

# The Seven Year Slip

**Sophie Irwin**

**The Seven Year Slip** Ashley Poston, 2023-06-27 NEW YORK TIMES BESTSELLER • An overworked book publicist with a perfectly planned future hits a snag when she falls in love with her temporary roommate . . . only to discover he lives seven years in the past, in this witty and wise novel from the New York Times bestselling author of *The Dead Romantics*. A New York Public Library Best Book of 2023 A gorgeous love story from one of the finest romance writers out there.—Carley Fortune, New York Times bestselling author of *Every Summer After Sometimes*, the worst day of your life happens, and you have to figure out how to live after it. So Clementine forms a plan to keep her heart safe: work hard, find someone decent to love, and try to remember to chase the moon. The last one is silly and obviously metaphorical, but her aunt always told her that you needed at least one big dream to keep going. And for the last year, that plan has gone off without a hitch. Mostly. The love part is hard because she doesn't want to get too close to anyone—she isn't sure her heart can take it. And then she finds a strange man standing in the kitchen of her late aunt's apartment. A man with kind eyes and a Southern drawl and a taste for lemon pies. The kind of man that, before it all, she would've fallen head-over-heels for. And she might again. Except, he exists in the past. Seven years ago, to be exact. And she, quite literally, lives seven years in his future. Her aunt always said the apartment was a pinch in time, a place where moments blended together like watercolors. And Clementine knows that if she lets her heart fall, she'll be doomed. After all, love is never a matter of time—but a matter of timing.

**The Nivison Annals** David S. Nivison, 2018-07-09 In his last essay just weeks before his death at the age of 91, David S. Nivison says, Breaking into a formal system - such as a chronology - must be like breaking into a code. If you are successful, success will show right off. Since the late 1970's Nivison has focused his scholarship on breaking the code of Three Dynasties (Xia, Shang, Zhou) chronology by establishing an innovative methodology based on mourning periods, astronomical phenomenon, and numerical manipulations derived from them. Nivison is most readily known in the field for revising (and then revising again) the date of the Zhou conquest of Shang, and for his theory that Western Zhou kings employed two calendars (His so-called Two yuan theory), the second being set in effect upon the death of the new king's predecessor and counted from the completion of post-mourning rites for him (i.e., a second 'first' year). Nivison's enabling discovery that the Bamboo Annals (BA) had a historical basis was initially designed to make Wang Guowei's analysis of lunar phase terms (the so-called Four quarter theory that separated each month into four quarters) work for Western Zhou bronze inscriptions. In

order to do so he had to assume that some inscriptions used a second yuan counted from completion of mourning. The king's death was the most important event late in a reign, so this implied that a king's reign-of-record was normally counted from the second yuan, omitting initial mourning years. It follows that when the unexpressed mourning years are forgotten (or edited out) but the dates of the beginning and end of the dynasty are still known, the remaining reigns-of-record cluster toward the beginning and end, and a reign in the middle is enlarged. Problems, ideas, and solutions like the one described above are found throughout this new collection of important works on chronology, astronomy, and historiography.

**A Novel Love Story** Ashley Poston, 2024-06-25 THE INSTANT NEW YORK TIMES BESTSELLER! Most Anticipated by Parade · BuzzFeed · Harper's Bazaar · Elle · She Reads · The Seattle Times · BookRiot and more! A professor of literature finds herself caught up in a work of fiction...literally, from the New York Times bestselling author of *The Seven Year Slip* and *The Dead Romantics*. Eileen Merriweather loves to get lost in a good happily-ever-after. The fictional kind, anyway. Because at least imaginary men don't leave you at the altar. She feels safe in a book. At home. Which might be why she's so set on going her annual book club retreat this year—she needs good friends, cheap wine, and grand romantic gestures—no matter what. But when her car unexpectedly breaks down on the way, she finds herself stranded in a quaint town that feels like it's right out of a novel... Because it is. This place can't be real, and yet... she's here, in Eloraton, the town of her favorite romance series, where the candy store's honey taffy is always sweet, the local bar's burgers are always a little burnt, and rain always comes in the afternoon. It feels like home. It's perfect—and perfectly frozen, trapped in the late author's last unfinished story. Elsy is sure that's why she must be here: to help bring the town to its storybook ending. Except there is a character in Eloraton that she can't place—a grumpy bookstore owner with mint-green eyes, an irritatingly sexy mouth and impeccable taste in novels. And he does not want her finishing this book. Which is a problem because Elsy is beginning to think the town's happily-ever-after might just be intertwined with her own.

**Reprint of Statutes, Rules and Schedules Governing the Disposal of Public Records by Destruction Or Otherwise 1877-1913** Great Britain, Great Britain. Public Record Office, 1914

**Time Slips** Jaclyn Pryor, 2017-07-15 This bold book investigates how performance can transform the way people perceive trauma and memory, time and history. Jaclyn I. Pryor introduces the concept of time slips, moments in which past, present, and future coincide, moments that challenge American narratives of racial and sexual citizenship. Framing performance as a site of resistance, Pryor analyzes their own work and that of four other queer artists—Ann Carlson, Mary Ellen Strom, Peggy Shaw, and Lisa Kron—between 2001 and 2016. Pryor illuminates how each artist deploys performance as a tool to render history visible, trauma recognizable, and transformation possible by laying bare the histories and ongoing systems of violence woven deep into our society. Pryor also includes a case study that examines the challenges of teaching queer time and queer performance within the academy in what Pryor calls a post-9/11 “homeland” security state. Masterfully synthesizing a wealth

of research and experiences, *Time Slips* will interest scholars and readers in the fields of theater and performance studies, queer studies, and American studies.

*Sounds Like Love* Ashley Poston, 2025-06-17 A hitmaking songwriter and a bitter musician share a startling and inexplicable connection that they'll do anything to shake, in the next sparkling, magical book from the New York Times bestselling author of *The Seven Year Slip* and *A Novel Love Story*. Named a Most Anticipated book of Summer 2025 by People • Marie Claire • Brit + Co • Yahoo! Life • She Reads • and more! Joni Lark has a secret. She's one of the most coveted songwriters in LA, and yet she can't write. There's an emptiness inside her, and nothing seems to fill it. When she returns to her hometown of Vienna Shores, North Carolina, she hopes that the sand, the surf, and the concerts at The Revelry, her family's music venue, will spark inspiration. But when Joni gets there, nothing is how she left it. Her best friend is hiding something, her mother's memories are fading fast, and The Revelry is closing. How can Joni write when her world is leaving her behind? Until she hears it. A melody in her head, lyric-less and half-formed, and an alluring and addictive voice to go with it—belonging, apparently, to a wry musician with an emptiness of his own. Surely, he's a figment of Joni's overworked imagination. Then a very real man shows up in Vienna Shores. He's arrogant and guarded—nothing like the sweet, funny voice in Joni's head—and he has a plan for breaking their inconvenient telepathic connection: finish the song haunting them both and hope they don't risk their hearts—or their secrets—in the process. Because that melody, the one drawing them together . . . what if it's there for a reason?

**The Bent of Tau Beta Pi**, 1917

**Origins of Ancient Chinese Civilization** Xueqin Li, 2024-07-24 This book presents detailed research regarding the Xia, Shang, and Zhou dynasties, including studies of inscriptions on bones or tortoise shells, bronzeware, bamboo scripts, and silk manuscripts, in order to demonstrate the main features of various historical periods during the establishment and development of ancient Chinese civilization based on an a view of ancient Chinese civilization studies as a whole. The book consists of three sections with a total of 38 essays. The first section provides a macro-level overview of the formation and development history of ancient Chinese civilization; the second section, covering general topics, examines the specific characteristics of early Chinese civilization, from Emperors Yan and Huang to the Eastern Zhou Dynasty. Lastly, the appendix features 7 articles, including a short biography of the author.

*A Little Ray of Sunshine* Kristan Higgins, 2024-04-23 A kid walks into your bookstore and... Guess what? He's your son. The one you put up for adoption eighteen years ago. The one you never told anyone about. Surprise! And a huge surprise it is. It's a huge surprise to his adoptive mother, Monica, who thought she had a close relationship with Matthew, her nearly adult son. But apparently, he felt the need to secretly arrange a vacation to Cape Cod for the summer so he could meet his birth mother...without a word to either her or his dad. It's also a surprise— to say the least—to Harlow, the woman who

secretly placed her baby for adoption so many years ago. She's spent the years since then building a quiet life. She runs a bookstore with her grandfather, hangs out with her four younger siblings and is more or less happily single, though she can't help gravitating toward Grady Byrne, her old friend from high school. He's moved back to town, four-year-old daughter in tow, no wife in the picture. But she's always figured her life had to be child-free, so that complicates things. When Matthew walks into Harlow's store, she faints. Monica panics. And all their assumptions—about what being a parent really means—explode. This summer will be full of more surprises as both their families are redefined...and as both women learn that for them, there's no limit to a mother's love.

**Look on the Bright Side** Kristan Higgins, 2024-05-28 From the author of *Pack Up the Moon* comes a funny, romantic, and deeply moving novel about the unexpected rewards that come from life's detours. Lark Smith has always had a plan for her life: find a fantastic guy, create a marriage as blissful as her parents', pop out a couple of kids and build a rewarding career as an oncologist. Things aren't going so well. For one, the guy didn't work out. Theoretically, she'd love to find someone else, but it hasn't happened. Two, she's just been transferred out of oncology for being too emotional. (Is it her fault she's a weeper?) Three, her parents just split up. Deviating from the plan was...well, not in the plan. A potential solution comes from the foul-tempered and renowned surgeon Lorenzo Santini (aka Dr. Satan). He needs a date this summer for his sister's wedding. His ancient Noni wants to see him settled. In exchange, he could make a few introductions and maybe get Lark back into the field of her choice. As a sucker for old people and fake relationships, Lark agrees. Teeny problem—she instantly falls for his big, warm family. Especially his estranged brother. Meanwhile, Lark's mom has moved in with Lark's colorful landlady, Joy, and an unlikely friendship blossoms. The three women have a long summer and a big beautiful house on the ocean to figure out what's next...and quite possibly learn that the best things in life aren't planned at all.

**Financial Statement Fraud Casebook** Joseph T. Wells, 2011-05-12 A comprehensive look at financial statement fraud from the experts who actually investigated them This collection of revealing case studies sheds clear insights into the dark corners of financial statement fraud. Includes cases submitted by fraud examiners across industries and throughout the world Fascinating cases hand-picked and edited by Joseph T. **This Summer Will Be Different** Carley Fortune, 2025-04-01 THE INSTANT #1 NATIONAL BESTSELLER! A glorious and tantalizing new escape from #1 New York Times bestselling author Carley Fortune. This summer they'll keep their promise. This summer they won't give into temptation. This summer will be different. Lucy is the tourist vacationing at a beach house on Prince Edward Island. Felix is the local who shows her a very good time. The only problem: Lucy doesn't know he's her best friend's younger brother. Lucy and Felix's chemistry is unreal, but the list of reasons why they need to stay away from each other is long, and they vow to never repeat that electric night again. It's easier said than done. Each year, Lucy escapes to PEI for a big breath of coastal air, fresh oysters and crisp vinho verde with her best friend, Bridget. Every visit begins with a long walk on the beach, beneath soaring red cliffs and a golden sun. And every visit, Lucy promises herself she won't wind up in Felix's bed. Again. If Lucy can't help being drawn to Felix, at least she's always kept her heart out of it. When Bridget suddenly flees Toronto a week before her wedding, Lucy drops everything to follow her to the island. Her mission is to help Bridget through her crisis and resist the one man she's never been able to. But Felix's sparkling eyes and flirty quips have been replaced with something new, and Lucy's beginning to wonder just how safe her heart truly is.

**A Lady's Guide to Fortune-Hunting** Sophie Irwin, 2024-07-02 "A sharp, modern, and absolutely delicious take on the marriage plot. Sophie Irwin's debut is one of the most fun, romantic books I've read in a long time. I cannot wait to see what she does next." —Taylor Jenkins Reid, New York Times bestselling author of *Malibu Rising* A whip-smart historical rom-com debut that follows an entirely unconventional heroine who throws herself into the London Season in hopes of finding a wealthy husband to save her family from ruin. But the last thing she expects is to find love... When Kitty Talbot is jilted by her fiancé three months before their wedding, the future looks dark. Without his fortune to pay off her late father's gambling debts, she and her four sisters face certain ruin. But Kitty has never backed down from a challenge, so she leaves the countryside and heads toward the most dangerous battleground in all of Regency England: The London Season. The aim is simple: find a wealthy bachelor to wed in order to save the Talbot family from destitution. Kitty is neither accomplished nor all that genteel, but she is utterly single-minded; imbued with her father's gambling spirit, Kitty knows that risk is just part of the game. What she doesn't anticipate is Lord Radcliffe, elder brother of the deliciously wealthy Archibald de Lacy. Radcliffe sees Kitty for the fortune-hunter that she really is, and is determined to scotch her plans at all costs... A scintillating mano-a-mano between Kitty and Lord Radcliffe will turn into the romance of the year, one whose brilliant repartee and enticing wit make *A Lady's Guide to Fortune-Hunting* a pure delight.

**Finders Keepers** Sarah Adler, 2025-06-24 Two estranged best friends find that their long-abandoned treasure hunt might be the key to a fresh start—for both their futures and their feelings, from USA Today bestselling author Sarah Adler. Last week, Nina Hunnicutt was a professor about to move into a gorgeous new apartment with her long-term boyfriend. Now, she's single, unemployed, and living with her parents. Even more surprising is the fact that Quentin Bell, her childhood neighbor (and okay, fine, crush), is also back in town—and wants to resume the treasure hunt that ended their friendship almost two decades ago. Hoping the reward promised to whoever finds the rumored riches left behind by the town's eccentric turn-of-the-century seltzer magnate will help her get her life back on track, Nina agrees. Granted, last time the search resulted in a broken heart and seventeen years of silence. But Nina's older and wiser now. Surely things will be different? Except, Quentin is also older and wiser...not to mention distractingly handsome. As they resume their hunt, Nina and Quentin begin to rediscover all the things they once loved best about each other. But unlike the treasure, the secrets that left them empty-handed the first time refuse to stay buried. If there's any hope of finding what they're looking for—and for a future together—Nina and Quentin will have to be brave enough to excavate their past as well.

*Happy Medium* Sarah Adler, 2024-04-30 AN INSTANT USA TODAY BESTSELLER! The perfect alchemy of romance, humor and quirky originality.—Sophie Cousens, New York Times bestselling author of *This Time Next Year* and *The Good Part* A clever con woman must convince a skeptical, sexy farmer of his property's resident real-life ghost if she's to save them all from a fate worse than death, in this delightful new novel from the author of *Mrs. Nash's Ashes*. Fake spirit medium Gretchen Acorn is happy to help when her best (read: wealthiest) client hires her to investigate the unexplained phenomena preventing the sale of her bridge partner's struggling goat farm. Gretchen may be a fraud, but she'd like to think she's a beneficent one. So if cleansing the property will help a nice old man finally retire and put some much-needed cash in her pockets at the same time, who's she to say no? Of course, it turns out said bridge partner isn't the kindly AARP member Gretchen imagined—Charlie Waybill is young, hot as hell, and extremely unconvinced that Gretchen can communicate with the dead. (Which, fair.) Except, to her surprise, Gretchen finds herself face-to-face with Everett: the very real, very chatty ghost that's been wreaking havoc during every open house. And he wants her to help ensure Charlie avoids the same family curse that's had Everett haunting Gilded Creek since the 1920s. Now, Gretchen has one month to convince Charlie he can't sell the property. Unfortunately, hard work and honesty seem to be the way to win over the stubborn farmer—not exactly Gretchen's strengths. But trust isn't the only thing growing between them, and the risk of losing Charlie to the spirit realm looms over Gretchen almost as annoyingly as Everett himself. To save the goat farm, its friendly phantom, and the man she's beginning to love, Gretchen will need to pull off the greatest con of her life: being fully, genuinely herself. A sincere and sincerely funny romance.—Alix E. Harrow, New York Times bestselling author of *Starling House* “Sarah Adler nails the ultimate rom-com alchemy.”—Carley Fortune, New York Times bestselling author of *Every Summer After* and *Meet Me at the*

Lake

*Coffee and Solace* A. R. Riley, 2025-02-21 Within is the laundry list of a poor unfortunate soul, a hungry flirtatious sweet tooth. She is Icarus without Apollo. Reborn from ashes hoping to turn the residual melancholy into a spectacle. She writes of heartache and loneliness, joy, and comfort, how art shapes her world. She writes with a burning, writhing need to understand her humanity. She writes about everyone she's ever met, and the people she never will. Within is a love letter to herself, and to all the ones who can't use their words. Within is a promise to keep loving all the beautiful, disgusting, amazing, horrendous parts of herself. She writes alone in the a.m, hoping her words scream loud enough before her coffee goes cold.

*Books of Fate and Popular Culture in Early China* Marc Kalinowski, Donald Harper, 2017-11-06 Books of Fate and Popular Culture in Early China is a comprehensive introduction to the manuscripts known as daybooks, examples of which have been found in Warring States, Qin, and Han tombs (453 BCE-220 CE). Their main content concerns hemerology, or "knowledge of good and bad days." Daybooks reveal the place of hemerology in daily life and are invaluable sources for the study of popular culture. Eleven scholars have contributed chapters examining the daybooks from different perspectives, detailing their significance as manuscript-objects intended for everyday use and showing their connection to almanacs still popular in Chinese communities today as well as to hemerological literature in medieval Europe and ancient Babylon. Contributors include: Marianne Bujard, László Sándor Chardonnens, Christopher Cullen, Donald Harper, Marc Kalinowski, Li Ling, Liu Lexian, Alasdair Livingstone, Richard Smith, Alain Thote, and Yan Changgui.

**A Study of Excavated Documents in China** Wang Guiyuan, 2023-12-22 As the second volume of a two-volume set on Chinese ancient characters and unearthed literature, this book brings together the author's scholarly works on Chinese scripts studies and unearthed materials. In this volume, the author scrutinizes manuscripts unearthed from archaeological findings, including silk books and bamboo slips discovered in ancient tombs that date back to the Warring States period and the Qin and Han dynasties, as well as Turfan manuscripts. These materials serve as supplements of Shuowen Jiezi and other historical documents, which complement our understanding of ancient characters. Through textual analysis of these newly excavated documents, the author reinterprets the texts and resolves some knotty problems in Chinese palaeography. The title will appeal to students and scholars of Sinology, Chinese philology, and palaeography, as well as Chinese characters and unearthed manuscripts.

Getting the books **The Seven Year Slip** now is not type of challenging means. You could not lonely going behind books accrual or library or borrowing from your associates to way in them. ## **The Seven Year Slip Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Seven Year Slip has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a

professional seeking research papers, the option to download The Seven Year Slip has opened up a world of possibilities. Downloading The Seven Year Slip provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Seven Year Slip has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Seven Year Slip. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Seven Year Slip. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates

copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Seven Year Slip, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Seven Year Slip has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About The Seven Year Slip Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features

before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks?
