Patrick Mork

Step Back and LEAP Patrick Mork, 2023-08-15 Have you ever woken up in the middle of the night and thought, “Where the hell is my life going?” All of us have been there and most of us struggle to find the answer to simple but difficult questions like “What do I really want?” and “How do I actually make it happen?” Patrick Mork, a former Google exec and serial tech marketer, hit that wall in 2017. After being fired twice in the span of 18 months at two different startups, he woke up one day terrified by the realization that what he had spent the past 20 years doing no longer excited him and that his passion for it was gone. Divorced, nearly bankrupt and teetering on the edge of depression, his life and career were in ruins. Fast forward 5 years. Patrick has become a highly sought after CEO coach and motivational speaker, built one of the fastest growing leadership development startups in South America, and moved to Santiago, Chile. He and his team have impacted 1,000’s of people and developed leaders and high performance teams for clients including Walmart, Liberty Media and regional unicorns like Xepelin and Betterfly. Step Back and Leap! Is an authentic, personal and raw series of stories that trace the author's life and challenges. From being bullied as a kid in Mexico, to flaming out in a startup destined for stardom in Silicon Valley. From starting a company at age 47 in a foreign country to surviving a near-revolution in the streets of Santiago, Chile. Each chapter recounts dramatic, real-life challenges Patrick faced and the 9 indispensable “keys” he used to systematically overcome each challenge. But it doesn’t require a fortune, an MBA from a top school or having worked at Google to make radical, profound changes in your life. Anyone can do it. With the right tools, support, perspective and hard work. Step Back and LEAP details 9 powerful keys to help you unlock your true self and live a life of purpose and meaning that is in line with your values. Each key is supported by a series of proven, practical exercises which will help move you from inspiration to action as you start to become the person you really want to be. “What might be possible if you could live a life of purpose and meaning?” Imagine the possibilities.... What readers are saying: “A powerful book to find courage to live life intentionally and with meaning. Patrick's life story is inspiring and his learnings can be applied to everyone. Through humanity, vulnerability and charisma, Patrick helps us reflect and find ways to face challenges and reinvent oneself. Worth reading!” Barbara Martin Coppola, CEO of Decathlon “An inspiring life story of making difficult professional and life changes. Patrick has assembled a worthy collection of life and career lessons, with plenty of humor, humility and vulnerability, and turned this into a practical set of insights and exercises that are really helpful for startups and larger company CEOs and

executives alike.” Matthijs Glastra, CEO of Novanta (NASD: NOVT) I’ve known and worked closely with Patrick for over a decade and know that many would benefit from this book which is a result of his deep self reflections and focus on constant, transformational change. Congratulations Patrick! Thank you for letting me be a small part of this amazing journey. Brad Bao, Founder and Chairman at LIME Part-autobiography, part self-help manual, Step Back and Leap is a captivating read from the get go. Patrick Mork has lived a rich, varied life and he's a strong storyteller, which might be why I found myself racing through this book in a single day. Mork is both open and unapologetic about his failures and successes alike, which makes the book refreshing and insightful. He articulates the classic problems of Marketing in Silicon Valley (and more broadly in tech), drives home the importance of purpose, and layers in a series of useful tips and exercises he's developed in his latest career as an executive/ corporate team coach. And when he takes you on the white knuckle ride of the Sequoia Century, you'll be hanging on the edge of your seat. As a three-time CMO on the cusp of (exciting) career change, I found myself scribbling down some of the bolder pieces of advice to take on my next journey. In the end, you may not agree with every square inch of Mork's approaches and philosophy, but you will exit the book entertained and inspired to be bolder in seeking your own truth. Leela Srinivasan, CEO at Parity, Board Member Upwork I can't recommend this book enough. From career to personal advice, this book taught me so much. I'm going through a pivotable time in my career as well as ending my 19 year marriage. I really took a lot of the advice to heart, especially around my values (and not deviating from them!), as well as learning from step backs in my career. Thank you Patrick for such sound advice! Erica M. Larsen - Gaming & CG&E Sales Coach at Google “I found it a fascinating (and unexpected) marriage of memoir and business. Sometimes I was so absorbed in the narrative that I forgot the book had business purpose, and then you would insert a pithy quote, an apropos reference, or an on-point exercise that grounded me in the lesson! “ David M.M. Taffet (serial entrepreneur and CEO) “The sustained narrative, of both your life and your career, moved me to tears on several occasions. If this book does not inspire others to live better, be better, lead better and just generally work harder on themselves, then nothing else will. You have created a treasure! Claire Harbour (Executive coach, Insead MBA, Former GM at LVMH)

Unlock Your Greatness Zig Ziglar, 2024-04-16 In this life-changing book, Zig will show you how to unleash your own hidden potential. By working methodically through the 6 steps that are outlined in each of the book's 6 chapters, you will have the perfect combination to unlock your greatness, and firmly establish your lasting imprint on the world. You'll be using the power of your mind to achieve a level of self-confidence and success that you previously thought were out of reach. The core idea that Zig will present to achieve this, is one that Zig learned from the classic researcher Maxwell Maltz---and that's the idea of self-image. While the term "self-image" is rarely used today, this breakthrough idea is at the core of much modern thinking in psychology and neuroscience. Until you change the "image" you have of yourself in your brain, you'll never achieve the goals you have for yourself, due to self-sabotage and other neural factors that keep you locked safely in your comfort zone. Another way of thinking of the concept of "self-image" and how to program one's self-image for positive results is what Zig considers the preferred outcome---which is "self-transformation." So when Zig discusses "self-image" let it trigger the idea of self-transformation. If you follow the steps that follow, and unleash the power of your mind to develop a positive self-image, you will unlock your greatness.....and Zig will see YOU at the top! You will learn how to: Acquire a healthy self-image Find success Become more positive Cultivate great relationships

Don't Call Me Christina Kringle Chris Grabenstein, 2013-12-17 This December, a girl who hates Christmas is in for the surprise of her life Ten-year-old Christina Lucci absolutely despises everything about Christmas. The carols, the eggnog, the decorations—and most of all, Santa Claus. And for good reason: It all reminds her of her firefighter father, who loved the holiday season but died on the job last Christmas. For Christina, no Christmas will ever be merry again. To make things worse, this year, her grandfather's shoe repair shop is failing. Bills keep piling up and the bank is ready to seize the shop. What Christina needs is a Christmas miracle. With the holidays fast approaching, Christina's miracle comes in the form of magical brownies, spunky little creatures who just happen to be great at repairing shoes. These tiny helpers have the power to turn Christina's whole life around—and maybe even get her back in the Christmas spirit.

Blown to Bits R. M. Ballantyne, 2022-04-06 First published just 6 years after the eruption of Krakatoa, 'Blown to Bits' by Scottish author R.M. Ballantyne is set against the backdrop of this seismic environmental event. Nigel Roy is first mate aboard his father's ship the 'Sunshine' when they feel an ominous change in the weather. In the storm that ensues their ship is badly damaged, and they are forced ashore on the Cocos Islands. While exploring this new and unfamiliar place, Nigel has all kinds of escapades - and makes plenty of new friends along the way. Based on real events 'Blown to Bits' is a fascinating adventure story by the popular author R.M. Ballantyne. R.M. Ballantyne (1825-1894) was a Scottish artist and prolific author of mostly children's fiction. Born in Edinburgh, Ballantyne was the ninth of ten children. At the age of 16 Ballantyne moved to

Canada, where he worked for the Hudson's Bay Company, travelling all over the country to trade for fur. He returned to Scotland in 1847 following the death of his father, and it was then that he began his literary career in earnest, writing over 100 children's adventure books over the course of his life. Stories such as 'The Coral Island' and 'The Young Fur Traders' were hugely popular, and many of them drew on his own experiences of travelling throughout Canada. A stickler for detail, Ballantyne continued to travel widely to research the backgrounds and settings for his exciting stories. His tales became an inspiration for authors of the future, including 'Treasure Island' novelist Robert Louis Stevenson. Ballantyne spent the latter period of his life living in London and Italy for the sake of his health. He died in Rome in 1894 at the age of 68.
