Within the Rose Garden guided meditations offer gentle but profound nourishment to the soul leading to a sense of inner peace and a deeper connectedness with the essential Self through a uniquely Western path. One reader affirms: 'I have travelled over a long time down many different roads to heal myself from the wounds I have suffered. Most books that teach you how to read the Tarot contain long lists of keywords for each card. With seventy-eight cards and multiple keywords for each card, that's hundreds of meanings to memorize! The easy, effective system outlined in *1-2-3 Tarot* will have you giving accurate readings right away without having to memorize anything. The key to this unique system is the Tarot sentence. A card's complex significance boils down to three elements: identity, action, and direction. These elements are matched with a noun, verb, and adverb to form a simple sentence and give you a succinct meaning for any given card. You'll learn how to interpret the collective meanings of three-card sets within a variety of spreads designed to answer any question. A quick-reference table that includes reversed meanings saves you the trouble of flipping through the book while you're in the middle of a reading. Flexible, fast, and fun, this foolproof method can be applied to any Tarot deck. Book jacket.
