

Original Our Father Prayer

John Bunyan

The Lord's Prayer, Newly Translated from the Original Greek, with ... Notes, by R. J. Thornton, ... a Frontispiece ... by Harlow, Etc ,1827

Our Father: The Lord's Prayer as a School of Desire John Paul Thomas,101-01-01 In the depths of every human heart lies a longing for something more—a desire that only God can fulfill. Yet our desires are often disordered, leading us away from rather than toward our Creator. How do we align our deepest yearnings with God's perfect will? In this profound spiritual work, you will discover the Lord's Prayer as more than a formula of words—it is a divine pathway of transformation, a school that reshapes our desires according to the heart of God. Drawing from the rich insights of Saints Augustine and Thomas Aquinas, this meditation guides readers through each petition of the prayer Jesus taught, uncovering its power to reorder our souls toward their ultimate purpose: eternal communion with God. Our Father: The Lord's Prayer as a School of Desire invites you to: Discover why the Lord's Prayer contains everything we should rightfully desire and in the perfect order Understand how each petition aligns with a Gift of the Holy Spirit and one of the Beatitudes Learn to make this prayer truly your own, allowing it to sanctify your mind, will, and desires Experience the freedom that comes when our prayers reflect God's desires for us rather than our own limited vision Whether you've recited these sacred words countless times or are encountering their depth anew, this book will transform your understanding of prayer itself—not as a means of changing God's will, but as the path by which God changes us. Begin the journey of allowing the prayer Christ taught to form you into the person God created you to be, where every desire of your heart glorifies Him and leads you to perfect beatitude.

The Our Father Gerhard Lohfink,2018-12-07 2020 Catholic Press Association first place award, books about prayer Can Christians still pray the Our Father in the twenty-first century? We can, and we must. Gerhard Lohfink breaks open its strange phrases like "hallowed be thy name," its off-putting language like "Father" and "kingdom," and its apparently harsh demands like forgive us as we have forgiven those who hurt us—all to shed light on Jesus' original words and their meaning. By probing what the prayer meant for Jesus and his first disciples in their world Lohfink calls us to allow the Our Father to break open our own minds and hearts to its infinite invitation and challenge for our time and for all ages.

The Gospel According to Saint-Matthew A. J. Maas,1898

Sermon on the Mount Amy-Jill Levine,2020-08-04 The Sermon on the Mount, Matthew 5-7, contains some of Jesus most profound and most memorable teachings. What might these teachings have mean to his disciples, and to the others who first heard them? How do they enhance our reading of the rest of the Gospel of Matthew, and how do they speak across the centuries to listeners today? How, if we pay careful attention to his words, does Jesus provide us a road map to living as God would have us live? In Sermon on the Mount: A Beginner's Guide to the Kingdom of Heaven, Dr. Amy-Jill Levine introduces the major topics in the Sermon on the Mount, explains historical and theological contexts, and shows how the words of Jesus echo his Jewish tradition and speak forward to reach hearts and minds today. This book provides a rich and challenging

learning experience for the individual reader and also makes a wonderful, six-week group study with the additional Leader Guide, DVD, and 40-day readings

Sacra Pagina: First and Second Thessalonians Earl J. Richard,2021-03-04 The letters First and Second Thessalonians are traditionally associated with the Pauline foundation of the Macedonian Church at Thessalonica. The first is seen as representing Paul's earliest epistolary efforts and as providing two successive moments in his long relationship as advisor to that community. Soon after leaving the area for the southern province of Achaia, Paul addresses the concerns of the new Gentile converts and at a later period responds more directly to queries received from the thriving and successful community. The second document, written in Paul's name and at a later date, attempts to calm the apocalyptic fervor of the community by reiterating its traditional eschatological and Christological teaching. After treating these introductory matters, this study provides a new translation of each section of the canonical text, explains in notes the pertinent textual and linguistic features of the text, and then offers in a series of interpretive messages a literary, rhetorical, and thematic analysis of the biblical documents. The constant concern of this commentary is to provide assistance to modern readers in discerning the relationship between the authors and their intended readers. Short bibliographies suggest other important modern studies.

The Myles Munroe's Kingdom Series Dr. Myles Munroe,2015-12-15 The Kingdom of God is here! The defining message of Dr. Myles Munroe's life and work—now available for the first time as a packaged collection. Santa Muerte Tracey Rollin,2017-10-01 Santa Muerte is a complete ritual guide to working with this famous and beloved Mexican folk saint. Death welcomes everyone. This is the foundation for the veneration of Santa Muerte, or Holy Death. Considered to be the female personification of death, she is associated with protection and safe passage to the afterlife. She is also the patron saint of people who live on the fringes of society and often face violence and death. In recent years her constituency has expanded to include the LGBT community and people who are marginalized or whose jobs put them at significant risk of death such as military and police personnel. Santa Muerte is hailed as their potent and powerful protector, capable of delivering them from harm and even granting miracles. Santa Muerte is a complete ritual guide to working with this famous--and infamous!--Mexican folk saint. It takes us beyond the sensational headlines to reveal the truth

about why Santa Muerte is so beloved by so many. Author Tracey Rollin presents simple, straightforward methods for working with Holy Death that may be used alone or easily incorporated into your own magical practice.
