The King Christopher Andersen, 2022-11-08 From #1 New York Times bestselling author Christopher Andersen comes a vivid and unsparing yet sympathetic portrait of one of the most complex and enigmatic figures of our time: Charles, who has taken his place on the throne after being the oldest and longest-serving heir in British history. Since the day Charles Philip Arthur George was born, he has been groomed to be King. After more than seventy years of waiting, he finally ascends the throne. The King examines the private life of this historically important and controversial figure, set against the grand, thousand-year sweep of the British monarchy. This richly detailed biography covers it all, from his military training to his marriage to Lady Diana, through their separation and her tragic death to his marriage to Camilla Parker Bowles. In the process, it provides a balanced but fully honest look into the life of the new monarch. This book will tell you what the King—a man who has remained something of an enigma, shrouded in speculation and intrigue—is really like. The King is the first biography of Charles since he has become monarch and serves as an authoritative chronicle of his life.

The Man I Loved Before Georgina Cutler, 2025-08-07 Some people go their whole lives without finding the one, but Jenny and Joe always knew they were meant to be. Until they weren't. A freak accident is all it takes to tear them apart. But Jenny has a secret. Joe never left. He's spent the past five months visiting her whenever she's alone, seemingly just as real - if a little less solid - as ever. Desperate to spend every waking minute with him, Jenny increasingly isolates herself from her friends and family. But everything starts to change when she meets Luca, the guy now living in her and Joe's old flat. It's certainly not love at first sight - in fact, they can't stand to be in the same room as each other - but as circumstances throw them together time and time again, Jenny is forced to rejoin the world, and it's not long before she finds herself having fun - something she hasn't been able to do for a very long time. And then the realisation hits: the more time she spends with Luca, the less Joe appears. Jenny knows she has a choice to make. But how will she ever let go of the man she loved before?
