizó y el

inteligente y honesto uso que supo hacer “de los medios que llegaron a su alcance”: humanos, Stella; cósmicos; el firmamento con sus estrellas; y creativos, con su descubrimiento clave: el ITPK8. Pero, sobre todo, lo que hemos pretendido sacar a la luz, que le condujo a lograr su objetivo final fue su amor por la investigación y por el ser humano.

**La gaviota** Fernán Caballero,2019-11-11 La gaviota, escrita por Fernán Caballero, es una novela que refleja las costumbres y la vida del siglo XIX en España, a través de una narrativa costumbrista que busca retratar la realidad social de su tiempo. La trama se centra en la vida de una joven y su lucha por la libertad y la identidad en un sistema patriarcal, marcada por el conflicto entre el deseo personal y las expectativas sociales. La prosa de Caballero es rica en descripciones y utiliza un estilo muy accesible que invita a la inmersión en la vida rural andaluza, reflejando las complejidades de la naturaleza humana. El contexto literario es significativo, ya que se inscribe en la corriente romántica que se manifiesta en su época, caracterizándose por la exaltación de los sentimientos y el uso de la naturaleza como espejo del estado emocional de los personajes. Fernán Caballero, seudónimo de la escritora española Cecilia Böhl de Faber, fue una figura clave en la literatura del siglo XIX. Su experiencia personal, que incluyó su crianza en Andalucía y su contacto con las costumbres populares, influyó notablemente en su obra. Como defensora de los derechos de la mujer, su escritura aborda temas de género, lo cual la convirtió en pionera de una narrativa que visibiliza la situación de la mujer en una sociedad tradicional y restrictiva. Recomendando encarecidamente La gaviota por su profunda exploración de la condición femenina y su relevancia histórica. Este libro no solo ofrece una mirada crítica a las normas sociales de su tiempo, sino que también invita al lector a reflexionar sobre la búsqueda de identidad y libertad individual, haciéndolo indispensable para quienes deseen comprender el desarrollo de la literatura española y los desafíos del rol femenino en la sociedad.

**Jinetes del aire: poesía contemporánea de Latinoamérica y el Caribe** Margarito Cuéllar,Julio Ortega,2024-10-01 Esta magnífica muestra de poesía latinoamericana contemporánea prueba la actualidad permanente del viejo oficio de

seleccionar, reunir y proponer un escenario de la la letra capaz de representar la nostalgia de lo genuino, cuya convocación da la medida de nuestra humanidad. lectura. Un acto poético en sí mismo, este libro demuestra que las antologías son un género literario capaz de recuperar su aliento y compartir con nosotros la fuerza de su llamado y apelación. Le debemos a las mejores antologías esos horizontes de respiración, donde recobramos la transparencia de una vida, de la letra capaz de representar la nostalgia de lo genuino, cuya convocación da la medida de nuestra humanidad.
