What's in a Version? Henry E Neufeld,2004-11-26 Henry E. Neufeld writes about Bible translations from his knowledge as a student of Biblical languages, and his experience teaching them to laypeople and discussing them on the internet. Many people have questions about translations because they do not understand how translations are produced. Much of the material available is either polarizing, or is provided to advocate a particular version. What's in a Version? strives to provide a basis for lay students to understand how translations are made so they can understand the arguments and become confident of the Bible version they choose to use for reading and study.

Revelation Made Easy Donald B Berg,2022-10-06 A commentary of the book Revelation in the bible. The author goes thru it verse by verse, making it easy to understand. The author also tells about different beliefs of people & why they are Pre-Tribulation, Mid-Tribulation, or Post-Tribulation. The author explains the symbols used thru out the book of Revelation that confuses many readers so much that they give up reading the book of Revelation. Revelation is the only book in the bible that promises a special blessing to those who read or heard the book of Revelation.

What's Next Scott Boyd,Sandy Boyd,2025-01-14 This book is based on twenty-eight years of research. Pastor Scott has spent thousands of hours in prayer and study to bring to you this book you are holding in your hands. This book is possibly one of the most significant discipleship books you have ever read. The Bible has been under attack in recent years. Satan is trying to discredit and marginalize the Bible to remove it from society as a whole. This book you are holding will help empower and equip you in God's word in an awesome way.

They Say It's Spiritual, but What Does the Bible Say? Linda Conley,2020-03-05 I have learned so much in writing this and gained so much knowledge that I did not know and knew with the reinforcement by my reading and searching scriptures from what I've heard preached to me and in Bible study that I feel assured that I am firmly in the one true Church of CHRIST. I must live accordingly for the hope that is mine to gain or lose. Yes, the scripture is right where JESUS CHRIST said he would bring a sword referring that some will believe and some will not. The most important thing I seek is that you read and truly study the Bible and follow that. It is, however, to have the right tool, and the Bible is the right and only source for the truth even more to have the right Bible. I have written that King James Version with thee, thou, yea, and not the New King James Version or others that are written as said for easy reading should be the tool. The new versions have been written

with scripture verses left out of them that are in the King James Version. The new versions change the meaning of the scriptures that they say using other words that mean the same thing, but really, they do not and will lead astray. You, if possible, should compare such.

A Simple Matter of Belief Reverend Sharon M. White, 2018-08-22 There is a difference between knowledge and belief. Knowledge is necessary in our lives. Without knowledge there would be a lot of things we could not do. However, belief is likewise significant. An example of this is when we see dark clouds in the atmosphere we know it is going to rain, so our belief is dark clouds mean it will rain. When we base your belief on truths, beliefs will become firm. This is why our beliefs are influenced by the knowledge we have. When we say we have a belief in the Creator of the universe; what is our knowledge of that belief? Gathering together weekly or reading texts as a group? No, it is getting to know Jesus Christ personally and experience His character. Religious beliefs are a substitute, with ceremony and rituals, for a genuine relationship with God. The knowledge we must seek is true value of the Word of God. Jesus Christ is the fulfillment of that Word and our spirituality. Jesus is the One to who we need to join with. If you are truly interested in discovering the true Knowledge of Creator of the universe, join me on the journey through a Simple Matter of Belief.

Choices God's Greatest Gift Darrell D. Wichers, 2024-03-21 Choices God's Greatest Gift The Reason We Are Here on Earth If God created us as a spirit that was meant to live forever, then why do we have to spend this time on earth in this physical form? I will answer that question and more in this book! We live in a temporary physical world that God created. But your spirit (who you really are) was meant to live forever, and God fused your spirit into your physical body! The question is why did God fuse our spirit into this physical form for a temporary period of time? I will answer this question and more! Your Spirit--What Is That? Your Consciousness and Memory--Where Are They Located? Your Physical Death--What Will That Experience Be Like? God--How Do You Know God Is Real? Nothing That Humans Make on Earth Lasts Forever; Why? Is It Hard to Get to Heaven? The purpose of my book is to get you to think about the content in this book and whether you believe this information or not--nothing more! God did give you the right to choose!

Yhwh and the Sacred Secret Monte Perepelkin, 2020-01-23 There is a Creator! This is the simple truth that is revealed

within YHWH and the Sacred Secret. Through careful application of science and logic, as well as a comprehensive evaluation of the Bible, the truth about our Creator and what He has planned for the future of humanity is presented clearly and without religious bias. More than fifty different Bible versions are used to reveal how virtually every translation in print today delivers the same message about humankind's future, one that nearly every religion on the planet has failed to teach. From Genesis to Revelation, YHWH and the Sacred Secret offers the reader a modern interpretation of humankind's instructional manual: The Bible. Whatever your background—Christian, atheist, creationist or evolutionist—this book is a must-read for everyone. All profits that go to the author from the sale of this publication will be donated to helping the homeless.

YOUR NEW LIFE STEP BY STEP - BOOK 1 JERRY MORRIS, 2010-07-28 This is Book One of a series of three books that are practical tools to disciple and mentor people one on one.

Biblical Wisdom for Young Adults Joseph Ola, Anu Ola, This book combines in one volume the best of Joseph and Anu's works for young adults. In *Young and Found*, Joseph and Anu share practical and biblical wisdom on the complex everyday challenges that young Christians face. Subjects covered include personal development, hearing God's voice, sex and sexuality, parent-youth relationships, faith, integrity, fun, marriage, managing weaknesses, prayer, pioneering, time and money management — to mention but a few. In *Is This Opportunity From God?*, reflecting on scripture and personal experience, Joseph lays out 7 checkpoints to help the reader discern if an opportunity is indeed from God or just another distraction from God's best plan. In *Marriage in View*, Joseph and Anu, through their love story, draw young people to engage with the tested and timeless countercultural principles upon which the institution of marriage is established. In *Waiting Compass*, Joseph presents 5 'peaces' of transformational thoughts helping the reader to find God when He seems to delay. And in *#Unaddicted*, Joseph shares some liberating thoughts on how to overcome sexual addictions, sharing unreservedly from his journey through the same struggles. Each of these books have been a tremendous blessing to thousands of Christian young adults and millennials over the years. This compilation will seek to bless even more lives with the transformative power of God's Word.

The Obvious Secret Bruce C. Steffens,2018-02-13 The Obvious Secret: A Discipleship Journey to Christian Maturity By: Bruce C. Steffens The Obvious Secret explores the various major beliefs of the Christian faith from a logical and analytical standpoint. It is intended for two purposes. First, it is a resource to develop Christian discipleship curriculum for teachers and instructors. Secondly, it is self-study resource for seekers, new believers, and even established believers. It contains a systemic approach to understand the “why” of what we believe and then helps one to establish and deepen a personal relationship with God. The book is not intended to tell someone what to believe, but rather to give the logical reasons related to belief topics and allow a person to discover the truth of the belief for themselves. However, without a vibrant relationship with God, all the understanding of God’s principles and truths are academic. A mature disciple is the person whose best friend is God and who helps those around him or her to know God’s love and create their own relationship with God.

Faith is Not Important...It is Everything! Mike Gilles,2020-04-18 Wait? Another book about faith? Yes, but this one is

quite different. Faith is a non-exhaustive subject. Here you will find basic evidence, not couched in theology or philosophy, of why faith in Jesus Christ is necessary and crucial. If you are a nonbeliever, this book will lay out reasons why you should give Christianity another look, or maybe a first look. If you are a Christian, this book will not only reinforce and strengthen your belief, but will be an excellent resource for nonbelieving friends or relatives who are intent on casting Jesus aside. Faith is Not Important...It is Everything! is a common sense look into faith in Jesus Christ and the fact that being born-again is the only path to salvation. Author Mike Gilles asks the reader to examine the evidence presented in this book and determine if it is reasonable and logical to accept them as fact.

This Walk Ain't Easy! Felicia Joy Devine,2012-06-12 This Book portrays the journey of a “Ms. Guided,” woman, who was raised in church, practiced religion but failed to develop a personal relationship with God. The story depicts how the lack of this vital relationship leads to unresolved childhood issues, diminished self worth, and a burning desire for wholeness and a search for unconditional love. Although this story resides in a fictional setting it reveals true to life, heartbreaking testimony of how a young woman makes a series of bad decisions that sends her into a downward spiral which create a deeper void in her life. Ms Guided is inspired and encouraged by the graphic testimonies of four persevering women. The women’s stories are also true stories deposited into a fictional setting and written in their own words. Teen pregnancy, single parenting, drug addiction, domestic violence, incarceration, suicide, and chronic illness are just a few of the things the women endure. A Sheppard (Rev. Gilbert Pickett Sr.) guides this transformation process through his support and scripture based words of wisdom. Ms. Guided undergoes a process of revelation, reflection and change. She becomes whole, healed and demonstrates how God can take ordinary people and do extraordinary things. Through her journey, Ms. Guided develops an understanding of the Christian Development Process and comes to terms with the fact that; This Walk Ain’t Easy but Help is Along the Way.
