The Noticer Andy Andrews, 2011-04-10 A New York Times bestseller! From the author of The Traveler's Gift comes a story of common wisdom based on the remarkable true story of "Jones," a mysterious old man who has a knack for showing up in people's lives at just the right time, providing priceless lessons about love, life, and the importance of perspective. Orange Beach, Alabama, is a simple town filled with simple people. But like all humans on the planet, the good folks of Orange Beach have their share of problems—marriages teetering on the brink of divorce, young adults giving up on life, businesspeople on the verge of bankruptcy, as well as the many other obstacles that life seems to dish out to the masses. These situations can seem like dead ends, but to an old drifter named Jones with a gift for seeing what others miss, there is no such thing as a dead end. It only takes a little "perspective," he says, to recognize the miracles in our moments, the seeds

of greatness tucked into our struggles. Appearing when things look darkest, the mysterious, elderly man with white hair carrying a battered old suitcase shows up when he's needed most. "Your time on this earth is a gift to be used wisely," he says. "Don't squander your words or your thoughts. Consider even the simplest action you take, for your lives matter beyond measure...and they matter forever." The Noticer will provide you with: A better understanding of life's challenges and proper perspective for tackling them Practical yet powerful methods of motivation, encouragement, and resolve for those struggling A fresh and insightful perspective on how people can change their view of the world, find strength, and move beyond their problems Based on a remarkable true story, The Noticer beautifully blends fiction and allegory in an entertaining and inspiring instruction manual for better living. The story of Jones continues in The Noticer Returns and Just Jones.

Sample Book Insights: #1 I will accept responsibility for my past. I will not let my history control my destiny. I will seek the association of those who are working and striving to bring about positive changes in the world. We can make choices that will lead us to a place we like. #3 The Responsible Decision is all about owning your power. Your choices have made you what you are today, and your thinking creates a pathway to success or failure. To accept responsibility for your choices, you must become aware of and accept responsibility for your thinking. #4 We are where we are because of how we think. If we are responsible for where we are, we have hope for where we're going. By disowning responsibility for our present, we give our power away and deny ourselves an incredible future.
