

Famous Quotes About The Irish

Michela Canepari

'Twas Only an Irishman's Dream W. H. A. Williams, 1996 The image of the Irish in the United States changed drastically over time, from that of hard-drinking, rioting Paddies to genial, patriotic working-class citizens. In 'Twas Only an Irishman's Dream, William H. A. Williams traces the change in this image through more than 700 pieces of sheet music--popular songs from the stage and for the parlor--to show how Americans' opinions of Ireland and the Irish went practically from one extreme to the other. Because sheet music was a commercial item it had to be acceptable to the broadest possible song-buying public. Negotiations about their image involved Irish songwriters, performers, and pressured groups, on the one hand, and non-Irish writers, publishers, and audiences on the other. Williams ties the contents of song lyrics to the history of the Irish diaspora, suggesting how ethnic stereotypes are created and how they evolve within commercial popular culture.

The Irish Whales Kevin Martin, 2020-09-01 In the early 1900s, the Olympic Games track and field throwing events were dominated by a group of Irish-born weight throwers representing the United States. Of immense size and with a larger-than-life presence, these athletes came to be known as the "Irish Whales." In *The Irish Whales: Olympians of Old New York*, Kevin Martin shares the untold story of these Irish American athletes who competed with unparalleled distinction for the United States. James Mitchell, John Flanagan, Martin Sheridan, Pat McDonald, Paddy Ryan, and Con Walsh won a total of eighteen medals in the Olympic Games between 1900 and 1924 and completely dominated the world stage in their chosen athletic disciplines. They were lionized in the American and Irish press and became folk heroes among Irish-American immigrant communities. Almost all of these men were further distinguished by their membership in the fabled Irish American Athletic Club of New York and careers with the New York Police Department. The story of the Irish Whales is the very embodiment of the American Dream and exemplifies the triumph of many Irish emigrants in the New World. Featuring a wonderful collection of original photographs, *The Irish Whales* tells the dramatic stories of these international athletes and their extraordinary sporting successes.

Bobby Sands - An Irish Martyr? Philip Hanke, 2011-03 Pre-University Paper from the year 2009 in the subject English - Applied Geography, grade: 1,0, language: English, abstract: Bobby Sands was a member of the paramilitary Irish Republican Army who was arrested for the possession of firearms in 1977 and died on hunger strike four years later because Margaret Thatcher refused to force-feed him. As his death in Maze Prison caused massive reactions all over the world, Sands was

regarded as one of the most significant members of the IRA. A very popular citation that can be found everywhere on the Internet when you look for Bobby Sands is: They have nothing in their whole imperial arsenal that can break the spirit of one Irishman who doesn't want to be broken! Although there is no clear evidence that this sentence was said by the IRA-Member Bobby Sands or if this quote is just a legend attached to the famous hunger striker after his death, it sums up his attitude towards Great Britain and Margaret Thatcher in a short and provocative way. History has shown that the answer to the question who is a heroic fighter for freedom and who is a terrorist depends on the point of view of the person judging the actions of another person - the Taliban were heroes for the USA when they fought the Soviet Union and even Saddam Hussein was seen as the hero of the Iran-Iraq War. The same thing can be said about the Irish Republican Army and their members because many Irish see or saw them as heroes fighting for the freedom of their home country whereas the English saw them as terrorists attacking the integrity of the United Kingdom. On the following pages I will try to outline who Bobby Sands was, what ideas he fought and died for and if he can be seen as an Irish Martyr today. I will start with the historical background to show where the English-Irish conflict has its roots and what role the IRA and especially Bobby Sands played in that tragedy. To do that I will examine the life of Bobby Sands to see what made a young Irishman j

Folk Women and Indirection in Morrison, N Dhuibhne, Hurston, and Lavin Jacqueline Fulmer, 2017-11-30 Focusing on the lineage of pivotal African American and Irish women writers, the author argues that these authors often employ strategies of indirection, via folkloric expression, when exploring unpopular topics. This strategy holds the attention of readers who would otherwise reject the subject matter. The author traces the line of descent from Mary Lavin to Éilís Ní Dhuibhne and from Zora Neale Hurston to Toni Morrison, showing how obstacles to free expression, though varying from those Lavin and Hurston faced, are still encountered by Morrison and Ní Dhuibhne. The basis for comparing these authors lies in the strategies of indirection they use, as influenced by folklore. The folkloric characters these authors depict-wild denizens of the Otherworld and wise women of various traditions-help their creators insert controversy into fiction in ways that charm rather than alienate readers. Forms of rhetorical indirection that appear in the context of folklore, such as signifying practices, masking, sly civility, and the grotesque or bizarre, come out of the mouths and actions of these writers' magical and magisterial characters. Old traditions can offer new ways of discussing issues such as sexual expression, religious beliefs, or issues of reproduction. As differences between times and cultures affect what can and cannot be said, folkloric indirection may open up a vista to discourses of which we as readers may not even be aware. Finally, the folk women of Morrison, Ní Dhuibhne, Hurston, and Lavin open up new points of entry to the discussion of fiction, rhetoric, censorship, and folklore.

Ireland in Quotes Conor O'Clery,1999 Thousands of quotes, spanning a century, from politicians, artists, writers and social commentators give a unique insight into twentieth century Ireland.

Oxford Dictionary of Humorous Quotations Gyles Brandreth,2013-10-17 Writer, broadcaster, and wit Gyles Brandreth has completely revised Ned Sherrin's classic collection of wisecracks, one-liners, and anecdotes. With over 1,000 new quotations from all media, it's easy to find hilarious quotes on subjects ranging from Argument to Diets, from Computers to The Weather. Add sparkle to your speeches and presentations, or just enjoy a good laugh in company with Oscar Wilde, Mark Twain, Joan Rivers, Kathy Lette, Frankie Boyle, and friends. 'Now we have the World Wide Web (the only thing I know of whose shortened form-www-takes three times longer to say than what it's short for)' Douglas Adams 'Not only is there no God, but try getting a plumber on weekends' Woody Allen 'Never go to bed mad. Stay up and fight' Phyllis Diller 'Having a baby is like getting a tattoo on your face. You really need to be certain it's what you want before you commit' Elizabeth Gilbert 'The trouble with having an open mind, of course, is that people will insist on coming along and trying to put things in it' Terry Pratchett 'Retreat, hell! We're only attacking in another direction' American general Oliver P. Smith

De Valera's Irelands Gabriel Doherty,Dermot Keogh,2003 A re-evaluation of post-independence Irish society.

Leader Katy Granville-Chapman,Emmie Bidston,2020-06-30 What exactly is it that good leaders do to enable their teams to succeed? How do they think? What do findings from neuroscience teach us about effective leadership? Leader explores and answers these crucial questions. In this wide-ranging book, Katy and Emmie eloquently combine up-to-date research in psychology and neuroscience with inspiring examples of success to show that leadership can be learned and that it is all about looking after your people. They take you on a journey to meet a diverse selection of great leaders from multiple spheres - from the sports field to the corporate world - and talk you through the process by which effective leaders have

become great leaders. The secret lies in mastering three key principles: know your people, love your people, inspire your people. These three principles form the core of the book, which also provides a range of practical activities designed to help you reflect on your own and your team's progress and performance. The authors contend that leadership which focuses on the flourishing of people is not only intrinsically valuable, but is also the most important factor in achieving success in any domain. To provide proof, the book features inspiring examples of leaders who have made a significant impact in their organisation, alongside insightful analysis of how and why effective leaders outperform others not just in terms of results, but, even more importantly, through the contributions they make to people's lives. Practical, evidence-based and optimistic, this book is suitable for both aspiring and established leaders. All royalties from sales of this book will be donated to The Prince's Trust. Find more helpful information at www.leaderknowloveinspire.com Leader was highly commended in the leadership for the future category of the Business Book Awards 2021. Leader was longlisted in the CMI Managers Management Book of the Year Award 2021.

The Great Barrier Reef James Bowen, Margarita Bowen, 2011-02-17 One of the world's natural wonders, the Great Barrier Reef stretches more than 2000 kilometres in a maze of coral reefs and islands along Australia's north-eastern coastline. Now unfolding the fascinating story behind its mystique this 2002 book provides for the first time a comprehensive cultural and ecological history of European impact, from early voyages of discovery to developments in Reef science and management. Incisive and a delight to read in its thorough account of the scientific, social and environmental consequences of European impact on the world's greatest coral reef system, this extraordinary book is sure to become a classic.

Golden Quotes ,2002

Famous Lines Robert Andrews,1997 This scientific detective story is the first book which explains clearly the science

used by paleontologists, and the new, cutting-edge techniques that led to the discovery of *Seismosaurus*, the longest dinosaur yet known--and possibly the largest land animal to have ever lived. Gillette's first-person account of the project answers the most frequently asked questions about *Seismosaurus*: How was it discovered? How do we know it is a new species? How did it die? Part catalogue of the workings of paleontological science in the 1990s, the book also illustrates the exciting collaboration between Gillette, the chemists and physicists who helped to reconstruct *Seismosaurus*.

The New Statesman ,1917

The Spectator ,1893

The Oxford Handbook of Holinshed's Chronicles Paulina Kewes,Ian W. Archer,Felicity Heal,2013 The Handbook brings together forty articles by leading scholars of history, literature, religion, and classics, in the first full investigation of the significance of Raphael Holinshed's *Chronicles of England, Scotland and Ireland* (1577, 1587), the greatest of Elizabethan chronicles and a principal source for Shakespeare's history plays.

Children's Propaganda Games of the Second World War Nicholas Milton,2024-07-31 From puzzles and cards to pinball and die games, find out about the children's games produced as propaganda during World War II. During the Second World War, hundreds of games were manufactured by the British, Germans and Americans aimed at children. Despite being cheaply made due to the wartime economy, the games were often fun to play and challenging to win. They also had considerable propaganda value helping to manipulate children into supporting the war. To get their attention, many of the games incorporated dramatic artwork and were based on real wartime events from the evacuation of children in 1939 to the dropping of the atomic bomb in 1945. This book features a large selection of different games produced by the British, Germans and Americans and tells the stories behind their wartime propaganda. The Nazis in particular prided themselves on producing games which promoted and glamourised war, exploiting children's patriotism and pride in German conquests. Some of their most insidious games included *Juden Raus!* (Jews Out!) and *Bomber u?ber England* (Bomber over England). However, the British and Americans also produced unethical games like *Target for Tonight* which promoted the carpet bombing of Germany and *Atomic Bomb*, a dexterity puzzle about the nuclear bombing of Japan. The games featured in this book include roll and move games with a board and die, pinball and similar 'shooting' games, dexterity and other puzzles and card games. They were made out of paper, card, wood, rubber, bakelite plastic and initially metal. Remarkably despite wartime restrictions games were manufactured throughout the conflict to meet the demand from boys and girls as they closely followed the changing fortunes of the war. Today many of the games have become scarce so for collectors a guide to their value and rarity is included.

Unveiling the Magic of Words: A Overview of "**Famous Quotes About The Irish**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Famous Quotes About The Irish Introduction

In today's digital age, the availability of Famous Quotes About The Irish books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Famous Quotes About The Irish books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Famous Quotes About The Irish books and manuals for download is

the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Famous Quotes About The Irish versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Famous Quotes About The Irish books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Famous Quotes About The Irish books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature,

making it an excellent resource for literature enthusiasts. Another popular platform for Famous Quotes About The Irish books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Famous Quotes About The Irish books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of

the vast world of Famous Quotes About The Irish books and manuals for download and embark on your journey of knowledge?

FAQs About Famous Quotes About The Irish Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
