

Good King Arthur Books

E.D. Hirsch, Jr.

The Complete King Arthur John Matthews, Caitlín Matthews, 2017-04-24 A comprehensive examination of the historical and mythological evidence for every major theory about King Arthur • Explores the history of every Arthur candidate and the geographical arguments that have placed him in different locations • Examines 1,800 years of evidence for Arthur's life and the famous series of 12 battles fought against the Saxons in the 6th century • Reconstructs the history of the 6th century in Britain, when the first references to Arthur and the core events of his reign appear Few legends have had the enduring influence of those surrounding King Arthur. Many believe the stories are based on historical truth. For others Arthur represents the archetype of the brilliant monarch reigning over a fairy-tale kingdom, offering his knights the opportunity to prove their mettle in battle and find gnostic illumination through initiation into sacred mysteries like that of the Grail. Presenting the culmination of more than 40 years' research, John and Caitlín Matthews examine the historical and mythological evidence for every major theory about the existence of King Arthur. Drawing on modern techniques in archaeology and scholarship, they reconstruct the history of the 6th century in Britain, the period when the first unambiguous references to Arthur appear. They explore the history of every Arthur candidate, the geographical arguments that have placed him in different locations, and the evidence for his life and famous battles fought against the Saxons. Was the greatest British hero of all time not a king but a 2nd-century Roman officer active around Hadrian's Wall in Cumbria? A 5th-century soldier who operated in areas as far apart as Cornwall, Wales, Scotland, or Brittany? Or an entirely mythical fiction that provided a figure of light during a dark period of British history? Examining other literary figures from the 5th century such as Vortigern and Ambrosius, the authors also break down the plots of all the major Arthurian romances, including those by Chretien de Troyes, Sir Thomas Malory, and Robert de Boron, to reveal the historical events they are based on. Piecing together the many fragments that constitute the image of Arthur, both the man and the myth, the authors show how each face of Arthur has something to offer and how his modern popularity proves the enduring power of the hero-myth, truly earning Arthur the title he first received in the 15th century: The Once and Future King.

...*The Magic of Books* Anne Putnam Sanford, Robert Haven Schauffler, 1929

The Book of Marvellous Adventures Sir Thomas Malory, 1894

The Hundred Books Glyn Hughes, 2016-10-03 There's a set of books which you're just supposed to know about, at least if

you live in The West and fancy the idea of being thought 'educated'. There's the Bible, Shakespeare, James Joyce, Walter Scott and Machiavelli. Dr Jekyll, Tiny Tim, Starbuck, Socrates, Mr. Scrooge, Raskolnikov, Einstein and Enkidu. The Brontes and Boswell, Wordsworth, Newton Confucius and Don Quixote. Here they all are. 100 of the most quoted, most known, works of all time, in the original author's own words, but squashed up into nice little abridgements you can read in an hour or so. Little versions which smell and sound just like the originals. And ... with The Hundred Books it becomes possible to read the whole thing as a single narrative, to discover a Pisgah View of the written history of the great grand thing of how We got where We are now, in way that's just impossible for ordinary mortals. Read the lot, you'll love it, and you'll never, ever, be bored in an airport again.

The Best Books William Swan Sonnenschein, 1895

A Bibliography of Modern Arthuriana (1500-2000) Ann F. Howey, Stephen Ray Reimer, 2006 Annotated bibliography of the Arthurian legend in modern English-language fiction, not only in literary texts, but in television, music, and art. The legend of Arthur has been a source of fascination for writers and artists in English since the fifteenth century, when Thomas Malory drew together for the first time in English a variety of Arthurian stories from a number of sources to form the *Morte Darthur*. It increased in popularity during the Victorian era, when after Tennyson's treatment of the legend, not only authors and dramatists, but painters, musicians, and film-makers found a source of inspiration in the Arthurian material. This interdisciplinary, annotated bibliography lists the Arthurian legend in modern English-language fiction, from 1500 to 2000, including literary texts, film, television, music, visual art, and games. It will prove an invaluable source of reference for students of literary and visual arts, general readers, collectors, librarians, and cultural historians--indeed, by anyone interested in the history of the ways in which Camelot has figured in post-medieval English-speaking cultures. ANN F. HOWEY is Assistant Professor at Brock University, Canada; STEPHEN R. REIMER is Associate Professor at the University of Alberta, Canada

Books to Build On E.D. Hirsch, Jr., 2009-10-14 The invaluable grade-by-grade guide (kindergarten—sixth) is designed to help parents and teachers select some of the best books for children. *Books to Build On* recommends:

- for kindergartners, lively collections of poetry and stories, such as *The Children's Aesop*, and imaginative alphabet books such as Bill Martin, Jr.'s *Chicka Chicka Boom Boom* and Lucy Micklewait's *I Spy: An Alphabet in Art*
- for first graders, fine books on the fine arts, such as Ann Hayes's *Meet the Orchestra*, the hands-on guide *My First Music Book*, and the thought-provoking *Come Look with Me* series of art books for children
- for second graders, books that open doors to world cultures and history, such as Leonard Everett Fisher's *The Great Wall of China* and Marcia Willaims's humorous *Greek Myths for Young Children*
- for third graders, books that bring to life the wonders of ancient Rome, such as *Living in Ancient Rome*, and fascinating books about astronomy, such as Seymour Simon's *Our Solar System*
- for fourth graders, engaging books on history, including Jean

Fritz's Shh! We're Writing the Constitution, and many books on Africa, including the stunningly illustrated story of Sundiata: Lion King of Mali • for fifth graders, a version of Shakespeare's A Midsummer Night's Dream that retains much of the original language but condenses the play for reading or performance by young students, and Michael McCurdy's Escape from Slavery: The Boyhood of Frederick Douglass • for sixth graders, an eloquent retelling of the Iliad and the Odyssey, and the well-written American history series, A History of US . . . and many, many more!

King Arthur John Matthews, 2008-01-15 Details the mythic life of King Arthur, the history of Arthurian legend, and the popular themes and characters associated with the legends.

KING ARTHUR OF CAMELOT: The History & The Myth of King Arthur and the Knights of the Round Table (10 Books in One Volume) Howard Pyle, Richard Morris, James Knowles, T. W. Rolleston, Thomas Malory, Alfred Tennyson, Maude L. Radford, 2023-11-16 KING ARTHUR OF CAMELOT: The History & The Myth of King Arthur and the Knights of the Round Table offers a sweeping exploration of Arthurian legends through a myriad of literary lenses. This anthology weaves a tapestry of myth, history, and chivalric romance, providing a rich and diverse portrayal of one of literature's most enduring legends. Encompassing poetic odes, narrative epics, and historical retellings, the collection invites readers into the grandeur and intrigue of Camelot. Notable within this compilation are tales that delve into the gallantry of the Round Table and the complex relationships between its knights, each story adding depth and texture to the mystique of Arthur's realm. The anthology features works from celebrated authors including Howard Pyle, Richard Morris, and Thomas Malory, among others, whose stories and poems reflect a deep engagement with medieval romance and its Renaissance resurgence. Each author brings a unique cultural and historical perspective, contributing to the continuity and evolution of Arthurian lore. This blending of voices captures the essence of chivalric ideals and folklore, highlighting intertextualities with literary movements that immortalized King Arthur's legend over the centuries. For scholars, enthusiasts, and newcomers alike, KING ARTHUR OF CAMELOT offers an invaluable opportunity to explore the richness of Arthurian tradition. It presents an immersive journey through styles and epochs, each piece enhancing an understanding of courtly love, knightly valor, and legendary quests. This anthology not only educates but also stimulates dialogue and reflection on how these timeless tales continue to shape literary and popular culture. A captivating assembly of myth, magic, and moral complexity, it promises to deepen the reader's appreciation for the archetypal heroism embedded within King Arthur's legend.

A Catalogue of the Best Books in Every Department of Literature Burrows Brothers Company, Cleveland, 1900

Best Work of Sir Thomas Malory: Le Morte d'Arthur: Volume 2 and Le Morte d'Arthur: Volume 1 Sir Thomas Malory, 2024-09-06 Embark on an Epic Journey through the Legends of King Arthur with Sir Thomas Malory's Timeless Masterpieces Discover the enchanting tales of chivalry, honor, and adventure with this captivating 2 Ebook combo, presenting Sir Thomas Malory's iconic retelling of the Arthurian legends in Le Morte d'Arthur. Enter the mythical realm of Camelot, where King Arthur, the noble knights of the Round Table, and the enchanting Lady Guinevere embark on quests of bravery, romance, and destiny. From the forging of Excalibur to the tragic downfall of Camelot, Volume 1 of *Le Morte d'Arthur* sets the stage for a sweeping epic of love, betrayal, and redemption. Experience the Majesty and Magic of Camelot: Can Honor and Virtue Triumph Over Adversity? Join the Legendary Quest! As you journey through the pages of Sir Thomas Malory's epic retelling, ponder the timeless themes of loyalty, destiny, and the enduring power of myth. Can the ideals of Camelot inspire us to be better, nobler beings, or are they mere echoes of a bygone age? The answers await within these immortal tales, inviting you to embark on a quest for truth, honor, and the quest for the Holy Grail. Unlock the Gates of Arthurian Legend - Begin Your Journey Today!

Arthurian Literature XIII James P. Carley, Felicity Riddy, 1995 Latest volume in this series containing the best new work on Arthurian topics.

The Fortunes of King Arthur Norris J. Lacy, 2005 Offer an overview and a number of examinations of Arthur's fortunes. This work reveals the role of Fortune itself, often personified and consistently instrumental, in accounts of Arthur's court and reign. It traces the trajectory of the Arthurian legend, and follows the turning of Fortune's wheel, emphasizing the flourishing of the legend.

The Great Book of King Arthur John Matthews, 2022-05-03 Foreword by Neil Gaiman The world's leading Arthurian authority reimagines one of the most beloved and influential legends--the story of King Arthur and his Knights--for a new century in this gorgeous keepsake edition, illustrated with luminous full-color paintings and drawings by internationally acclaimed Tolkien artist John Howe. The stories of King Arthur and Merlin, Lancelot and Guinevere, Galahad, Gawain, Tristan and the rest of the Knights of the Roundtable, and the search for the Holy Grail have been beloved for centuries and are the inspiration of many modern fantasy novels, films, and shows. These legends began when an obscure Celtic hero named Arthur stepped on to the stage of history sometime in the sixth century, generating a host of oral tales that would be inscribed some 900 years later by Thomas Malory in his classic *Morte D'Arthur* (*The Death of Arthur*). The Great Book of King Arthur brings these legends into the modern age, using accessible prose for contemporary readers for the first time. In addition to the stories in *Morte D'Arthur*, John Matthews includes many tales of Arthur and his knights either unknown to Malory or written in other languages, such as the story of Avenable, the girl brought up as a boy who becomes a famous

knight; Morien, whose adventures are as fantastic and exciting as any found in Malory's work; and a retelling of the life of Round Table favorite Gawain, from his strange birth to his upbringing among the poor to his ascension to the highest position--Emperor of Rome. In addition, there are some of the earliest tales of Arthur, deriving from the tradition of Celtic storytelling. The epic hero is represented in such powerful stories as *The Adventures of Eagle-boy* and *The Coming of Merlin*, which is based on the early medieval text *Vita Merlini* and tells a completely new version of the great enchanter's story. The *Great Book of King Arthur* includes 15 full-color paintings and 25 pencil drawings.

The Complete Le Morte d'Arthur Sir Thomas Malory, 2016-12-22 The tales of the legendary King Arthur and his round table of noble knights. The rise of King Arthur is often forgotten in our real world as we seek real world facts about where the legend came from. The original text does not worry about factual answers instead relying on the imagination and the fairy tale personalities of the Lady of the Lake, Merlin, Lancelot and all the rest of the noble characters that arise in these stories.

The Penguin Book of Romantic Poetry Jonathan Wordsworth, 2005-05-26 The Romanticism that emerged after the American and French revolutions of 1776 and 1789 represented a new flowering of the imagination and the spirit, and a celebration of the soul of humanity with its capacity for love. This extraordinary collection sets the acknowledged genius of poems such as Blake's 'Tyger', Coleridge's 'Kubla Khan' and Shelley's 'Ozymandias' alongside verse from less familiar figures and women poets such as Charlotte Smith and Mary Robinson. We also see familiar poets in an unaccustomed light, as Blake, Wordsworth and Shelley demonstrate their comic skills, while Coleridge, Keats and Clare explore the Gothic and surreal.

Public Libraries ,1909

The Arthurian World Victoria Coldham-Fussell, Miriam Edlich-Muth, Renée Ward, 2022-06-30 This collection provides an innovative and wide-ranging introduction to the world of Arthur by looking beyond the canonical texts and themes, taking instead a transversal perspective on the Arthurian narrative. Together, its thirty-four chapters explore the continuities that make the material recognizable from one century to another, as well as transformations specific to particular times and places, revealing the astonishing variety of adaptations that have made the Arthurian story popular in large parts of the world. Divided into four parts—The World of Arthur in the British Isles, The European World of Arthur, The Material World of Arthur, and The Transversal World of Arthur — the volume tracks the legend's movement across temporal, geographical, and material boundaries. Broadly chronological, each part views the unfolding Arthurian story through its own lens, while temporal and geographical overlaps between the sections underscore the proximity of these developments in the legend's history. Ranging from early Latin chronicles and Welsh poetry to twenty-first century anime and political conspiracies, this comprehensive and illuminating book will be of interest to anyone researching Arthurian literature or tracing the evolution of medievalism through literature, the visual arts, and popular culture.

King Arthur in America Alan Lupack, Barbara Tapa Lupack, 1999 King Arthur in America analyzes the tremendous appeal of the Arthurian legends in America by examining the ways that Americans have found to democratize the Matter of Britain and to incorporate aspects of it not only into America's own mythologies but also into literature, film, social history, and popular culture.
