

Saccheggio Roma Nel 41

Robert Appelbaum

The Sack of Rome, 1527 André Chastel, 2023-10-17 From a leading art historian of Renaissance Italy, a compelling account of the artistic and cultural impact of the sack of sixteenth-century Rome In this illustrated account of the sack of Rome as a cultural and artistic phenomenon, André Chastel reveals the historical ambiguities of preceding events and the traumatic contrast between the flourishing world of art under Pope Clement VII and the city after it was looted by the troops of Emperor Charles V in 1527. Chastel illuminates the cultural repercussions of the humiliation of Rome, emphasizing the spread or “Europeanization” of the Mannerist style by artists who fled the city—including Parmigianino, Rosso, Polidoro, Peruzzi, and Perino del Vaga. At the same time, Clement’s critics used the new media of printing and engraving to win over the people with caricatures and satirical writings, while Rome responded with monumental works affirming the legitimacy of the pope’s temporal power. Chastel explores both the world that was lost by the sack and the great works of art created during Rome’s recovery.

Il sacco e rovina di Sperlonga nel 1623 Curzio Mattei da Lenola, 2023-06-15 4 luglio 1623, Sperlonga. Un rinnegato traditore indica alla flotta ottomana un indifeso paesino di pescatori, arroccato su uno scoglio del turbolento mar Mediterraneo. Una preda facile sulla quale si abbatte improvvisa la furia devastatrice dell’assalto corsaro. Il panico si diffonde tra le barche in secca sulla spiaggia, ancora cariche di pesci, e risale gli stretti vicoli bianchi, dove le famiglie dei pescatori si preparavano, ignare, alla solita mattinata tranquilla. In pochi minuti il nemico sciama ovunque. Per gli Sperlongani è un si salvi chi può. La violenza senza limiti degli aggressori spazza via ogni morale. Cosa accadde veramente e di chi furono le colpe? A pochi giorni da quella sconvolgente tragedia popolare, il chirurgo e poeta di Lenola, Curzio Mattei,

redasse l'appassionante cronaca letteraria degli avvenimenti, in un dramma dai tratti epici e cavallereschi, ma anche duri e critici verso il potere e coloro che avevano trascurato Dio. Il sacco e rovina di Sperlonga nel 1623, riscoperto dal prof. Giovanni Pesiri e proposto in prima edizione nei quaderni de "La Madonna del Colle" di Lenola, nel 2020, è presentato ora in una versione integrale arricchita da brani di analisi storica e letteraria, grazie all'interessamento del Porto di Sperlonga.

Government Debts and Financial Markets in Europe Fausto Piola Caselli,2015-10-06 Contains essays by historians of economic and financial history. It illuminates the relationships between government indebtedness and the development of financial markets in Europe from the late Middle Ages to the late twentieth century.

Scritti in onore di Rodolfo Sacco Mauro Balestrieri,Pier Giuseppe Monateri,2024-05-13 Opera in due tomi dedicata alla memoria del prof. Sacco, una raccolta in cui ogni Autore, con il proprio contributo, ha tessuto una parte dell'ampio mosaico che rappresenta la vita e l'eredità di Rodolfo Sacco, unendo sotto lo stesso cielo persone di diverse inclinazioni, interessi scientifici, vite ed esperienze. Una testimonianza collettiva, ampia, solidale e condivisa, che riflette lo spirito dello stesso prof. Sacco: un punto di incontro, un ponte che unisce, un cuore capace di abbracciare ogni diversità. La sua vita è stata un esempio di come l'amore per la conoscenza, la passione per l'avventura e il rispetto per ogni individuo possano creare legami indissolubili tra persone di ogni cammino. In queste pagine gli Autori rendono omaggio ad un uomo che ha illuminato il cammino di coloro che lo hanno incontrato e offrono un tributo alla memoria del Prof. Sacco, sia come fonte di ispirazione sia come faro di conoscenza, amicizia e di tutti quei valori che lui ha incarnato e diffuso lungo la sua straordinaria vita.

Bullettino di archeologia cristiana Giovanni Battista de Rossi,1863

The Renaissance Discovery of Violence, from Boccaccio to Shakespeare Robert Appelbaum,2021-11-16 Many have wondered why the works of Shakespeare and other early modern writers are so filled with violence, with murder and mayhem. This work explains how and why, putting the literature of the European Renaissance in the context of the history of violence. Personal violence was on the decline in Europe beginning in the fifteenth century, but warfare became much deadlier and the stakes of war became much higher as the new nation-states vied for hegemony and the New World became a target of a shattering invasion. There are times when Renaissance writers seem to celebrate violence, but more commonly they anatomized it and were inclined to focus on victims as well as warriors on the horrors of violence as well as the need for force to protect national security and justice. In Renaissance writing, violence has lost its innocence.

Popular Protest and Ideals of Democracy in Late Renaissance Italy Samuel Kline Cohn,2022 The first study to analyse

popular protest across the Italian peninsula and the Venetian colonies during the early modern period, 1494 to 1559. Drawing on a vast range of contemporary documents, Samuel K. Cohn, Jr. places these incidents of popular protest and their patterns in comparative perspectives.

Debate and Dialogue Maijastina Kahlos, 2016-05-13 This book explores the construction of Christian identity in fourth and fifth centuries through inventing, fabricating and sharpening binary oppositions. Such oppositions, for example Christians - pagans; truth - falsehood; the one true god - the multitude of demons; the right religion - superstition, served to create and reinforce the Christian self-identity. The author examines how the Christian argumentation against pagans was intertwined with self-perception and self-affirmation. Discussing the relations and interaction between pagan and Christian cultures, this book aims at widening historical understanding of the cultural conflicts and the otherness in world history, thus contributing to the ongoing discussion about the historical and conceptual basis of cultural tolerance and intolerance. This book offers a valuable contribution to contemporary scholarly debate about Late Antique religious history and the relationship between Christianity and other religions.
