The Worst Kind of Promise Celeste Briars, 2023 One summer. One forbidden romance. One secret to destroy them completely. When Faye Hollings finds herself stranded at a gas station, the first person she thinks to call is the man she's been secretly in love with for two years. The only problem? Kit Langley is one of her brother's best friends, and completely off limits. After a traumatic encounter that has her fleeing to California, Faye finds herself in a whirlwind summer romance that tests boundaries, pool water, and how far their desires for one another stretch beneath beating hearts. Star left defenseman and self-proclaimed ladies' man, Kit Langley, isn't fazed by much. But when he gets that life-changing call from his teammate's little sister, and the one girl he hasn't been able to stop thinking about, his whole world tilts on its axis. Kit juggles between staying loyal to his best friend, keeping an earth-shattering secret, and indulging in his own fantasies that involve a certain freckled brunette. Faye and Kit have two months to figure out where they stand in each other's lives. When summer starts to fade, so does the possibility of this budding relationship. With the clock counting down and their friends growing more suspicious, the two will have to decide whether to come clean or continue living a devastating lie. Will loyalties remain unsevered, or will love blossom between two star-crossed lovers?

The Compendium of Knowledge and Wisdom Ibn Rajab Al-Hanbali, 2007-01-01 The Compendium of Knowledge and Wisdom is the translation by Abdassamd Clarke of the masterwork of Ibn Rajab al-Hanbali. It is a comprehensive collection of sciences and wisdom in commentary of fifty hadith (Including the 'Forty' of Imam An Nawwawi) from the concise comprehensive speech (Jawami' al-Kalim) of the Messenger of Allah, may Allah bless him and grant him peace. The author adds another eight hadith to the famous 'Forty' Hadith of Imam an-Nawwawi and gives a much more elaborate commentary on their chains of transmission, on the rulings that they entail and on the spiritual dimensions of the hadith, their explanations with respect to the verses of the Qur'an and other hadith, and what the great pious predecessors of Islam have said about them. Every hadith is considered by the 'ulama (scholars) essential for knowledge of the deen. The topics range from the most exacting treatments of the affairs of the shari'ah (Islamic Law) to luminous expositions of the spiritual sciences of Islam.

Best known as Ibn Rajab, his full name and titles are: al-Imam al-Hafiz Abu al-Faraj Zayn al-Din `Abd al-Rahman ibn Ahmad ibn Abd al-Rahman (known as Rajab) ibn al-Hasan ibn Muhammad ibn Abi al-Barakat Mas`ud al-Baghdadi al-Dimashqi al-Hanbali (736-795 AH). Rajab was the nickname of his grandfather Abd al-Rahman, perhaps because he was born in that month. Born in Baghdad, Ibn Rajab learned much from his father, who himself was a great scholar, then studied in Egypt and Damascus where he settled down until he died. Among his eminent teachers were: Abu al-Fath Muhammad ibn Muhammad ibn Ibrahim al-Maydumi, Muhammad ibn Isma`il al-Khabbaz, Ibrahim ibn Dawud al-`Attar, Abu al-Haram al-Qalanisi, and Imam Ibn Qayyim al-Jawziyyah. He was a colleague of the famous hadith expert al-Hafiz Abu al-Fadl al-`Iraqi. He devoted himself to the subject until he became an expert in all the sciences related to hadith. He then taught hadith, and fiqh according to Hanbali school, in the Jami` Bani Umayyah and other seats of learning in Damascus. Among his famous students include scholars like Abul-Fadl Ahmad ibn Nasr ibn Ahmad, the mufti of Egypt (d. 844 AH), Abu al-`Abbaas Ahmad ibn Abi Bakr ibn `Ali al-Hanbali (d. 844 AH), Dawud ibn Sulayman al-Mawsili [d. 844 AH] He was a leading scholar of the Hanbali school. His work al-Qawa`id al-kubra fi al-furu` is clear evidence of his expertise in fiqh, demonstrating an extreme, even exhaustive knowledge of the intricacies of detailed fiqh issues. He was known for piety, righteousness. His sermons were considered most effective, full of blessing and beneficial. People of all schools were unanimous as to his quality, and the hearts of the people were full of love for him. He did not get involved in any worldly business, nor visited people of material positions. He wrote: a detailed 20-volume scholarly commentary on the Sunan of al-Trimidhi; a commentary on part of Sahih of al-Bukhari; Dhayl (Supplement) to Tabaqat al-hanabilah; al-Lata`if fi waza`if al-ayyam, Bayan fadl ilm al-salaf ala al-khalaf. Among his best known and most referred works is Jami` al-ulum wa al-hikam, the commentary on al-Arba`un (the forty hadiths) of al-Nawawi. He added ten hadiths to the original 40 and commented in detail on all of these fifty hadiths. This commentary discusses all aspects of the hadiths, the chain of narrations, the narrators, and the text. Hafiz Ibn Hajar al-`Asqalani said of him: "He was a great expert in the sciences of hadith - the historical accounts of narrators, the chains of narration, and meaning of the text." (Based on: Ibn Hajar al-`Asqalani, al-Durar al-kaminah, ii. 428, Inba al-ghumr, i. 460; Ibn al-`Imad, Shadharat al-dhahab, vi. 239; `Abd al-Hayy al-Kattani, Fihris al-faharis, ii. 636-7).

Time Benders and the Two Promises JB Yanni, 2020 With echoes of the halls of Hogwart's, the Fitzgerald kids continue their adventures in Time Benders and the Two Promises. In this second book in the series, the full impact of what Joe has done sinks in, angering Deb and Ken, and causing Ken to pronounce the end of trips in the time machine. Later, when Deb learns about Mr. Brewster's history, she and Joe defy Ken and take the machine to Las Vegas, 1958 to keep Mrs. Brewster from a certain accident. Bolstered by the success of this trip, Deb decides recklessly to try to undo what Joe had done in his solo trip in the machine, returning to Cambridge to stop Joe. The unknown forces of the universe and energy are working against their efforts to be in the same space and time and Deb barely makes it back alive! All of this creates a rift between

Deb and her best friend Mary, because of the spiritual questions of whether one should try to change fate, until she finally understands. When Mary learns she may face a terrible future and major illness, she convinces the Fitzgerald siblings to use the machine to go forward in time to discover her fate. Through all of this, the siblings commit to two major promises about the machine, and their parents. Underpinning all of their adventures, they wrestling with their faith, the questions presented by the time travel and the fact that their trips continue to wreak havoc on their memories. This heartwarming story packs a punch of history, faith, and science sprinkled with kindness through these relatable teens.

The Power of a Promise Lesra Martin, 2009-08 Lesra Martin was once an inner city kid dismissed by society. He rose from a poorly educated Brooklyn teen to a highly respected attorney. When Dakota meets Leah at a ceremony honoring his family's sawmill, he sees his next adventure. As Mapلهaven's golden boy, he's surprised when Leah doesn't immediately accept his advances. Some days, resisting him was easy. Most days, it wasn't. Noah Williams has been in love since the third grade, but he's settled for Best Friend status for thirty years. Krista Davidson runs the business side of Birch Peak Adventures with efficiency and precision while raising her son, Luke. When Luke finds himself in danger early one morning, Noah leaps to the rescue, risking his own life in the process. Krista's eyes are opened to everything Noah has to offer her and her son. Is one kind kiss enough to change friends into soul mates? ONE KIND TOUCH Being here in Mapلهaven was healing Carter. Being with Dena was helping. Tonight might cure him completely. Dena Brenton crunches numbers at her family's sawmill in Mapلهaven, Vermont. Carter Bennett breathes life into the video games he creates. When

trouble finds Dena at a conference in Rhode Island, she retreats to the safety of Mapلهaven. Carter is ready to be there for her, but she's done the calculations and putting herself in safe mode is the only way to keep any potential threats outside her perimeter. Is one kind touch enough to resume the game?

Parnassus II Elaine M. Mullen, 2014-05-02 PARNASSUS II More Unusual Poetry By: Elaine M. Mullen Once again writing with passion and purpose, the author personalizes a wide and varied subject matter. Little escapes her reflection. Whether exploring aging, our hearts, souls, destiny, families, forgiveness, acceptance, prayer, possibility, Nine-Eleven, PTSD, pain, need, casualties, attitude, thoughts, words, walls, or God, she examines how the external can impact the internal and possibly the eternal. Celebrating our uniqueness or pondering our commonality, the words strung together paint a vivid picture how our world: due to or despite our best efforts, shapes and defines our character, the present and our futures. Speaking of promise, or promise denied; it looks at staying in the moment or forging onwards towards tomorrow and possibility. The writer suggests: No one emerges from this world the same, and my writings are forays into how and why that might be.
