

Books By Emile Durkheim

Ivan Strenski

Emile Durkheim Steven Lukes, 1985 This study of Durkheim seeks to help the reader to achieve a historical understanding of his ideas and to form critical judgments about their value. To some extent these two aims are contradictory. On the one hand, one seeks to understand: what did Durkheim really mean, how did he see the world, how did his ideas relate to one another and how did they develop, how did they relate to their biographical and historical context, how were they received, what influence did they have and to what criticism were they subjected, what was it like not to make certain distinctions, not to see certain errors, of fact or of logic, not to know what has subsequently become known? On the other hand, one seeks to assess: how valuable and how valid are the ideas, to what fruitful insights and explanations do they lead, how do they stand up to analysis and to the evidence, what is their present value? Yet it seems that it is only by inducing oneself not to see and only by seeing them that one can make a critical assessment. The only solution is to pursue both aims--seeing and not seeing--simultaneously. More particularly, this book has the primary object of achieving that sympathetic understanding without which no adequate critical assessment is possible. It is a study in intellectual history which is also intended as a contribution to sociological theory.

Emile Durkheim Robert Alun Jones, 1986 Professor Jones gives a succinct and critical analysis of the sociological theories and methodology of Emile Durkheim. He focuses on four of Durkheim's books -- *The Division Of Labour In Society* (1893), *The Rules Of Sociological Method* (1895) and *The Elementary Forms Of Religious Life* (1912). With an illuminating chapter analysis of each work, this text is ideal for undergraduate and graduate students.

Readings from Emile Durkheim Prof Kenneth Thompson, 2004-08-02 First published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

Rules of Sociological Method Emile Durkheim, 1982-12 First published in 1895: Emile Durkheim's masterful work on the nature and scope of sociology--now with a new introduction and improved translation by leading scholar Steven Lukes. *The Rules of the Sociological Method* is among the most important contributions to the field of sociology, still debated among scholars today. Through letters, arguments, and commentaries on significant debates, Durkheim confronted critics, clarified his own position, and defended the objective scientific method he applied to his study of humans. This updated edition offers an introduction and extra notes as well as a new translation to improve the clarity and accessibility of this

essential work. In the introduction, Steven Lukes, author of the definitive biography *Emile Durkheim: His Life and Work*, spells out Durkheim's intentions, shows the limits of Durkheim's view of sociology, and presents its political background and significance. Making use of the various texts in this volume and Durkheim's later work, Lukes discusses how Durkheim's methodology was modified or disregarded in practice--and how it is still relevant today. With substantial notes on context, this user-friendly edition will greatly ease the task of students and scholars working with Durkheim's method--a view that has been a focal point of sociology since its original publication. *The Rules of the Sociological Method* will engage a new generation of readers with Durkheim's rich contribution to the field.

Emile Durkheim W. S. F. Pickering, 2001 A five volume collection of scholarly journal articles and chapters from books covering the subject of Emile Durkheim's work. The five volumes are thematically organized in the following sections: Volume I: 1. Durkheim: The man himself, 2. General sociology. Volume II: 3. Religion, 4. Epistemology and the philosophy of science. Volume III: 5. Morality and ethics, 6. Political sociology. Volume IV: 7. Suicide and anomie, 8. Division of labour and economics, 9. EducationP

The Elementary Forms of the Religious Life Émile Durkheim, Joseph Ward Swain, 2008-04-04 In this 1912 classic, a founder of modern sociology examines animism, naturism, totemism, myth, and ritual. Durkheim maintains that the source of religion and morality lies in collective consciousness, rather than in individual minds. His intriguing views are still a topic of debate among sociologists, anthropologists, ethnographers, philosophers, and theologians.

The Division of Labor in Society Emile Durkheim, 2014-02-25 In 1893, a young doctoral student was to publish an entirely original work on the nature of labor and production as they were being shaped by the industrial revolution. Emile Durkheim's *The Division of Labor in Society* studies the nature of social solidarity and explores the ties that bind one person to the next in order to hold society together. This revised and updated second edition fluently conveys original arguments for contemporary readers. Leading Durkheim scholar Steve Lukes's new introduction builds upon Lewis Coser's original -- which places the work in its intellectual and historical context and pinpoints its central ideas and arguments -- by focusing on the text's significance for how we ought to think sociologically about some central problems that face us today.--Back cover.

Emile Durkheim on Morality and Society Emile Durkheim, 1973 Selections from Durkheim's writings focus on the nature of his conception of society and its moral context.

Emile Durkheim Mustafa Emirbayer, 2008-04-15 This comprehensive volume ranges across the entire spectrum of contemporary sociological inquiry, as seen by Durkheim. It also includes secondary readings by social thinkers of today, connecting the classic writings of Durkheim to contemporary issues. Organizes Durkheim's writings thematically, in a comprehensive collection Includes selections from Durkheim's best-known writings as well as less widely-known texts that explore the themes of modern sociology Contains secondary readings by key contemporary social thinkers today Connects

the classic writings of Durkheim to contemporary issues Includes a substantial editorial introduction by a leading Durkheim scholar

The Elementary Forms of Religious Life Émile Durkheim, 2001 Karen Fields has given us a splendid new translation of the greatest work of sociology ever written, one we will not be embarrassed to assign to our students. In addition she has written a brilliant and profound introduction. The publication of this translation is an occasion for general celebration, for a veritable 'collective effervescence.'-- Robert N. Bellah Co-author of *Habits of the Heart*, and editor of *Emile Durkheim on Morality and Society* This superb new translation finally allows non-French speaking American readers fully to appreciate Durkheim's genius. It is a labor of love for which all scholars must be grateful.--Lewis A. Coser

Sociology and Philosophy (Routledge Revivals) Emile Durkheim, 2009-12-15 First published in English in 1953, this volume represents a collection of three essays written by seminal sociologist and philosopher Emile Durkheim in which he puts forward the thesis that society is both a dynamic system and the seat of moral life. Each essay stands alone, but their connecting thread is the dialectic demonstration that a phenomenon, be a sociological or psychological one, is relatively independent of its matrix. The essays provide a valuable insight into Durkheimian thought on sociological and philosophical matters and offer an excellent guide to Durkheim for students of both disciplines.

Readings from Emile Durkheim Emile Durkheim, 1989

Emile Durkheim Stephen Turner, 2003-09-02 International scholarship over the last twenty years has produced a new understanding of Emile Durkheim as a thinker. It has contributed to reassembling what, for Durkheim, was always a whole: a sociological selection on morals and moral activism. This volume presents an overview of Durkheim's thought and is representative of the best of contemporary Durkheim scholarship.

Emile Durkheim Ivan Strenski, 2017-05-15 A new appreciation of Durkheim, now into its fourth decade, has extended our grasp of his intellectual ambitions beyond standard academic boundaries. Contributions to this revival of interest in Durkheim, many secreted away in obscure periodicals, are well worth being recognized for their unqualified excellence in helping us to uncover the original Durkheimian intellectual project in all its interdisciplinary complexity. Besides classic Durkheimian subjects such as religion, social solidarity and suicide, these studies bring to light Durkheim's intellectual inquiry into political theory, comparative ethnology, social reconstruction, questions of civil society, and his articulation of an updated individualism in conversation with Marx, Hegel, Spencer and others. Authors who have helped us attain this more rounded conception of the Durkheimian project include such well-known figures as Robert N. Bellah, Robert Alun Jones, Anthony Giddens, W. S. F. Pickering and Edward Tiryakian. More than matching these contributions are the surprising writings by authors from across the disciplines, including such contemporaries of Durkheim as historian Henri Berr and theologian Alfred Loisy, as well as modern-day writers who deserve to be much better known, such as philosopher, John

Brooks III or historian John Bossy. Although this collection is overwhelmingly drawn from sources in English, two classic critical pieces by French contemporaries of Durkheim enhance the value of this anthology.

Emile Durkheim and His Sociology Harry Alpert, 1969

MORAL EDUCATION Emile Durkheim, 1973-10 18 lectures by an influential theorist who discusses school as an appropriate setting for moral education. A pioneer of sociology, Durkheim explains the first element in fostering morality as the development of a sense of discipline, followed by a willingness to behave in accordance with collective interest, and a sense of autonomy.

Selected Writings Émile Durkheim, 1972 This is the only collection of Durkheim's writings to draw upon the whole body of his work. Many of the texts in the book are here translated for the first time. Dr. Giddens takes his selections from a wide variety of sources and includes a number of items from untranslated writings in the *Revue Philosophique*, *Année Sociologique* and from *L'évolution pédagogique en France*. Selections from previously translated writings have been checked against the originals and amended or re-translated where necessary. Dr. Giddens arranges his selections thematically rather than chronologically. However, extracts from all phases of Durkheim's intellectual career are represented, giving the date of their first publication, which makes the evolution of his thought easily traceable. In his introduction Dr. Giddens discusses phases in the interpretation of Durkheim's thought, as well as the main themes in his work, with an analysis of the effects of his thinking on modern sociology. The book is for students at any level taking courses in sociology, social anthropology and social theory, for whom Durkheim is one of the major writers studied.

Education and Sociology Émile Durkheim, 1956

Readings from Emile Durkheim Emile Durkheim, Kenneth Thompson, 2004 This publication celebrates the 50th anniversary of the *Journal of Documentation*. It reviews the progress of documentation and information provision.

Emile Durkheim on the Family Mary Ann Lamanna, 2001-10-24 This valuable source for a systematic and comprehensive understanding of Durkheim's ideas on the family constitutes a major addition to the literature on the family, social theory, women's studies, and family law. Highly recommended for upper-division undergraduates and above. -CHOICE *Emile Durkheim on the Family* is intended to bring attention to this classical sociologist's work on the family. Durkheim's writings in this area are little known, but the family was nevertheless one of his primary interests, the subject of an intended book that was never written. Durkheim's ideas on the family appear only in scattered sources and a number of those sources have not been translated into English. Durkheim's *Sociology of the family* has not heretofore been presented and analyzed holistically. The purpose of Lamanna's book is to bring together Durkheim's ideas on the family from diverse sources and to present his family sociology systematically and comprehensively. Quotations from Durkheim's writing or speaking enrich the analysis. Durkheim's work on the family is situated in its historical context and comparisons are drawn to present-day sociology of the

family is situated in its historical context and comparisons are drawn to present-day sociology of the family and family issues. Chapter topics include: Durkheim's life and times His evolutionary theory of the family Methodologies for studying the family The changing relationship of kin Conjugal family and the state The interior of the family Family policy Gender Sexuality An examination of Durkheim's work on the family reveals its close connections to his well-known books and theories. Emile Durkheim on the Family should interest audiences in sociology of the family, social theory, family science, European intellectual history women's studies, legal history, and those generally interested in family studies and / or nineteenth and early twentieth century Europe.

However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Books By Emile Durkheim, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Books By Emile Durkheim books or magazines might include. Look for these in online stores or libraries. Remember that while Books By Emile Durkheim, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Books By Emile Durkheim eBooks for free,

including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Books By Emile Durkheim full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Books By Emile Durkheim eBooks, including some popular titles.

FAQs About Books By Emile Durkheim Books

What is a Books By Emile Durkheim PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Books By Emile Durkheim PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Books By Emile Durkheim PDF?** Editing a PDF can be done with

software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Books By Emile Durkheim PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Books By Emile Durkheim PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password

protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
