*The Alchemist (Fantasy and Horror Classics)* H. P. Lovecraft, George Henry Weiss, 2016-03-31 The centuries-old murder of a dark wizard resulted in a vow of revenge upon all the descendants of those responsible, condemning them to death at the age of 32. After the curse takes its toll, only Count Antoine de C remains, together with his servant and guardian, Pierre. With his thirty-second year fast approaching and the recent death of Pierre, Antione begins exploring the many ruined parts of the castle alone, eventually coming across a mysterious passage that leads to the true cause behind the untimely deaths of his ancestors. Written when Lovecraft was in his late teens, *The Alchemist* is among the first works that he ever published. A classic horror story with a centuries-old curse at its centre, this book is highly recommended for fans of horror fiction and is not to be missed by lovers of Lovecraftian literature. Howard Phillips Lovecraft (1890–1937) was an American writer of supernatural horror fiction. Though his works remained largely unknown and did not furnish him with a decent living, Lovecraft is today considered to be among the most significant writers of supernatural horror fiction of the twentieth century. Other notable works by this author include: “At the Mountains of Madness”, “The Rats in the Walls”, and “The Shadow Over Innsmouth”. Read & Co. is publishing this classic short story now as part of our “Fantasy and Horror Classics” imprint in a new edition with a dedication by George Henry Weiss.

**The Strange Case of the Alchemist's Daughter** Theodora Goss, 2017-06-20 Based on some of literature’s horror and science fiction classics, this “tour de force of reclaiming the narrative, executed with impressive wit and insight” (Publishers Weekly, starred review) debut is the story of a remarkable group of women who come together to solve the mystery of a series of gruesome murders—and the bigger mystery of their own origins. Mary Jekyll, alone and penniless following her parents’ death, is curious about the secrets of her father’s mysterious past. One clue in particular hints that Edward Hyde, her father’s former friend and a murderer, may be nearby, and there is a reward for information leading to his capture...a reward that would solve all of her immediate financial woes. But her hunt leads her to Hyde’s daughter, Diana, a feral child left to be raised by nuns. With the assistance of Sherlock Holmes and Dr. Watson, Mary continues her search for the elusive Hyde, and soon befriends more women, all of whom have been created through terrifying experimentation: Beatrice Rappaccini, Catherin Moreau, and Justine Frankenstein. When their investigations lead them to the discovery of a secret society of immoral and power-crazed scientists, the horrors of their past return. Now it is up to the monsters to finally

triumph over the monstrous.

**The Alchemist's Agent Omnibus 1** E.M. Burnham, 2022-06-30 Ibram Ucalegon is a private investigator in the strictest sense of the term. He only has one client: Lady Azadiya Hobon, the intelligent, poised, and beautiful alchemist who oversees the daily struggles of life in the alchemical village of Lityen, and he investigates whatever she tells him to. In a village crammed with foreign deities, potion pushers, and folk who can see through a man's skin straight to his bones, Ibram's the thoroughly mundane answer to every murky question. Together with his childhood friend, Ahksell Solari, alchemist and movable mountain, they tidy up the dark corners and murderous disputes of Lityen's population amidst the never-ending upheaval of merchants, adventurers, and displaced nobility seeking their fortunes. In *The Gilty Party*: Ibram thought he knew everything he needed to know about the death of Harken Tolk, but when the man who found him disappears before the inquest, Lady Azadiya has no choice but to reopen the investigation. Did Ibram sign off on a natural death, when the verdict should have been murder? Or is Rustam Monbrith hiding some other secret? In *Cursebird On A Wire*: Following a short period of unfortunate incarceration, Ibram buys his freedom by promising his jailer an introduction to Lady Azadiya. But on the day of the introductory gala, a cursebird flies in the face of everybody's plans. Can Lady Azadiya discover the culprit and save the party before Ibram trades in his smooth sailing for another hard landing? *The Alchemist's Agent Omnibus 1* is a collection of two books in E.M. Burnham's standalone fantastical mystery series: *The Alchemist's Agent*. The books included are: *The Gilty Party*, the first book in the series, and *Cursebird On A Wire*, a prequel novella.

*The Alchemist's Compass* Pasquale De Marco, 2025-05-03 ***The Alchemist's Compass*** is a comprehensive guide to the ancient and mysterious art of alchemy. This book takes you on a journey through the history, philosophy, and practice of alchemy, from its origins in ancient Egypt to its modern applications in science and medicine. Alchemy is often associated with the search for the philosopher's stone, a mythical substance that was said to be able to turn base metals into gold and grant eternal life. However, alchemy is much more than just a search for material wealth. It is also a spiritual journey, a quest for knowledge and self-discovery. The alchemists of old were not simply scientists; they were also philosophers, artists, and mystics. They believed that the physical world was a reflection of the spiritual world, and that by understanding the one, we could gain insights into the other. Alchemy is a complex and multifaceted subject, but it is also a fascinating one. In this book, we will explore the different aspects of alchemy, from its basic principles to its most advanced practices. We will also look at the role of alchemy in history, art, and literature. Whether you are a complete beginner or an experienced alchemist, you will find something of value in this book. My goal is to provide you with a comprehensive overview of alchemy, so that you can explore this fascinating subject for yourself. Alchemy is an ancient art, but it is also a living tradition. Alchemists continue to practice their art today, and they are making new discoveries all the time. I believe that alchemy has much to offer us in the 21st century. It can help us to understand the world around us, and it can help us to find our place in it. I

invite you to join me on this journey into the world of alchemy. Let us explore the secrets of the alchemists together. If you like this book, write a review on google books!

**The Alchemist, the Original Short Story** H.p. Lovecraft,2015-01-03 High up, crowning the grassy summit of a swelling mount whose sides are wooded near the base with the gnarled trees of the primeval forest stands the old chateau of my ancestors. For centuries its lofty battlements have frowned down upon the wild and rugged countryside about, serving as a home and stronghold for the proud house whose honored line is older even than the moss-grown castle walls.

**H.P. Lovecraft Biography: The Dark, Twisted World of The Horror Fiction Writer Who Was Recognized a Decade After His Death** Chris Dicker, Lovecraft was considered a talented writer, an authority in storytelling and a highly respected erudite, a walking encyclopedia of ancient and modern knowledge. His passion to horror and science fiction was dated back from his childhood, where he used to have a lot of nightmares of monsters, demons and fears. He used them to facilitate his stories and writing later on. H.P. Lovecraft is known as a “future writer.” That’s because Lovecraft lived quite a difficult life through severe poverty, illness caused by self-neglect, his wife left him because of financial issues, and all of this despite his talents. Lovecraft was never recognized as a successful writer during his lifetime, because he never published any of his work. He was known only to local communities. However, Lovecraft was more than just a writer, but a mentor to many successful horror and science fiction writers we know today. Without Lovecraft, people like Ramsey Campbell, Neil Gaiman, Robert Bloch, Clive Barker and Stephen King would never be the same. In fact, Stephen King himself claimed that Lovecraft was his top literary influence among many others. Thirty years after Lovecraft's death, the writer hit the first peak of his posthumous popularity, because his friends formed a publishing company of his work. Critics compared Lovecraft to Edgar Allan Poe himself, giving credit to his influence on the world of horror fiction decades after his actual death. Unfortunately, H.P. Lovecraft did not enjoy any of the material abundance and fame this life has to offer despite his talents for reasons already mentioned. H.P. Lovecraft's work was adopted and taken by tabletop game, metal songs, Hollywood movies where some writer's stories remained virtually unknown in mainstream for a decade. The writer's stories were like some buried treasures, hidden gems, or a gold mine of some sort to folks on Hollywood and the entertainment industry, because they

were considered as interesting plots for movies. However, one thing will always stand out: without Lovecraft, the modern horror wouldn't be what it is today. If you want to learn more about Lovecraft's life, the father of Cthulhu, Innsmouth, Escherian alien, Nyarlathotep and many others... grab your copy now!

The Female Teacher on Television Andrew L. Grunzke,Rebecca Z. Grunzke,2025-06-12 This edited volume examines the ways in which the representation of female teachers on television has developed from the advent of the medium up to the present day. Despite the widely feminized nature of the teaching profession, the first depictions of female teachers on television did not occur until over a century later. Contributors analyze a variety of programs spanning time periods, audiences, and genre to provide insight into the past, present, and future trajectory of increasingly multidimensional portrayals of female teachers. Scholars of television, media, gender, women's, and cultural studies will find this book of particular interest.
