**Oregon Wine Country Stories** Kenneth Friedenreich,2018-04-09 Just fifty years ago, Oregon had no wine industry of consequence. Today, the state teems with a wine culture that matches the fecundity of its land and the vital spirit of its people. The pioneers who dared that tradition into being, from astrophysicists to cherry farmers to harpsichord makers, stand poised to pass on their legacy to an eager new generation. The bold experimentation of urban wineries now joins the steady contributions of outstanding producers like Bethel Heights, Cerulean Skies, Eyrie and Honeywood. Kenneth Friedenreich, a noted Oregon wine writer and an equally ardent Oregon wine devotee, seizes this moment of transition to probe the state's fascinating oenological frontiers and evaluate the repercussions of the industry's dramatic success. Based on dozens of interviews and even more glasses of wine, this drinking companion volume traverses the full range of Oregon's viticultural areas, providing useful AVA maps, historical photos and extensive winery listings.

**The Delta in the Rearview Mirror** Di Rushing, 2024-01-25 After graduating from Mississippi State University in 1976, Di Rushing and her husband, Sam, found themselves back on their family farm near Merigold, Mississippi, with 350 acres and no real clue what to do. The couple decided to open the first winery in Mississippi, and with it, a successful business was born. Six years later, a small restaurant joined the Delta winery. Both businesses were thriving by 1990, with eight national award-winning wines, a beautiful vineyard, and a successful restaurant. But in March of 1990, a series of unforeseen events rocked the operation. After the Rushings discovered one of the tour guides, Ray Russell, selling drugs in the winery parking lot, they fired him. He responded with a terrorizing vengeance that persisted over the next nine months. In the early morning hours, the former guide broke into the winery, crept into the wine cellar, and released the entire inventory—nearly a quarter of a million dollars' worth—down the drain. Fortunately, his incompetence thwarted his most destructive intention to blow up the restaurant. In his rampage, he broke all the windows, which allowed the gas from the kitchen oven to escape, sparing the premises. Though the Rushings rebuilt with the help of their community, Russell continued to stalk and threaten the young family. As his menacing behavior continued to escalate, the Rushings closed their business of fourteen years and moved to Ouray, Colorado, where they began rebuilding their lives. Culminating in the sudden, violent murders of Russell, his wife, and his father twenty-five years later, this book tells a story of both shock and resilience, charting Mississippi history in the process. Intertwined with the true crime narrative, *The Delta in the Rearview Mirror: The Life and Death of Mississippi's First Winery* details author Di Rushing's life in and out of Mississippi, including growing up in 1960s Greenville, attending university, traveling overseas, and the relationships she cultivated along the way.

The book also contextualizes western and non-western theories, paradigms, and practices, in order to sustain independent, ecological, and critical methodologies for intercultural business. By articulating principles, theories, structures, performances, and aesthetics across different cultures and communication channels, the networks of cultural codes and practices emerge and are critically observed, blurring conceptual frontiers and challenging conventional criteria of legitimation.

**Hey, Hun** Emily Lynn Paulson, 2023-05-30 She signed up for the sisterhood, free cars, and the promise of a successful business of her own. Instead, she ended up with an addiction, broken friendships, and the rubble of a toppled pyramid . . . scheme. HEY, HUN: SALES SISTERHOOD, SUPREMACY, AND THE OTHER LIES BEHIND MULTILEVEL MARKETING is the eye-opening, funny, and dangerous personal story of author Emily Lynn Paulson rising to the top of the pyramid in the multilevel marketing (MLM) world, only to recognize that its culture and business practices went beyond a trendy marketing scheme and into the heart of white supremacy in America. A significant polemic on how MLMs operate, HEY, HUN expertly lays out their role in the cultural epidemic of isolation and the cult-like ideologies that course through their trainings, marketing, and one-on-one interactions. Equally entertaining and smart, Paulson's first-person accounts, acerbic wit, and biting commentary will leave you with a new perspective on those "Hey Hun" messages flooding your inbox. "This book is a must-read for all women, especially those struggling with the deep ache to belong, be successful, or feel their self-worth. HEY, HUN is at once a cautionary tale, an educational service, and a vulnerable memoir. It's essential reading for anyone considering joining, trying to escape, or healing from the toxic, culty structure that is MLM." — Sarah Edmondson, actress, host of A Little Bit Culty podcast, author of Scarred: The True Story of How I Escaped NXIVM, the Cult That Bound My Life "Emily's experience is so raw, honest, and relatable that HEY, HUN should be required reading for anyone involved with MLM—past, present, or future." — Roberta Blevins, anti-MLM advocate, host of the Life After MLM podcast, and star of the LulaRich documentary

**What If This Were Enough?** Heather Havrilesky, 2018-10-02 \*A Publishers Weekly Best Book of 2018\* \*A Bustle Best Nonfiction Book of 2018\* \*One of Chicago Tribune's Favorite Books by Women in 2018\* \*A Self Best Book of 2018 to Buy for the Bookworm in Your Life\* By the acclaimed critic, memoirist, and advice columnist behind the popular Ask Polly, an impassioned collection tackling our obsession with self-improvement and urging readers to embrace the imperfections of the everyday Heather Havrilesky's writing has been called whip-smart and profanely funny (Entertainment Weekly) and required reading for all humans (Celeste Ng). In her work for New York, The Baffler, The New York Times Magazine, and The Atlantic, as well as in Ask Polly, her advice column for The Cut, she dispenses a singular, cutting wisdom--an ability to inspire, provoke, and put a name to our most insidious cultural delusions. What If This Were Enough? is a mantra and a clarion call. In its chapters--many of them original to the book, others expanded from their initial publication--Havrilesky takes on those cultural forces that shape us. We've convinced ourselves, she says, that salvation can be delivered only in the form of new products, new technologies, new lifestyles. From the allure of materialism to our misunderstandings of romance and success, Havrilesky deconstructs some of the most poisonous and misleading messages we ingest today, all the while suggesting new ways to navigate our increasingly bewildering world. Through her incisive and witty inquiries, Havrilesky urges us to reject the pursuit of a shiny, shallow future that will never come. These timely, provocative, and often hilarious essays suggest an embrace of the flawed, a connection with what already is, who we already are, what we already have. She asks us to consider: What if this were enough? Our salvation, Havrilesky says, can be found right here, right now, in this imperfect moment.
