Unspoken phrases Maitrei Bhardwaj, 'Some phrases are kept in our heart, Some in our poems, All hidden from the world outside'. This anthology is a collection of poems and short stories written by co-author from all over the India. They have pour their heart out in their write-ups and have written things about things they want the world to know about. MeeTu MEETU THAPLOO, What comes to your mind when you hear the words Main aur Tu? The unification of two bodies? The togetherness of two dissimilar entities? The fusion of two souls that are merged together, yet preserving their own individual identities? Or simply- Us? The Book Mee-□□ is a compilation of 80 different acclaimed writers who happen to pen down their feelings of implicit oneness of a multidimensional society through two common words : Main aur Tu. The Unprized Sarah Jackson and Ananya Verma, 'The Unprized'- the title itself reflects the purpose of this very special book. In this book, you will find beautiful poems, meaningful open letters, and powerful articles. This anthology is an attempt to provide a literary outlet for a spectrum of women writers to appreciate the women in their life. The writers were free to interpret the theme as they wished to, which has led to an amalgamation of inspiring and wholesome tales. From friends and family to famous personalities and sometimes even strangers, the women in our lives can have a huge impact on us. This was

a chance for the community of women writers to reflect back and “appreciate the unseen”. It was a great opportunity to create a book with women writers from all around India and other countries. The compilers, Ananya Verma and Sarah Jackson really hope that this book sparks a chain of gratitude and appreciation in the minds of the reader.

Almost Madam President Nichola D. Gutgold, 2009-08-16 All around the world women are presidents and prime ministers, yet in America, we have yet to elect the first woman president. When Barack Obama accepted the nomination as the Democratic candidate for president in 2008, the media were quick to point out that Hillary Clinton lost. Yet Clinton won almost 18 million votes and was the first front- runner woman candidate. *Almost Madam President: Why Hillary Clinton 'Won' in 2008* argues that Hillary Clinton gained more than she lost in her bid for the presidency. This book takes the reader on a rhetorical journey through Hillary Clinton's 2008 presidential campaign, focusing on Clinton's sophisticated You Tube style announcement speech, the debates, and the many notable stump speeches and media events on the campaign trail. Along the way Gutgold examines the obstacles and opportunities of women as presidential candidates.

The Butcher Shop Girl Carmen Kissel-Verrier,2020-11-04 The Butcher Shop Girl begins with Carmen's unique coming-of-age as she's ripped from her extended family after her Catholic parents' divorce. Learning to conquer unusual places in the name of survival, Carmen spends her childhood working in her mother's slaughterhouse in prairie Alberta, tearing through flesh and getting up to trouble. To escape a violent home, she bounces from house to house, working on the family farm, and eventually in the oil patch. At eighteen, Carmen's competitive craving for money and independence leads her to a career as an exotic dancer. Starting out in seedy small-town dives, she quickly earns her place in high-end clubs throughout North America, becoming an elite world-travelling entertainer. Carmen lives the high life and makes big money. She parties with

the Hells Angels and falls in love with a sexy U.S. drug enforcement agent—effortlessly walking the line of two extreme worlds. But when run-ins with premium organized crime land her in Bolivia, she realizes she's gone too far, and the only thing that can free her is to ask her estranged family for help. *The Butcher Shop Girl* is a compelling memoir of resilience and persistence that captures the vivacious spirit of a small-town girl determined to succeed by any means necessary.

Take Me Away, Cowboy Kristine Lynn, 2025-03-27 Saving lives is a heady experience, but what happens next after someone saves yours? Paige Connors is certain of two facts: she loves her job as a traveling pediatrician and she will never, never end up in her small hometown of Banberry, Idaho. Why would she, when a whole world exists for her to explore? Then a strikingly handsome former Marine moves in next to Paige's family, and suddenly, she's rethinking her life's choices. Owen Johnson isn't sure why he decided to settle down in the quaint, rural town of Banberry after a kinetic career in the military almost cost him his life. But as he spends more and more time flirting with his sexy neighbor, it becomes clear that the why and how aren't as important as his need to be with her. That is, until a freak accident irrevocably changes their lives. Will these lovers be able to put aside their fears and find healing in each other, or is it too late to set down roots?
