

Easy Street Susan Berman

Wolfgang Guggemos

New York Magazine ,1981-07-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Homicide Special Miles Corwin,2015-10-20 With an Updated Epilogue by the Author A compelling portrait of seasoned homicide cops at work. This is L.A.'s darkest side: ironic, heart-breaking, stunningly violent, unfailingly human. Riveting. - Jonathan Kellerman The mandate for Los Angeles' unique police unit Homicide Special is to take on the toughest, most controversial, and highest-profile cases. In this literate, unfailingly interesting work of true crime (Kirkus Reviews), acclaimed writer Miles Corwin uses unprecedented access to narrate six of the unit's cases-and capture its newest generation at work. When a call girl from Kiev dies in the line of duty, detectives Chuck Knolls and Brian McCartin seek her killer among a circle of Russian women who have been sold into white slavery. When a gangster's daughter takes a bullet, veterans Jerry Stephens and Paul Coulter trace clues scattered across the country to a Manhattan real-estate magnate. A cold case is reopened; a mother-daughter drowning and a baffling rape/murder are solved. And, finally, Corwin re-creates the investigation surrounding the late Bonny Lee Blakley, allegedly murdered by her actor-husband, Robert Blake. With a revised epilogue updating each of these fascinating cases, Homicide Special offers a riveting, behind-the-scenes look at one of the preeminent units of homicide detectives in the country.

Nevada Historical Society Quarterly Nevada Historical Society,2007

Beyond The Mafia Alan Balboni,2006-09-01 When *Beyond the Mafia* first appeared in 1996 it was hailed as a significant contribution to the history of Las Vegas and of ethnic minorities in America. Author Alan Balboni traces the history of Italians in Las Vegas from the founding of the city in 1905, recording their activities in the fledgling settlement. As Las Vegas grew, Italian Americans participated in every aspect of the city's society and economy, including construction, retail establishments, hotels, and—after the statewide legalization of gambling in 1931—the casino industry. Basing his research on well over a hundred interviews, as well as the records of Italian American organizations, public agencies, and other sources,

Balboni has produced a sparkling and thoroughly documented account of the history of one of Las Vegas's most progressive and productive ethnic minorities. This new paperback edition includes an afterword by the author that brings the story of Las Vegas's Italian Americans up to the present.

Las Vegas Eugene P. Moehring, Michael S. Green, 2005-03-16 The meteoric rise of Las Vegas from a remote Mormon outpost to an international entertainment center was never a sure thing. In its first decades, the town languished, but when Nevada legalized casino gambling in 1931, Las Vegas met its destiny. This act—combined with the growing popularity of the automobile, cheap land and electricity, and changing national attitudes toward gambling—led to the fantastic casinos and opulent resorts that became the trademark industry of the city and created the ambiance that has made Las Vegas an icon of pleasure. This volume celebrates the city's unparalleled growth, examining both the development of its gaming industry and the creation of an urban complex that over two million people proudly call home. Here are the colorful characters who shaped the city as well as the political, business, and civic decisions that influenced its growth. The story extends chronologically from the first Paiute people to the construction of the latest megaresorts, and geographically far beyond the original township to include the several municipalities that make up today's vast metropolitan Las Vegas area.

Las Vegas Thomas Ainlay, Judy Dixon Gabaldon, 2003 Whether known as The Entertainment Capital of the World or Sin City, Glitter Gulch or even Lost Wages Nevada, the dazzling city of Las Vegas has undergone incredible transformation—from ancient watering hole to Mormon fort, from whistle stop to mob-run profit center—to become the fastest-growing urban community in the nation. Home to nearly 1.5 million residents, a melting pot of races and cultures, this great metropolis boasts a thrilling history of vices and virtues but, above all, a steadfast and uncompromising spirit.

Neon Metropolis Hal Rothman, 2015-10-15 Praise for the Previous Edition (0 415 92612 2): ...lively and provocative...this book will teach you something startling on nearly every page... --The New York Times Book Review Like the Emerald City, Las Vegas glitters brightly in the vast Nevada desert, a haven for refugees from ordinary America. A hip, iconic, playground that exports nothing, it nonetheless earns billions from consumer services alone -- gambling, hotels, gaming, and entertainment. It is, historian Hal Rothman argues, the quintessential city of the future. As other cities try to mirror its success and huge, respectable corporations like Coca-Cola invest in a piece of the pie, the very traits that have ostracized Las Vegas in the past -- hedonism, money worship, and permissiveness -- have today made it America's fastest growing urban center. From the gambling-driven, mob-run Sin City of the 1940s to the corporatization of the Strip as a respectable family entertainment center after the 1970s, Las Vegas has shown incredible economic resilience and adaptability. The first full account of America's new dream capital, Neon Metropolis brilliantly shows how Las Vegas gambled on the post-industrial service economy well before the rest of the country knew it was coming, and won.

Handsome Johnny Lee Server, 2018-11-13 "No one knew more about the mob, Hollywood and Las Vegas than Johnny

Rosselli, and Lee Server got it all in Handsome Johnny.” —Nicholas Pileggi, author/screenwriter of Goodfellas and Casino A singular figure in the annals of the American underworld, Johnny Rosselli’s career flourished for an extraordinary fifty years, from the bloody years of bootlegging in the Roaring Twenties—the last protégé of Al Capone—to the modern era of organized crime as a dominant corporate power. The Mob’s “Man in Hollywood,” Johnny Rosselli introduced big-time crime to the movie industry, corrupting unions and robbing moguls in the biggest extortion plot in history. A man of great allure and glamour, Rosselli befriended many of the biggest names in the movie capital—including studio boss Harry Cohn, helping him to fund Columbia Pictures—and seduced some of its greatest female stars, including Jean Harlow and Marilyn Monroe. In a remarkable turn of events, Johnny himself would become a Hollywood filmmaker—producing two of the best film noirs of the 1940s. Following years in federal prison, Rosselli began a new venture, overseeing the birth and heyday of Las Vegas. Working for new Chicago boss Sam Giancana, he became the gambling mecca’s behind-the-scenes boss, running the town from his suites and poolside tables at the Tropicana and Desert Inn, enjoying the Rat Pack nightlife with pals Frank Sinatra and Dean Martin. In the 1960s, in the most unexpected chapter in an extraordinary life, Rosselli became the central figure in a bizarre plot involving the Kennedy White House, the CIA, and an attempt to assassinate Fidel Castro. Based upon years of research, written with compelling style and vivid detail, Handsome Johnny is the great telling of an amazing tale.

Las Vegas: A Desert Paradise Ralph J. Roske, 1986-09-01 “PROLOGUE THE SEARCH FOR GOOD WATER On November 7, 1829, a New Mexican trader named Antonio Armijo led a 60-man party on the first leg of what became a historic deviation from the Great Spanish Trail route to Los Angeles. That deviation resulted in the discovery of Las Vegas. By Christmas Day, Armijo’s caravan had crossed southern Utah and moved into the northwest corner of Arizona. The caravan camped near what is now Littlefield — a sleepy hamlet about 100 miles northeast of present Las Vegas. Armijo dispatched a reconnaissance party to look for a possible shortcut west, and to look for water. A member of the party was a young Mexican scout named Rafael Rivera. He decided to break away from the main party and head due west alone over unexplored desert.” Excerpt From: Ralph J. Roske. “Las Vegas: A Desert Paradise.” iBooks.

Mr. Mob Michael Newton, 2009-06-08 Morris Moe Dalitz was America's most secretive and most successful mobster. As a major architect of the United States' national crime syndicate, Dalitz was active in various fields of organized crime from 1918 until his death, all while spinning a web of myth and mock-respectability around himself so dense that decades after his demise, most mistake the legend for reality. From Prohibition-era bootlegging to the Reagan years, no other individual was present at so many pivotal events in gangland history. It's impossible to fully understand the modern Mob without knowing about Dalitz, his career, and the cunning publicity campaign that transformed his image from thug to that of a revered philanthropist. This exhaustive biography tells the story of Dalitz's life and the syndicate that he and like-minded individuals built from scratch.

Resort City In The Sunbelt, Second Edition Eugene P. Moehring, 2016-10-01 Resort City in the Sunbelt is a non-sensationalistic, scholarly account of Las Vegas from the building of the Hoover Dam to the construction of the MGM Grand Hotel. Historian Eugene Moehring provides a balanced view of the city's urban development. Although a unique city in many ways, Las Vegas has displayed characteristics common to other sunbelt cities across the western United States—including underfunded social services, low-density urbanization with a heavy reliance upon automobiles, a sluggish response to problems within minority communities, a preference for efficient, business-like government, and a mania for low taxes. The gaming and resort aspects are fully considered, but Moehring emphasizes the city as part of the continually expanding sunbelt. From this important study, historians will conclude that, despite some of its unusual traits, Las Vegas is much like other western cities and therefore deserves recognition as one of the fastest-growing centers in postwar America. In a new and expanded epilogue to this edition, Moehring looks at the major events of the three decades leading up to 2000 and their underpinnings.

Nevada's Golden Age of Gambling Albert Woods Moe, 2001 59 black and white photos.

Dundurn Korean War Library Bundle Fred Gaffen, Dan Bjarnason, Ted Barris, Mark Bourrie, John Melady, 2013-10-15 This ebook bundle contains five books that chronicle Canada's participation in the conflict that gripped the Korean peninsula from 1950-53 and resulted in two very different nations that remain at odds today. This bloody and traumatic face-off between capitalist and communist ideologies highlighted the tensions of the Cold War that drew in nations from many parts of the world. Canadian soldiers did their part and many sacrificed their lives for the democratic cause. Those interested in the war and the Canadian role in it will find a wealth of information and analysis in this collection of works by leading historians. Includes *Cross-Border Warriors* *Deadlock in Korea* *Fighting Words* *Korea Triumph at Kapyong*

Mob City: Reno Al W Moe, 2017-02-16 Reno was the first US city to fully embrace its destiny as a gaming capital, and even before gaming was legalized in 1931 the city was the one place gangsters from Chicago and the Midwest wanted to go, for safety, sanctuary, and of course the booze, the broads, and the banking services to launder their kidnapping and hold-up loot. Bank robbers like Alvin Karpis, kidnappers like Ma Barker and her sons, and even "Baby Face Nelson came to stay, play, and enjoy the show. Reno had it all, and they had their own Mob who controlled the vices, legal or otherwise. Eventually, Lucky Luciano, Tony Accardo, Sam Giancana and others took note and joined the easy profits and the skim in Reno. This is the true story. The story of four men who ran things with no remorse. Coercion, arson, murder.

The Cornell School of Hotel Administration Handbook of Applied Hospitality Strategy Cathy A. Enz, 2010-07-14 This state-of-the-art handbook approaches the topics of hospitality strategy with an emphasis on immediate application of ideas to current practice. Top hospitality scholars make original contributions with the inclusion of senior level executives input, insights and current best practices. By incorporating the latest research and thinking on various strategic topics with the

commentary and insights of successful executives this handbook blends cutting edge ideas and comprehensive reviews of the subject with innovative illustrations and examples from practice. The strength of the handbook is its combination of academic rigour and hospitality application. The handbook will have a clear reference orientation and focus on key topical issues and problem of interest to practitioners and advanced students of hospitality strategy.

Bugsy's Shadow Larry D. Gragg, 2023-10-01 The story of Moe Sedway, the eponymous shadow to Benjamin “Bugsy” Siegel, from his days as Bugsy's right hand associate to his suspected role in Bugsy's unsolved disappearance, and the role Sedway played in the creation of modern Las Vegas. Early in the Prohibition era, Moe Sedway became part of the New York organized crime gang led by Meyer Lansky and Benjamin “Bugsy” Siegel. A loyal and highly effective operative for Siegel, Sedway eventually gained monopoly control of the race wire service in Las Vegas and also became an effective casino manager of the Las Vegas Club, El Cortez, and the Rex Club. A breach in their relationship led to rumors that Sedway had gained Lansky's approval for a “hit” on Siegel. The unsolved mystery of who murdered Bugsy in 1947 has spawned numerous theories about the identity of the hitman, but regardless of who pulled the trigger, Bugsy's death opened the way for Moe to flourish as his own man at last. Long overshadowed by Bugsy in the annals of organized crime in America, Moe Sedway is now at last brought out into the light in this riveting tale of the sensational life and times of one of Vegas's most mysterious and little-known figures.

Son of a Gambling Man Bob Miller, 2013-03-12 The former governor traces his upbringing in a Las Vegas under mob control, his father's rise to a businessman, his own pursuits in law and politics, and his son's achievements as Nevada's Secretary of State.

The Atlantic City Gamble George Sternlieb, James W. Hughes, 1985 In November 1976, the state of New Jersey embarked upon a bold experiment when the voters approved a referendum to authorize casino gambling in Atlantic City. Expectations were high: the gaming industry could rejuvenate a dying city core, employment would swell, the tax base would broaden and welfare rolls diminish, tourism might spread through the state, and the cruel spectacle of a poverty-stricken community would be eliminated. The Atlantic City Gamble reports the results of this experiment and evaluates casinos as a tool for economic revitalization, a painless source of revenue. The casinos are enormously profitable-but for whom? The city has paid a huge toll in human and economic hardship. There are 30,000 new jobs, but little spillover into non-casino employment. Crime rates have skyrocketed. Housing has been priced beyond the reach of minority groups and the elderly. In 1982, the casinos paid more than \$117 million in state taxes, but much of the projected bonanza to Atlantic City has been swallowed by the industry's need for expanded municipal services, such as police protection. Fears of the old connection between gambling and organized crime may be exaggerated, but few can deny that the gaming industry-with its immense daily cash flow-harbors a vast potential for corruption. The state promoted visions of a glorious rebirth, but it failed to

provide a governing mechanism that could produce the promised rewards. Would better planning and research enable any government to cope with such instant large-scale business and the political clout it carries? Economic strangulation has motivated at least eight other states to think about letting in casinos. The decisions they make will have far-reaching social and economic consequences, and must be based on a set of facts as accurate and comprehensive as possible. In searching out the lessons of Atlantic City, the authors have provided a sobering glimpse into the intricacies of legalized gambling.

The Disney Revolt Jake S. Friedman, 2022-07-05 An essential piece of Disney history has been largely unreported for eighty years. Soon after the birth of Mickey Mouse, one animator raised the Disney Studio far beyond Walt's expectations. That animator also led a union war that almost destroyed it. Art Babbitt animated for the Disney studio throughout the 1930s and through 1941, years in which he and Walt were jointly driven to elevate animation as an art form, up through Snow White, Pinocchio, and Fantasia. But as America prepared for World War II, labor unions spread across Hollywood. Disney fought the unions while Babbitt embraced them. Soon, angry Disney cartoon characters graced picket signs as hundreds of animation artists went out on strike. Adding fuel to the fire was Willie Bioff, one of Al Capone's wiseguys who was seizing control of Hollywood workers and vied for the animators' union. Using never-before-seen research from previously lost records, including conversation transcriptions from within the studio walls, author and historian Jake S. Friedman reveals the details behind the labor dispute that changed animation and Hollywood forever. The Disney Revolt is an American story of industry and of the underdog, the golden age of animated cartoons at the world's most famous studio.

He Killed Them All Jeanine Pirro, 2015-11-03 Former prosecutor Jeanine Pirro—the “true hero” (New York Post) of the hit HBO documentary series *The Jinx*—offers the transfixing true story of her tireless fifteen-year investigation into accused murderer Robert Durst for the disappearance of his wife Kathleen Durst. Former district attorney Jeanine Pirro was cast as the bad guy fifteen years ago when she reopened the cold case of Kathleen Durst, a young and beautiful fourth-year medical student who disappeared without a trace in 1982, never to be seen again. Kathie Durst’s husband was millionaire real estate heir Robert Durst, son of one of the wealthiest families in New York City—but though her friends and family suspected him of the worst, he escaped police investigation. Pirro, now the host of *Justice with Judge Jeanine* on Fox News, always believed in Durst’s guilt, and in this shocking book, she makes her case beyond a shadow of a doubt, revealing stunning, previously unknown secrets about the crimes he is accused of committing. For years, Pirro has crusaded for justice for the victims, and her impassioned perspective in the captivating HBO documentary series *The Jinx* made her one of its breakout stars. Featuring Pirro’s unique insider’s perspective on the crimes, as well as her exclusive interviews with many of the major players featured in the *The Jinx*, this comprehensive book is the definitive story of Robert Durst and his gruesome crimes—the one you didn’t see on television.

Easy Street Susan Berman Introduction

In today's digital age, the availability of Easy Street Susan Berman books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Easy Street Susan Berman books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Easy Street Susan Berman books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Easy Street Susan Berman versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Easy Street Susan Berman books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their

formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Easy Street Susan Berman books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Easy Street Susan Berman books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America,

which provides a vast collection of digitized books and historical documents. In conclusion, Easy Street Susan Berman books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Easy Street Susan Berman books and manuals for download and embark on your journey of knowledge?

FAQs About Easy Street Susan Berman Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow

you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Easy Street Susan Berman is one of the best book in our library for free trial. We provide copy of Easy Street Susan Berman in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Easy Street Susan Berman. Where to download Easy Street Susan Berman online for free? Are you looking for Easy Street Susan Berman PDF? This is definitely going to save you time and cash in something you should think about.
