Choosing Love Ruth Teakle, 2021-03-31 *Choosing Love* is an invitation to explore the narratives of some biblical characters and some ordinary women who have been transformed by God's unfailing love. The testimonies are unique, genuine, and vulnerable, demonstrating a divine, sacrificial, limitless love. You will be both summoned and inspired to draw closer to God, grow in this fruit of the Spirit, and develop a passion to receive His love and express it to others. *Choosing Love* includes small group helps and will make a valuable addition to both church and personal libraries. If you haven't read and studied God's Word, you're missing out on the greatest book ever written. In its pages you will meet some of the greatest heroes of all time, such as Paul, John, James, and the most important person of all, the Son of God Himself, Jesus Christ. The wisdom recorded in God's Word will carry you through every encounter in life and give you strength to get through any day. Even though it was written thousands of years ago, it has applications for your life that are extremely relevant right now. This book will come alive before your very eyes! In more than thirty years of study, I've found practical answers to every encounter life has thrown my way. If you don't know Jesus as your Lord and Savior, my hope is that this book will lead you in His direction. If you do believe, my prayer is that you'll come to see that Christianity is about more than attending church on Sunday?and that you'll find the joy that is made complete in the Word of God.

The Four Loves C. S. Lewis, 2023-11-20 *The Four Loves* is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments. The book was based on a set of radio talks from 1958 which had been criticized in the U.S. at the time for their frankness about sex. C.S. Lewis examines storge or empathy love; philia, friendship love; eros, romantic love; and agape, or God love. Excerpt: GOD is love, says St. John. When I first tried to write this book I thought that his maxim would provide me with a very plain highroad through the whole subject. I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God.

Love Letters to God Devon Spencer, Katherine Willis Pershey, 2025-07-29 *Love Letters to God* is an intensely personal and deeply theological book of epistles between two dear friends. The authors hail from different backgrounds in faith,

family, and life circumstances but find common ground in their devotion to Christ, Christianity, and each other. The letters chronicle a year in the life of this friendship, marked by fervent faith and bouts of unbelief; suffering and rejoicing; death, loss, and baptism; and the sanctification of a friendship. The tone is at once literary and personal, peppered as much with theological references as unrefined vulnerability, and speaks to all who cherish their faith and their friends.

Marked by Love Tim Stevens, 2018-10-01 What does it mean to be Marked by Love? The more I peel away the rules and expectations and exhausting obligations, the more I find the love of Jesus. These things don't peel away easily—more like a price tag that you pick off in a million tiny pieces. But with every scrap removed there is exposed a treasure of love that was there the whole time—disguised and hidden by religion. -- Tim Stevens ### Jesus said the one thing that would set his disciples apart from others...they would be known by their love for each other. No tattoo. No uniform. No team colors or logos or code words. The one thing that would mark the followers of Jesus—love. Consider. . . How would I treat someone who I disagree with in a political discussion if I ran everything I said through a filter of love? How would I treat the family member who drives me crazy if I were marked by love? What would be different about my social media posts or comments if I really loved the people I was responding to or writing about? How would I talk about or act toward the LGBTQ community if I was actually following in Jesus' steps? This is real life stuff. Join seasoned author Tim Stevens as he walks you through 31 story-driven chapters that will challenge and encourage you to filter every thought, behavior, word, and action through a lens of love. If you've ever been discouraged by Christianity—whether you're a lifelong churchgoer or you gave up on religion a long time ago—Marked by Love will be a game-changer in your faith journey.

Love I. Dilman, 2016-01-13 The book is concerned with questions about love: questions about its many forms, strands and aspects, and the relation in which they stand to each other. It is concerned with the way different aspects of sexual love conflict with each other, with the way self-regard and self-interest can corrupt love, and with spiritual love and its difficulties. It seeks the views of some writers who have suggested some distinctive solutions to the existential problems that love poses in the face of its obstacles: Plato, Proust, Sartre, Freud, D.H. Lawrence, Erich Fromm, C.S. Lewis, Kierkegaard, Simone Weil and Kahlil Gibran.

The Message of Love Patrick Mitchel, 2019-09-19 Love - such a deceptively simple and popular little word. It is universally agreed that we need love to live and flourish as human beings; and yet, within our contemporary culture, there are numerous confusing, competing and evolving ideas about what 'love' is. There are few greater subjects in Christian theology than love, yet it is a surprisingly complex and challenging concept to understand, let alone live out faithfully. Patrick Mitchel's conviction is that Christians need to be thinking about, and practising, love in compelling and authentic ways. Our task is not only to articulate what love is, but also to show to the world what true Christian love looks like in practice. 'The only thing that counts is faith expressing itself through love' (Gal. 5:6 NIV). Mitchel's exposition explores love in the Old Testament, how

the love of God is supremely revealed in the mission and death of Jesus Christ, love in the life and teaching of Jesus and the church's calling to be a community of love. He helps us to grasp afresh the breadth, depth, scope and radically counter-cultural nature of the Bible's teaching on love. With a fully integrated study guide, suitable for both individuals and groups, The Message of Love will help you to see how the Bible's unified teaching on this vital theme can impact your life today.

A Thinking Person's Guide to Love H.R.H. Prince Ghazi bin Muhammad,2023-07-01 In this book, over 30 years in the making, the author surveys and sums up the world's understanding of love in all its aspects over the last 3000 years in order to show the stages of love and of falling in love and why, how, when and where they occur...

C.S. Lewis and a Problem of Evil Jerry Root,2010-08-27 C.S. Lewis was concerned about an aspect of the problem of evil he called subjectivism: the tendency of one's perspective to move towards self-referentialism and utilitarianism. In C.S. Lewis and a Problem of Evil, Jerry Root provides a holistic reading of Lewis by walking the reader through all of Lewis's published work as he argues Lewis's case against subjectivism. Furthermore, the book reveals that Lewis consistently employed fiction to make his case, as virtually all of his villains are portrayed as subjectivists. Lewis's warnings are prophetic; this book is not merely an exposition of Lewis, it is also a timely investigation into the problem of evil.

Running from the Heart Jeannie Long,2017-09-22 My heart was twice broken, and although I can hardly breathe for

sorrow, I have to believe that I found my daughter's journals for a purpose! *Running from the Heart* is a collection of devotions from a very British girl who absolutely loved Jesus. During her last eight years, when Rebecca's life had been turned upside down, she wrote tenderly of her sorrow and joy in the unexplained ways of God. Described by some as a modern-day saint, her legacy to us is a remarkable life well lived that will inspire and encourage you on your spiritual journey. "Rebecca is a role model of the type of woman I want to be. I became more inspired by her as I witnessed her unmatched faith. She helped me see what a young woman living for the Lord looks like and made me want to be like her." "Rebecca's example lives on, inspiring me and everyone who had the gift of knowing her." "Rebecca was one of the two most holy women I had ever met! When I heard the news of her being called home, in some ways, I wasn't surprised!"

Becoming Wife Rachel Bulman,2023-05-08 Whether you are preparing to be or are already a wife, you likely are immersed in the external reality of marriage. But being wife is so much more: It's a call to holiness and a vocation of incredible significance. Becoming Wife explores what it means for a woman to fulfill this vocation. Catholic wife, mother, speaker, and author Rachel Bulman shares - like a friend over a cup of coffee - how being a wife is at once a calling and a purpose. The more a wife makes herself a gift to her husband, to her children, and to the world, the more she inevitably becomes the person God created her to be. She becomes more wife, more woman, more Christian. Thus, she fulfills her identity as a daughter of God and cultivates the soil from which her motherhood comes to fruition. By exploring the life of the Blessed Mother and the guidance of great minds in the Church, like Saint John Paul II and Saint Teresa Benedicta of the Cross, this book unwraps the gift of becoming a wife and what it means to make a total gift of oneself through matrimony.
