Mensa 10-Minute Crossword Puzzles Fred Piscop, 2011-08-25 It's puzzle nirvana for crossword lovers who have just a few minutes to spare, but still crave a challenge. Adapted from the popular Mensa 10-Minute Crossword Puzzles Page-A-Day Calendar, Mensa 10-Minute Crossword Puzzles strikes a perfect balance: The puzzles are tough enough to be sanctioned by Mensa, the internationally famous high-IQ society, but are designed to be solvable in ten minutes or less. Expertly written by puzzle master Fred Piscop, Mensa member, author of the Mensa calendar, and frequent crossword contributor to both The New York Times and The Washington Post, these cleverly themed crossword puzzles will appeal to both seasoned solvers and novices looking to hone their skills. They are an addictive addition to your morning routine (just add coffee); perfect for evening downtime; just right for your commute on the subway, or while waiting at the doctor's office or sitting in a restaurant—anytime you need a mental pick-me-up. The book's chunky format, which works so well for puzzle books like The Original Sudoku series, fits easily into a purse or bag. An answer key is included at the back of the book.

The legacy of lightning and sapphires Victory Storm, 2023-06-01 I had always known that there was something special and magical inside me, but I had never sought answers. Why uncover the past, when I was happy with my foster family, my books and my job at the bookstore? However, fate had other plans for me and the arrival of Scarlett Leclerc, my twin sister, whose existence I did not suspect, had completely overwhelmed my life. Suddenly all those questions I had never had the courage to ask myself had been answered and... a family claiming me. Keeping my life in balance with that news had been complicated, but I had always managed, until my sister asked me to make an exchange: to live her life for a week in New York, while she went to France to discover the Leclerc magic that had been taken from us. I had accepted, thus realising a dream of mine. Everything was going well, until a student with blue eyes tinged with violet had threatened me: "When you made fun of me, maybe you forgot that I could kill you at any moment." What did that boy want from me? Why was he chasing me? Why was he acting like I was his girlfriend? Translator: LRizzi-Ernesto PUBLISHER: TEKTIME
