Mary Eyring

Sinners in the Hands of an Angry God Jonathan Edwards ,FELIPE CHAVARRO POLANIA,2019-08-15 Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God’s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon’s conclusion. Edwards puts it this way, “And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners.” While those who would rather ignore God’s justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, “Before the sermon was done there was a great moaning and crying through the whole House, ‘what shall I do to be saved; oh, I am going to hell, etc.’” The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, “the amazing and astonishing power of God” was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

Sample Book Insights: #1 The most basic of all questions is: Who are we, and why are we here. We tend to seek self-verification, or become somebody special through appearance, performance, or social status. However, what people appear to be doesn’t always reflect who they are. #2 The book of Ecclesiastes describes the futility of trying to find meaning in life without God. It says that everything is meaningless, and that people are not worth anything without God. #3 The Hubble Space Telescope allows us to view the extravagance of creation, and what we see is beyond our ability to comprehend. The universe has supernovas, galaxies, and stars so large that if they were printed on a page, the earth would be a tiny dot in comparison. #4 The heart is the center of self. It is the seat of reflection, not the seat of emotions. The heart is the place where the mind, will, and emotion converge into one holistic unity.

Sinners in the Hands of an Angry God (Including a Sermon Summary and Notes on the Great Awakening) Jonathan

Edwards,2011-01 Although Sinners in the Hands of an Angry God was delivered to Edwards's congregation in Northampton in June 1741, it is forever remembered for its effect on the congregation in the frontier town of Enfield, Connecticut, on Wednesday, 8 July 1741. An eyewitness described an audience so moved by the sermon that people moaned, shrieked, and cried out for salvation while the preacher was speaking. Apparently the reaction was so strong that Edwards was unable to finish the sermon, possibly the only time such an interruption had happened to him except for the day several years earlier when the gallery of the old Northampton meetinghouse fell. This edition includes a summary of the sermon, a short biography of Jonathan Edward's life, and an overview of the Great Awakening.

Boys Don't Cry? Milette Shamir, Jennifer Travis, 2002 We take for granted the idea that white, middle-class, straight masculinity connotes total control of emotions, emotional inexpressivity, and emotional isolation. That men repress their feelings as they seek their fortunes in the competitive worlds of business and politics seems to be a given. This collection of essays by prominent literary and cultural critics rethinks such commonly held views by addressing the history and politics of emotion in prevailing narratives about masculinity. How did the story of the emotionally stifled U.S. male come into being? What are its political stakes? Will the release of straight, white, middle-class masculine emotion remake existing forms of power or reinforce them? This collection forcefully challenges our most entrenched ideas about male emotion. Through readings of works by Thoreau, Lowell, and W. E. B. Du Bois, and of twentieth century authors such as Hemingway and Kerouac, this book questions the persistence of the emotionally alienated male in narratives of white middle-class masculinity and addresses the political and social implications of male emotional release.

The Spirit of Holiness Terry Delaney, Roger D. Duke, 2020-09-23 What does Biblical spirituality look like? What does it mean to be spiritual? What priorities and practices inspire one to live the Christian life well? While there are a multitude of answers to these questions, very rarely are they both clear and profound. As a result, Christians can be left feeling lost and confused. In *The Spirit of Holiness*, Terry Delaney and Roger Duke have collected a variety of reflections on spirituality that are shaped by the Bible, theology, and the voices and examples of those who have come before us. With authors like Al Mohler, Michael Haykin, and Steve Lawson covering topics such as perseverance, depression, friendship, choice, and faith, *The Spirit of Holiness* encourages and directs Christians to a healthy biblical spirituality informed by their forebears of the faith.

Kingdoms, Empires, and Domains Mark A. Ragan, 2023 *Kingdoms, Empires, and Domains* explores the history of the idea that there is more to the living world than plants and animals. Progressing chronologically through philosophical, religious, literary, and other pre-scientific traditions, leading molecular systematist Mark A. Ragan traces how transgressive creatures such as sponges, corals, algae, fungi, and diverse microscopic beings have been described, categorized, and understood throughout history. The book also explores how the concept of a third kingdom of life evolved within the fields of scientific botany and zoology, and continues to evolve up to the present day.

Saltwater Mary Eyring, 2025-02-18 Death is easy to locate in the archives of early America. Grief is not so easily pinned down. Yet it was a near constant companion for the men and women that settled in what is now New England. Their lives were a kaleidoscope of small-scale tragedies that suffused and colored everyday experiences. This pervasive suffering was exacerbated by unfamiliar environments and exposure to the anguish of Indigenous and Black Americans, unsettling well-worn frameworks to produce new dimensions of everyday grief. Mary Eyring traces these fleeting, often mundane, glimpses of grief in the archives—a note about a sailor maimed during a whaling voyage, the hint of a miscarriage in a court record, the suggestion of domestic violence within a tract on witchcraft, a house sent up in flames at the opening of a captivity narrative—to show how the cumulative weight of grief created a persistent mood that influenced public and private affairs in sweeping ways largely unexamined by previous scholars. With piercing insights and evocative prose, Eyring follows grief across generations and oceans to reveal a language of suffering understood and shared across diverse early American communities.

The Sermons of Jonathan Edwards Jonathan Edwards, 2008-10-01 Jonathan Edwards, widely considered America's most important Christian thinker, was first and foremost a preacher and pastor who guided souls and interpreted religious experiences. His primary tool in achieving these goals was the sermon, out of which grew many of his famous treatises. This selection of Edwards' sermons recognizes their crucial role in his life and art. The fifteen sermons, four of which have never been published before, reflect a life dedicated to experiencing and understanding spiritual truth. Chosen to represent a typical cycle of Edwards' preaching, the sermons address a wide range of occasions, situations, and states, corporate as well as personal. The book also contains an introduction that discusses Edwards' contribution to the sermon as a literary form, places his sermons within their social and cultural contexts, and considers his theological aims as a way of familiarizing the

reader with the order of salvation as Edwards conceived of it. Together, the sermons and the editors' introduction offer a rounded picture of Edwards the preacher, the sermon writer, and the pastoral theologian.

Training Laborers for His Harvest Baiyu Andrew Song, 2015-04-01 In this project, Baiyu Andrew Song explores the mentorship of China's first ordained indigenous evangelist, Liang Fa (1789-1855), by Scottish Presbyterian missionary William Milne (1785-1822) in the early nineteenth century. The biblically and contextually informed model of mentorship Milne employed is examined in detail, which is placed in the historical setting of Milne and Liang's time. This project is particularly important in that it pioneers historical study in the area of the early protestant church history in China, specifically in regard to William Milne.
